Dostoevsky's Notebooks

FYODOR DOSTOEVSKY, *The Notebooks for The Idiot*. Edited, with an Introduction, by Edward Wasiolek. Translated by Katharine Strelsky. Chicago and London: University of Chicago Press, 1967. Pages vi, 254. \$6.95.

IN RECENT YEARS American university presses have been engaged in large-scale translation projects designed to make the letters of Pushkin, Gogol, and Dostoevsky available to non-Russian readers. Most ambitious of all is the University of Chicago Press, which has taken on the task, under the editorship of Edward Wasiolek, of translating Dostoevsky's working notebooks for the major novels. The notebooks for *Crime and Punishment* were reviewed in this journal (September 1967), and the notebooks for *The Idiot* have now been published.

This is a complex, costly enterprise demanding the highest standards of editing and translation if the product is to prove of value. Even if such standards are met one wonders how many readers will be interested enough to buy these volumes—a few critics, some teachers of humanities courses or courses in the modern European novel . . . and who else? Slavists will of course read the notebooks in the original. The value of the enterprise is not in question, but why this particular project when there are so many others of which we have much greater need right now? The basic critical study of Gogol (1924) by Gippius has not been translated, nor has the monumental critical study of Tolstoy by B. M. Eikhenbaum, which is indispensable to anybody seriously concerned with Tolstoy. Not even Eikhenbaum's *Molodoi Tolstoy* has been rendered into English. Dostoevsky's *The Diary of A Writer* is out of print even in the unreliable translation of Boris Brasol. Olesha's *Envy* has been poorly translated. Every teacher of Russian literature has his own urgent list—and it is doubtful that Dostoevsky's notebooks would stand high on that list. Meanwhile we have studies of Dostoevsky by E. J. Simmons and Konstantin Mochulsky (in English) that rely heavily on the notebooks. Wasiolek himself has compiled "casebooks" that contain selections from the notebooks: *Crime and Punishment and the Critics* and *The Brothers Karamazov and the Critics* (these are both paperbacks published by Wadsworth Publishing Company). The basic materials in the notebooks are therefore available to English readers in summary, paraphrase, or in selections.
