## **The North Atlantic World In The Seventeenth Century:**

**The North Atlantic World in the Seventeenth Century** Kenneth Gordon Davies, *The North Atlantic World in the Seventeenth Century* K. G. Davies, 1974-09-06 The North Atlantic World in the Seventeenth Century was first published in 1974 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions In his preface the author writes Europe's style was both courageous and ignoble Europe's achievement both magnificent and appalling There is less need now that Europe's hegemony is over for pride or shame to color historical judgments In that candid vein Mr Davies provides a balanced and impartial history of British French and Dutch beginnings in North America the Caribbean and West Africa to the end of the seventeenth century He contrasts two styles of empire the planting of trading posts in order to gather fur fish and slaves and the planting of people in colonies of settlement to grow tobacco and sugar He shows that the first style involving little outlay of capital was favored by European merchants the second by rulers and landlords In his conclusion he examines the impact made by the Europeans on the people they traded with and expropriated and assesses the diplomatic economic and cultural repercussions of the North Atlantic on Europe itself Should provide valuable supplementary reading in courses in British imperial and American colonial history as well as a source of information for those who teach them History

**The North Atlantic World in the Seventeenth Century** Kenneth G. Davies, 1974-01-01 **The Atlantic World** Willem Klooster, Alfred Padula, 2018-10-24 This important new contribution to the study of Atlantic history brings together eight original essays by such leading scholars as Jorge Canizares Esquerro Paul Lovejoy David Eltis and Benjamin Schmidt on the many connections between the Old World and the New World in the early modern period With an introduction by Wim Klooster the four sets of paired essays examine the role of specific port cities in Atlantic history aspects of European migration the African dimension and ways in which the Atlantic world has been imagined Numerous maps and illustrations further enrich this vital new contribution to undergraduate and graduate courses of study in Atlantic history

*Europe and the World in the Age of Expansion: The North Atlantic world in the seventeenth century* Boyd C. Shafer, 1974 *The British Atlantic World, 1500-1800* David Armitage, Michael J. Braddick, 2009-01-15 This core textbook gathers an international team of historians to present a comprehensive account of the central themes in the histories of Britain British America and the British Caribbean seen in Atlantic perspective This collection of individual essays provides an accessible overview of essential themes such as the state empire migration the economy religion race class gender politics and slavery This new and revised edition brings this text up to date with recent work in the field of Atlantic history and extends its scope to cover themes not treated in the first edition notably the history of science and global history Placing the British Atlantic world in imperial and global contexts this book offers an indispensable survey of one of the liveliest fields of current historical enquiry This text is a primary resource for both undergraduate and postgraduate students of History particularly those taking modules on Early

Modern British History Colonial American History Early American History Caribbean History Atlantic History and World History Together the essays also provide a useful starting point for researchers in British American imperial and Atlantic history New to this Edition Updated and expanded to take account of new research Two new essays treating Science and The British Atlantic World in Global Perspective Timeline of British Atlantic history A revised Introduction and updated guides to further reading

**Plantation and Civility in the North Atlantic World** Aonghas MacCoinnich, 2015-09-17 The settlement of the Hebrides is usually considered in terms of the state formation agenda Yet the area was subject to successive attempts at plantation largely overlooked in historical narrative Aonghas MacCoinnich's study *Plantation and Civility* explores these plantations against the background of a Lowland Highland cultural divide and competition over resources The Macleod of Lewis clan uncivil Gaelic Highlanders were dispossessed by the Lowland civil Fife Adventurers 1598 1609 Despite the collapse of this Lowland Plantation however the recourse to the Mackenzie clan often thought a failure of policy was instead a pragmatic response to an intractable problem The Mackenzies also pursued the civility agenda treating with Dutch partners and fending off their English rivals in order to develop their plantation

**The Modern World-System II** Immanuel Wallerstein, 2011-05-11 The Modern World System Immanuel Wallerstein's influential multivolume reinterpretation of global history traces the emergence and development of the modern world from the sixteenth century to the twentieth From publisher's description

**Society and Economy in Early Modern Europe, 1450-1789** Barry Taylor, 1989

**A New World for a New Nation** Francisco J. Borge, 2007 In the 1580s almost a century after Christopher Columbus first set foot in the New World England could not make any substantial claim to the rich territories there Less than a century later England had not only founded an overseas empire but had also managed to challenge her most powerful rivals in the international arena But before any material success accompanied English New World enterprises a major campaign of promotion was launched with the clear objective of persuading Englishmen that intervention in the Americas was not only desirable for the national economy but even paramount for their survival as a new and powerful Protestant nation state In this book the author explores the metaphors that dominate England's discourse on the New World in her attempt to conceptualize it and make it ready for immediate consumption The creators of England's proto colonial discourse were forced to make use of their rivals prior experience at the same time they tried to present England as radically different thus conferring legitimacy to English claims over territories that were already occupied One of the most outstanding consequences of this ideological contest is the emergence of an English national self not only in opposition to the American natives they try to colonise but also and more importantly in contrast to other nations that had been traditionally considered culturally similar

*The Atlantic World and Virginia, 1550-1624* Peter C. Mancall, 2018-01-15 In response to the global turn in scholarship on colonial and early modern history the eighteen essays in this volume provide a fresh and much needed perspective on the wider context of the encounter between the inhabitants of precolonial Virginia and the English

This collection offers an interdisciplinary consideration of developments in Native America Europe Africa the Caribbean and the Chesapeake highlighting the mosaic of regions and influences that formed the context and impetus for the English settlement at Jamestown in 1607 The volume reflects an understanding of Jamestown not as the birthplace of democracy in America but as the creation of a European outpost in a neighborhood that included Africans Native Americans and other Europeans With contributions from both prominent and rising scholars this volume offers far ranging and compelling studies of peoples texts places and conditions that influenced the making of New World societies As Jamestown marks its four hundredth anniversary this collection provides provocative material for teaching and launching new research Contributors Philip P Boucher University of Alabama Huntsville Peter Cook Nipissing University J H Elliott University of Oxford Andrew Fitzmaurice University of Sydney Joseph Hall Bates College Linda Heywood Boston University James Horn Colonial Williamsburg Foundation E Ann McDougall University of Alberta Peter C Mancall University of Southern California Philip D Morgan Johns Hopkins University David Northrup Boston College Marcy Norton The George Washington University James D Rice State University of New York Plattsburgh Daniel K Richter University of Pennsylvania David Harris Sacks Reed College Benjamin Schmidt University of Washington Stuart B Schwartz Yale University David S Shields University of South Carolina Daviken Studnicki Gizbert McGill University James H Sweet University of Wisconsin Madison John Thornton Boston University

*Oceanic Histories* David Armitage, Alison Bashford, Sujit Sivasundaram, 2018 Freshly presents world history through its oceans and seas in uniquely wide ranging original chapters by leading experts in their fields

*The Making of Modern Europe, 1648-1780* Geoffrey Treasure, 2003-12-16 In 1640 the term Europe was without real political significance In the following years the idea of Europe came to mean much more a period documented in this fascinating book

*Trade and Trust in the Eighteenth-Century Atlantic World* Xabier Lamikiz, 2013 Shows how merchants sought to minimise losses by forging strong bonds of interpersonal trust amongst a range of employees partners and clients Fruitfully combining approaches from economic history and the cultural history of commerce this book examines the role of interpersonal trust in underpinning trade amid the challenges and uncertainties of the eighteenth century Atlantic It focuses on the nature of mercantile activity in two parts of Spain Cadiz in the south and its trade with Spain's American empire and Bilbao in the north and its trade with western and northern Europe In particular it explores the processes of trade trading networks and communications seeking to understand merchant behaviour especially the choices made by individuals when conducting business and specifically with whom they chose to deal Drawing from a broad range of Spanish Peruvian and British archival sources the book reveals merchants experiences of trusting their agents and correspondents and shows how different factors from distance to legal frameworks and ethnicity affected their ability to rely on their contacts Xabier Lamikiz is Associate Professor of Economic History at the University of the Basque Country

[World Accumulation](#) Andre Gunder Frank, 2011-01-10 Most of Andre Gunder Frank's early work on the nature of underdevelopment focused on one continent

Latin America Here he broadened his canvas and traced the world wide effects of the process of capital accumulation from the period just prior to the discovery of America to the industrial and French revolutions It is Frank s thesis that the world has experienced a single all embracing albeit unequal and uneven process of capital accumulation centered in Western Europe which has been capitalist for at least two centuries      **Capitalism and Antislavery** Seymour Drescher,1987 Presenting a major reassessment of the roots nature and significance of Britain s successful struggle against slavery this book illuminates a novel turn in the history of antislavery For the first time the most effective agents in the abolition process were non slave masses This not only set Britain off from ancient Rome medieval western Europe and early modern Russia but in scale and duration it distinguished Britain from its 19th century continental European counterparts as well      **Epidemic Encounters, Communities, and Practices in the Colonial World** Poonam Bala,Russel Viljoen,2023-01-24 The essays in this volume examine the nature and extent of disease on indigenous communities and local populations located within the vast regions of the Indian and Pacific Oceans as a result of colonial sea power and colonial conquest While this established a long term impact of disease on populations the essays also offer insights into the dynamics of these populations in resisting colonial intrusions and introduction of disease to newly acquired territories      **The Caribbean and the Atlantic World Economy** Adrian Leonard,D. Pretel,2016-01-12 This collection of essays explores the inter imperial connections between British Spanish Dutch and French Caribbean colonies and the Old World countries which founded them Grounded in primary archival research the thirteen contributors focus on the ways that participants in the Atlantic World economy transcended imperial boundaries      **A Companion to Colonial America** Daniel Vickers,2008-04-15 A Companion to Colonial America consists of twenty three original essays by expert historians on the key issues and topics in American colonial history Each essay surveys the scholarship and prevailing interpretations in these key areas discussing the differing arguments and assessing their merits Coverage includes politics religion migration gender ecology and many others      **A Biography of a Map in Motion** Christian J. Koot,2017-12-26 Reveals the little known history of one of history s most famous maps and its maker Tucked away in a near forgotten collection Virginia and Maryland as it is Planted and Inhabited is one of the most extraordinary maps of colonial British America Created by a colonial merchant planter and diplomat named Augustine Herrman the map pictures the Mid Atlantic in breathtaking detail capturing its waterways coastlines and communities Herrman spent three decades travelling between Dutch New Amsterdam and the English Chesapeake before eventually settling in Maryland and making this map Although the map has been reproduced widely the history of how it became one of the most famous images of the Chesapeake has never been told A Biography of a Map in Motion uncovers the intertwined stories of the map and its maker offering new insights into the creation of empire in North America The book follows the map from the waterways of the Chesapeake to the workshops of London where it was turned into a print and sold Transported into coffee houses private rooms and government offices Virginia and Maryland became an apparatus of empire that allowed

English elites to imaginatively possess and accurately manage their Atlantic colonies Investigating this map offers the rare opportunity to recapture the complementary and occasionally conflicting forces that created the British Empire From the colonial and the metropolitan to the economic and the political to the local and the Atlantic this is a fascinating exploration of the many meanings of a map and how what some saw as establishing a sense of local place could translate to forging an empire
