Hailu,2017-12-28 Professor Hailu brings fresh new insights into the operation of the spiritual gifts as found in 1 Corinthians 12 1 11 from his ministerial experiences He tells how he was baptized in the Holy Spirit in 1993 and started experiencing what can only be termed explosive manifestations of the spiritual gifts shortly thereafter He takes the position that every Christian is granted one or more gifts upon being born again but only fully unwraps those gifts upon receiving the Baptism of the Holy Spirit He emphasizes the importance of developing a personal relationship with and dependence on the Holy Spirit in order to exhibit the power filled life that Jesus Christ had in his earthly ministry As both an academic and a religious leader this work constitutes an important contribution to the theological dialogue on this important theme It is simply written so that the layperson as well as the theologian can rejoice with this man whom God has raised up to minister to the present generation *Fear of the Night* Mike Scygiel,2013-11-15 Eight days before Halloween two strangers drive into the tiny town of Dunes Michigan in the middle of the night After marking various locations on a map of the town the two men take up
