The North Carolina Experience An Interpretive And Documentary Approach

Don Higginbotham

The North Carolina Experience An Interpretive And Documentary Approach:

The North Carolina Experience Lindley S. Butler, Alan D. Watson, 2010-06-15 This collection of nineteen original essays on selected topics and epochs in North Carolina history offers a broad survey of the state from its discovery and colonization to the present Each chapter consists of an interpretive essay on a specific aspect of North Carolina s history a collection of supporting documents and a brief bibliography Selections cover historical periods ranging from Elizabethan to contemporary times and examine such issues as slavery populism civil rights and the status of women Essays address the tragedy of North Carolina s Indians the state s role in the Revolutionary War and the Confederacy and the impact of the Great Depression North Carolina s place in the New South and evangelical culture in the state are also discussed Designed as a supplementary reader for the study and teaching of North Carolina history The North Carolina Experience will introduce college students to the process of historical research and writing It will also be a valuable resource in secondary schools public libraries and the homes of those interested in North Carolina history

A Primary Source History of the Colony of North Carolina Phillip Margulies, 2005-12-15 Maps documents and artwork are used to introduce the history of North Carolina to the time of the American Revolution

Tar Heel Politics 2000 Paul Luebke, 2000-11-09 Offering an insightful analysis of North Carolina political trends and personalities Paul Luebke moves beyond the usual labels of Republican and Democrat conservative and liberal In *Tar Heel Politics 2000* he argues that North Carolina s real political battle is between two factions of the state s political and economic elite modernizers and traditionalists Modernizers draw their strength from the bankers developers news media and other urban interests that support growth he says Traditionalists in contrast are rooted in small town North Carolina and fundamentalist Protestantism tied to agriculture and low wage industries and threatened by growth and social change Both modernizers and traditionalists are linked with politicians who represent their interests An updated and revised version of Luebke s *Tar Heel Politics Myths and Realities 1990* *Tar Heel Politics 2000* highlights the resurgence of the southern Republican Party for the first time in a century and discusses a number of significant changes that have occurred over the last decade These include the institutionalization of a viable two party system in the General Assembly the further shift of native born whites throughout the South into the Republican voting column and ideological conflict in North Carolina that parallels to some extent the post 1994 battles between the Republican Congress and the Clinton White House In addition the book provides a detailed analysis of the political appeal of Senator Jesse Helms and draws on Luebke s insights as a member of the North Carolina State House since 1991

The Publishers' Trade List Annual , 1991

Like Night and Day Daniel J. Clark, 2000-11-09 Daniel Clark demonstrates the dramatic impact unionization made on the lives of textile workers in Henderson North Carolina in the decade after World War II Focusing on the Harriet and Henderson Cotton Mills he shows that workers valued the Textile Workers Union of America for more than the higher wages and improved benefits it secured for them Specifically Clark points to the importance members placed on union instituted grievance and arbitration

procedures which most labor historians have seen as impediments rather than improvements From the signing of contracts in 1943 until a devastating strike fifteen years later the union gave local workers the tools they needed to secure at least some measure of workplace autonomy and respect from their employer Union instituted grievance procedures were not without flaws says Clark but they were the linchpin of these efforts When arbitration and grievance agreements collapsed in 1958 the result was the strike that ultimately broke the union Based on complete access to company archives and transcripts of grievance hearings this case study recasts our understanding of labor management relations in the postwar South The North Carolina Historical Review ,2005 Major Problems in the History of the American South Paul D. Escott,David R. Goldfield,1990 War and Society in Revolutionary America Don Higginbotham,1988 **Media Studies: Content, audiences, and production** Pieter Jacobus Fourie,2001 This book includes theoretical approaches as well as a production section that focuses on basic techniques and introductory applications of media studies **Encyclopedia of North Carolina** William S. Powell,2006 An informative compendium the Encyclopedia of North Carolina is abundantly illustrated with nearly 400 photographs and maps BOOK JACKET **Grading Student Midwives' Practice** Sam Chenery-Morris,2020-12-30 This book investigates the education and assessment of student midwives in clinical practice paying particular attention to how their practice is graded Chenery Morris brings primary research which explores students mentors and midwifery lecturers perspectives of practice learning and its assessment together with the international literature on clinical knowledge teaching and learning in practice and assessment of students drawn from a range of healthcare and education professions Discussing how practice is graded what constitutes valid practice knowledge learning in clinical practice evaluating practice learning and failing students this book uses Basil Bernstein s theories to throw light on how we assess and whether we should assess performance in addition to whether a student is competent to practise This is an important contribution to the field of midwifery education It will also be relevant to those with an interest in practice education from a range of healthcare professions *America, History and Life* ,1997 Provides historical coverage of the United States and Canada from prehistory to the present Includes information abstracted from over 2 000 journals published worldwide **Carolina Comments** ,1983 The Race Beat Gene Roberts,Hank Klibanoff,2008-06-17 An unprecedented examination of how news stories editorials and photographs in the American press and the journalists responsible for them profoundly changed the nation s thinking about civil rights in the South during the 1950s and 60s Roberts and Klibanoff draw on private correspondence notes from secret meetings unpublished articles and interviews to show how a dedicated cadre of newsmen black and white revealed to a nation its most shameful shortcomings that compelled its citizens to act Meticulously researched and vividly rendered The Race Beat is an extraordinary account of one of the most calamitous periods in our nation s history as told by those who covered it **Books in Print Supplement** ,1988 **Bowker's Best Reference Books: Author index. Title index** ,2005 Contains approximately 20 000 mostly English language sources for academic

libraries of all sizes **Subject Guide to Books in Print** ,1996 *Books in Print* ,1991 **Arts & Humanities Citation Index** ,1996 A multidisciplinary index covering the journal literature of the arts and humanities It fully covers 1 144 of the world s leading arts and humanities journals and it indexes individually selected relevant items from over 6 800 major science and social science journals *Out Online: Trans Self-Representation and Community Building on YouTube* Tobias Raun,2016-05-05 Trans people are increasingly stepping out of the shadow of pathologization and secretiveness to tell their life stories share information and to connect with like minded others using YouTube as a platform Out Online Trans Self Representation and Community Building on YouTube explores the digital revolution of trans video blogging addressing trans in its many meanings and configurations to examine the different ways in which the body in transformation and the vlog as a medium intersect Drawing on rich virtual ethnographic studies of trans video blogging the author sheds light on the ways in which the video blog or vlog as a multimodal medium enables trans people to tell their stories with the use of sound text music and pictures thus offering new ways to construct and archive bodily changes and to revise the story endlessly A groundbreaking study of the intersection between trans identity and technology Out Online explores the transformative and therapeutic potential of the video blog as a means by which trans vloggers can emerge and develop online using the vlog as a site for creation intervention community building and resistance As such it will appeal to social scientists and scholars of cultural and media studies with interests in gender sexuality and embodiment
