The Night Drifter:

The Night Drifter Susan Carroll,1998-12-31 In an exciting sequel the acclaimed author of The Bride Finder sweeps readers back to the Cornish castle where Lance St Leger on one of his mysterious night journeys finds his perfect mate

The Drifter's Wheel Phillip DePoy,2008-06-24 DePoy a folklorist excels at providing local color and creating complex characters The story unfolds slowly and lyrically giving readers a sense of small town Appalachian atmosphere Booklist on A Minister s Ghost By far DePoy s best with top notch plotting full blown characters and a bit of Shakespeare thrown in Kirkus Reviews starred on A Minister s Ghost Fever Devilin born and raised amongst the hill country folk of the Georgia Appalachians left home a long time ago and pursued an education then a career in the wider outside world A folklorist by inclination and profession he left the strange world of academia behind to return to his family home in the if anything stranger mountain town he grew up in But oddness follows Fever wherever he goes and Blue Mountain Georgia is no different When a man shows up at his house claiming to be over a hundred years old even though he looks like he s in his 30 s Fever is pretty sure his guest is not right When the man starts to wave a gun around then falls suddenly asleep immediately afterward Fever thinks he s both not right and dangerous and slips out to call the sheriff The sheriff Fever s childhood friend has been hearing reports of this particular vagrant all day but before he can get out there the man disappears In the early morning the body of man that fits the description of the mysterious vagrant is found by the side of the road shot to death But although the body is wearing the same clothes that the vagrant was it isn t the same person The Drifter's Bride Tatiana March,2014-04-01 Arizona Territory 1881 Rescue the girl claim the reward get out of town It s the kind of mission that Carl Ritter has completed many times before Except that Jade Armstrong is no meek captive She s a strong willed half Apache beauty And instead of leaving town Carl agrees to marry her Without a white husband Jade will lose her land The rugged bounty hunter offers a temporary marriage just long enough to father the child she needs to secure her inheritance But the fierce mutual desire unleashed on their wedding night kindles a fire neither expected turning a business arrangement into a union forged in pleasure Drifter's Lane Pasquale De Marco,2025-04-07 In the sun drenched valleys of California where palm trees sway in the warm breeze and the air is thick with the scent of orange blossoms a tale of darkness and despair unfolds It is a time of innocence an era of poodle skirts and drive in theaters yet beneath the surface a sinister force is lurking preying on the unsuspecting A drifter embarks on a twisted journey leaving a trail of shattered lives in his wake His name is whispered in hushed tones a specter that haunts the dreams of the innocent He is a master of manipulation a predator who skillfully ensnares his victims luring them into his web of deceit With each life he claims the drifter s hunger for control grows stronger He revels in the power he wields over his victims reveling in their fear and desperation He is a creature of darkness a being devoid of empathy a monster who thrives on the pain of others As the body count mounts fear grips the hearts of the people The police work tirelessly to apprehend the elusive drifter but he remains one step ahead

taunting them with his cunning and audacity The case becomes a national obsession captivating the public s imagination and fueling their darkest fears In a climactic showdown justice finally catches up with the drifter He is unmasked his reign of terror brought to an end The trial that follows is a media circus a spectacle that rivets the nation The drifter s dark secrets are laid bare exposing the depths of his depravity But even behind bars the drifter s legacy lives on His crimes leave an indelible scar on society a reminder of the darkness that lurks beneath the surface of seemingly ordinary lives His story becomes a cautionary tale a warning about the monsters that can hide in plain sight If you like this book write a review

Naval History of World War I Paul G Halpern, 2012-04-15 There have been a number of studies published on the activities of British and German navies during World War I but little on naval action in other arenas This book offers for the first time a balanced history of the naval war as a whole viewed from the perspective of all participants in all major theaters The author's earlier examination The Naval War in the Mediterranean 1914-1918 centered on submarine activities and allied efforts to counteract this new menace With this welcome sequel he again takes the reader beyond those World War I operations staged on the North Sea Halpern's clear and authoritative voice lends a cohesiveness to this encompassing view of the Italians and Austrians in the Adriatic the Russians Germans and Turks in the Baltic and Black Seas and French and British in the Mediterranean Important riverine engagements notably on the Danube also are included along with major colonial campaigns such as Mesopotamia and the Dardanelles The role of neutral sea powers such as the Swedes in the Baltic and the Dutch in the East Indies is examined from the perspective of how their neutrality affected naval activity Also discussed is the part played by the U S Navy and the often overlooked but far from negligible role of the Japanese navy The latter is viewed in the context of the opening months of the war and in the Mediterranean during the height of the submarine crisis of 1917

The Diary of a Drifter Steven Roof, 2021-08-03 This book is about my life I crossed county sixteen times on foot on most of it and lived on the road for fifteen years eating wild edible plants and always leaving home with no money This book is more than just a book This book can save lives Say you have no family and no friends and you're homeless The knowledge in this book can save your life Of course you will have to be extremely careful if anyone ever tries to do this I urge anyone who reads my book to use this knowledge only if they are in trouble The reason for this book is to save people and open people's eyes to the drifter world a world most people only briefly hear about I'm letting the world know what these homeless world travelers go through in great detail It took me fifteen years to write this book because I kept getting rained on and my book kept getting ruined I'm proud to finally give the world The Diary of a Drifter
