The Novels Of Theodore Dreiser A Critical Study

David Guest

The Novels Of Theodore Dreiser A Critical Study:

The Novels of Theodore Dreiser Donald Pizer, 1976-06-08 The Novels of Theodore Dreiser was first published in 1976 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions Relying heavily on the manuscripts and letters in the Dreiser Collection of the University of Pennsylvania Library Professor Pizer seeks to establish the facts of the sources and composition of each of Dreiser's eight novels and to study the themes and form of the completed works In this study he relates what can be discovered about the factual reality of a novel to its imaginative reality His interpretation of the novels avoids the suggestion that there is a single overriding theme or direction in Dreiser's work and emphasizes that Dreiser deserves examination primarily on the basis of the individuality and worth of each of his novels A separate chapter is devoted to each of the novels Sister Carrie Jennie Gerhardt The Genius The Financier The Titan An American Tragedy The Bulwark and The Stoic A Critical Study of the Novels of Theodore Dreiser Charles Shapiro, 1958 An American Tragedy Paul A. Orlov, 1998 This book's premise is that a novel's ideas about the human drama are not necessarily the same as those its author consciously holds meaning that a close reading of Theodore Dreiser's artistic portrayal of modern America in An American Tragedy reveals the idea that he transcends the empirical premises of his presumed naturalistic thought to affirm the reality of the self and the importance of selfhood Based on this crucial premise and intensive analysis of the novel's text Professor Orlov's study develops an argument offering many original views of the Tragedy's meanings and artistry There is new light here on the fact that Dreiser sees the subversion of the idea of self in a highly materialistic society as the heart of his characters' tragic experiences Ultimately then this study suggests that An American Tragedy is an antinaturalistic statement about the self's intrinsic importance Young Dreiser Yoshinobu Hakutani, 1980 This critical analysis of Theodore Dreiser's early career challenges the conventional view of Dreiser as a novelist who depicted a world in which human creatures are hopelessly entangled in a meaningless and ferocious struggle for existence Instead it shows that he learned to be a sensitive but detached observer who could accept life as it is and appreciate its fact and drama **A Study of Critical Reaction to the Novels of Theodore Dreiser as Revealed in American Periodicals from 1900 to 1947** Lucile Lawton Dickinson, 1948 **Reader's Guide to Literature in English** Mark Hawkins-Dady, 2012-12-06 Reader's Guide Literature in English provides expert guidance to and critical analysis of the vast number of books available within the subject of English literature from Anglo Saxon times to the current American British and Commonwealth scene It is designed to help students teachers and librarians choose the most appropriate books for research and study **The Centrality of Crime Fiction in American Literary Culture** Alfred Bendixen, Olivia Carr Edenfield, 2017-06-26 This collection of essays by leading scholars insists on a larger recognition of the importance and diversity of crime fiction in U S literary traditions Instead of presenting the genre as the property of Dashiell Hammett and Raymond Chandler this book maps a larger territory which includes the

domains of Mark Twain F Scott Fitzgerald William Faulkner Richard Wright Flannery O Connor Cormac McCarthy and other masters of fiction The essays in this collection pay detailed attention to both the genuine artistry and the cultural significance of crime fiction in the United States It emphasizes American crime fiction s inquiry into the nature of democratic society and its exploration of injustices based on race class and or gender that are specifically located in the details of American experience Each of these essays exists on its own terms as a significant contribution to scholarship but when brought together the collection becomes larger than the sum of its pieces in detailing the centrality of crime fiction to American literature This is a crucial book for all students of American fiction as well as for those interested in the literary treatment of crime and detection and also has broad appeal for classes in American popular culture and American modernism

The Social Construction of American Realism Amy Kaplan, 1992-12-15 Kaplan redefines American realism as a genre more engaged with a society in flux than with one merely reflective of the status quo She reads realistic narrative as a symbolic act of imagining and controlling the social upheavals of early modern capitalism particularly class conflict and the development of mass culture Brilliant analyses of works by Howells Wharton and Dreiser illuminate the narrative process by which realism constructs a social world of conflict and change Kaplan offers some enthralling readings of major novels by Howells Wharton and Dreiser It is a book which should be read by anyone interested in the American novel

Tony Tanner Modern Language Review Kaplan has made an important contribution to our understanding of American realism This is a book that deserves wide attention

June Howard American Literature

The Encyclopedia of Twentieth-Century Fiction, 3 Volume Set Brian W. Shaffer, 2011-01-18 This Encyclopedia offers an indispensable reference guide to twentieth century fiction in the English language With nearly 500 contributors and over one million words it is the most comprehensive and authoritative reference guide to twentieth century fiction in the English language Contains over 500 entries of 1000 3000 words written in lucid jargon free prose by an international cast of leading scholars Arranged in three volumes covering British and Irish Fiction American Fiction and World Fiction with each volume edited by a leading scholar in the field Entries cover major writers such as Saul Bellow Raymond Chandler John Steinbeck Virginia Woolf A S Byatt Samuel Beckett D H Lawrence Zadie Smith Salman Rushdie V S Naipaul Nadine Gordimer Alice Munro Chinua Achebe J M Coetzee and Ng g Wa Thiong o and their key works Examines the genres and sub genres of fiction in English across the twentieth century including crime fiction Sci Fi chick lit the noir novel and the avant garde novel as well as the major movements debates and rubrics within the field such as censorship globalization modernist fiction fiction and the film industry and the fiction of migration diaspora and exile

Dreiser's "Jennie Gerhardt" James L. W. West, III, 2014-09-30 In 1992 the University of Pennsylvania Press published a new edition of Theodore Dreiser s second novel Jennie Gerhardt The original published text was altered significantly from the author s intentions its sexual energy was short circuited its criticisms of organized religion were blunted its language was smoothed and sentimentalized and most important Jennie Gerhardt was reduced to a less thoughtful less womanly character

The restored edition brings back the sexual charge reinstates the social and religious criticism and makes the language Dreiser's again. This volume brings together 19 fresh readings together with an introduction of the Pennsylvania edition by three generations of Dreiser critics. The volume includes general assessments analysis of main characters treatments of the autobiographical roots of the narrative views of various traditions realistic sentimental ethnic on which Dreiser drew and investigations of historical contexts that inform his story.

Literature and Inequality Daniel Shaviro, 2020-03-31 The consequences of high end inequality seep into almost every aspect of human life it is not just a question for economists. In this highly accessible new work Professor Shaviro takes an interdisciplinary approach to explore how great works of literature have provided some of the most incisive accounts of inequality and its social and cultural ramifications over the last two centuries. Through perceptive close readings of Jane Austen Charles Dickens and Edith Wharton among others he not only demonstrates how these accounts are still relevant today but how they can illuminate our understanding of our current situation and broaden our own perspective beyond the merely economic.

Sentenced to Death David Guest, 1996 The Difficult Art of Giving Francesca Sawaya, 2014-07-15 The Difficult Art of Giving rethinks standard economic histories of the literary marketplace. Traditionally American literary histories maintain that the post Civil War period marked the transition from a system of elite patronage and genteel amateurism to what is described as the free literary market and an era of self supporting professionalism. These histories assert that the market helped to democratize literary production and consumption enabling writers to sustain themselves without the need for private sponsorship. By contrast Francesca Sawaya demonstrates the continuing importance of patronage and the new significance of corporate based philanthropy for cultural production in the United States in the postbellum and modern periods. Focusing on Henry James William Dean Howells Mark Twain Charles Chesnutt and Theodore Dreiser Sawaya explores the notions of a free market in cultural goods and the autonomy of the author. Building on debates in the history of the emotions the history and sociology of philanthropy feminist theory and the new economic criticism Sawaya examines these major writers careers as well as their rich and complex representations of the economic world. Their work she argues demonstrates that patronage and corporate based philanthropy helped construct the putatively free market in literature. The book thereby highlights the social and economic interventions that shape markets challenging old and contemporary forms of free market fundamentalism.

American Literary Naturalism Donald Pizer, 2020-10-09 The book collects Pizer's late career essays on various writers and subjects related to American naturalism. Of these two seek to describe the movement as a whole six are on specific writers or works with an emphasis on Theodore Dreiser and two reprint informative interviews by Pizer on the subject. The essays reflect Pizer's mature engagement of the subject he has spent a lifetime exploring.

Creating Realities Erhan Simsek, 2019-02-20 Business is woven into the very fabric of American life yet rarely surfaces in the nation's literary history. Even in novels about business it proves an elusive motif that fails to mirror actual business organizations. This book argues that literary representations of business remain

ineffable because business serves potential aesthetic functions subtly yet meaningfully impacting readers Exploring the complex representation of business in realist naturalist and modernist works Erhan Simsek reveals these functions by analyzing how the motif intertwines with social developments literary movements and author biographies He thus illuminates the motif itself while highlighting the utility of a focus on the changing functions of literature Evolution and "the Sex Problem" Bert Bender,2004 A noteworthy investigation of the Darwinian element in American fiction from the realist through the Freudian eras theories of sexual selection and of the emotions are essential elements in American fiction from the late 1800s through the 1950s particularly during the Freudian era and the years surrounding the Scopes trial the Sex Problem and what resulted was a great diversity of American narratives aligned with either Darwinian or a number of anti Darwinian theories of evolution Included are intriguing discussions of works by Frank Norris Jack London Stephen Crane Theodore Dreiser Gertrude Stein Willa Cather Sherwood Anderson F Scott Fitzgerald five writers of the Harlem Renaissance John Steinbeck and Ernest Hemingway Among the ideas explored are Darwin s theory of common descent the question of man s place in nature the possibility of evolutionary progress the issues of heredity and eugenics the Darwinian basis of Freud s theory of sexual repression the quandary of male violence and the role of female choice in sexual selection the power of and the problems o r racial and sexual selection the power of and the problems of racial and sexual difference and the ecological problems that arose directly from Darwin s theory of evolution America s major narratives of human life and love and will be appreciated by literary scholars and readers interested in Darwinism and culture American Hungers Gavin Jones,2009-10-12 Social anxiety about poverty surfaces with startling frequency in American literature Yet as Gavin Jones argues poverty has been denied its due as a critical and ideological framework in its own right despite recent interest in representations of the lower classes and the marginalized These insights lay the groundwork for American Hungers in which Jones uncovers a complex and controversial discourse on the poor that stretches from the antebellum era through the Depression Reading writers such as Herman Melville Theodore Dreiser Edith Wharton James Agee and Richard Wright in their historical contexts Jones explores why they succeeded where literary critics have fallen short These authors acknowledged a poverty that was as aesthetically and culturally significant as it was socially and materially real They confronted the ideological dilemmas of approaching poverty while giving language to the marginalized poor the beggars tramps sharecroppers and factory workers who form a persistent segment of American society Far from peripheral poverty emerges at the center of national debates about social justice citizenship and minority identity And literature becomes a crucial tool to understand an economic and cultural condition that is at once urgent and elusive because it cuts across the categories of race gender and class by which we conventionally understand social difference Combining social theory with literary analysis American Hungers masterfully brings poverty into the mainstream critical idiom The Gospel of Wealth in the American Novel (Routledge Revivals) Arun Mukherjee,2015-08-11 Business and the businessman have had a fundamental

place in American society since the inception of the nation This tenet the gospel of wealth is a central concern in the novels of Theodore Dreiser and his contemporaries First published in 1987 this study sets this group of writers in their historical context and shows how they elaborated the idea of wealth as an object of quasi religious quest What had previously been associated with disease and darkness avarice and dishonour now came to emblematised the virtues of thrift prudence and diligence The underlying argument is that the dominant group of a society legitimises its power through the appropriation of the vocabulary of religion and the American business leaders were successful in doing this both in their own practice and through the more insidious medium of art A detailed analysis this reissue will be of particular value to students of American literature with an interest in the relationship between linguistic symbols and social order and historical attitudes towards wealth in literature *Modernism, Mass Culture and Professionalism* Thomas F. Strychacz, 1993-07-30 A study of four modernist writers and their relationship to their critics and era **American Literature in Context** Various Authors, 2021-05-13 First published between 1982 and 1983 this series examines the peculiarly American cultural context out of which the nation's literature has developed Covering the years from 1620 to 1930 these four volumes present a coherent consecutive and comprehensive sequence of interpretations of major American texts including fiction non fiction poetry and drama Every chapter includes an extract from the chosen text which serves as a springboard for wider discussion and analysis Each analysis demonstrates how students can move into and then from the pages of literature to a consideration of the whole text and thence to an understanding of the author's oeuvre and of the cultural moment in which he or she lived and wrote This set will be a valuable resource for students of American literature and American studies

This is likewise one of the factors by obtaining the soft documents of this **The Novels Of Theodore Dreiser A Critical Study** by online. You might not require more grow old to spend to go to the ebook inauguration as well as search for them. The Novels Of Theodore Dreiser A Critical Study Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Novels Of Theodore Dreiser A Critical Study has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Novels Of Theodore Dreiser A Critical Study has opened up a world of possibilities. Downloading The Novels Of Theodore Dreiser A Critical Study provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Novels Of Theodore Dreiser A Critical Study has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Novels Of Theodore Dreiser A Critical Study. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world.

However, it is essential to be cautious while downloading The Novels Of Theodore Dreiser A Critical Study. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Novels Of Theodore Dreiser

A Critical Study, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Novels Of Theodore Dreiser A Critical Study has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The Novels Of Theodore Dreiser A Critical Study Books

What is a The Novels Of Theodore Dreiser A Critical Study PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Novels Of Theodore Dreiser A Critical Study PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Novels Of Theodore Dreiser A Critical Study PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Novels Of Theodore Dreiser A Critical Study PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Novels Of Theodore Dreiser A Critical Study PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe

Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
