The Nuns:

Lives of the Nuns Shih Pao-ch'ang, 1994-06-01 This book contains the biographies of 65 Chinese women who were Buddhist monks in early China It is a great read for anyone interested in Buddhism or women in religion *The Nuns of Sant'Ambrogio* Hubert Wolf, 2015-01-13 A true never before told story discovered in a secret Vatican archive of sex poison and lesbian initiation rites in a nineteenth century convent In 1858 a German princess recently inducted into the convent of Sant Ambrogio in Rome wrote a frantic letter to her cousin a confidant of the Pope claiming that she was being abused and feared for her life What the subsequent investigation by the Church's Inquisition uncovered were the extraordinary secrets of Sant Ambrogio and the illicit behavior of the convent's beautiful young mistress Maria Luisa Having convinced those under her charge that she was having regular visions and heavenly visitations Maria Luisa began to lead and coerce her novices into lesbian initiation rites and heresies She entered into a highly eroticized relationship with a young theologian known as Padre Peters urging him to dispense upon her in the privacy and sanctity of the confessional box what the two of them referred to as the special blessing What emerges through the fog of centuries is a sex scandal of ecclesiastical significance skillfully brought to light and vividly reconstructed in scholarly detail Offering a broad historical background on female mystics and the cult of the Virgin Mary and drawing on written testimony and original documents Professor Wolf Germany's leading scholar of the Catholic Church and among the very first scholars to be granted access to the archives of the Congregation for the Doctrine of the Faith formerly the office of the Inquisition tells the incredible story of how one woman was able to perpetrate deception heresy seduction and murder in the heart of the Church itself **The Transforming Power of the Nuns** Mary Peckham Magray, 1998-06-04 Mary Peckham Magray argues that the Irish Catholic cultural revolution in the nineteenth century was effected not only by male elites as previous scholarship has claimed but also by the most overlooked and underestimated women in Ireland the nuns Once thought to be merely passive servants of the male clerical hierarchy women's religious orders were in fact at the very center of the creation of a devout Catholic culture in Ireland Often well educated articulate and evangelical nuns were much more social and ambitious than traditional stereotypical views have held They used their wealth and their authority to effect changes in both the religious practices and daily activity of the larger Irish Catholic population and by doing so Magray argues deserve a far larger place in the Irish historical record than they have previously been accorded Magray's innovative work challenges some of the most widely held assumptions of social history in nineteenth century Ireland It will be of interest to scholars and students of Irish history religious history women's studies and sociology **The Nun's Story of Gabriel's Marriage** Wilkie Collins, 2016-04-03 This early work by Wilkie Collins was originally published in 1853 Born in Marylebone London in 1824 Collins family enrolled him at the Maida Hill Academy in 1835 but then took him to France and Italy with them between 1836 and 1838 Returning to England Collins attended Cole's boarding school and completed his education in 1841 after which he was apprenticed to the

tea merchants Antrobus Co in the Strand In 1846 Collins became a law student at Lincoln s Inn and was called to the bar in 1851 although he never practiced It was in 1848 a year after the death of his father that he published his first book The Memoirs of the Life of William Collins Esq R A to good reviews The 1860s saw Collins creative high point and it was during this decade that he achieved fame and critical acclaim with his four major novels The Woman in White 1860 No Name 1862 Armadale 1866 and The Moonstone 1868 The Moonstone meanwhile is seen by many as the first true detective novel T S Eliot called it the first the longest and the best of modern English detective novels in a genre invented by Collins and not by Poe Many of the earliest books particularly those dating back to the 1900 s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions **The Nun's**

Oosten,2019-09-19 Over the century between the first Oblate mission to the Canadian central Arctic in 1867 and the radical shifts brought about by Vatican II the region was the site of complex interactions between Inuit Oblate missionaries and Grey Nuns interactions that have not yet received the attention they deserve Enriching archival sources with oral testimony Fr d ric Laugrand and Jarich Oosten provide an in depth analysis of conversion medical care education and vocation in the Keewatin region of the Northwest Territories They show that while Christianity was adopted by the Inuit and major transformations occurred the Oblates and the Grey Nuns did not eradicate the old traditions or assimilate the Inuit who were caught up in a process they could not yet fully understand The study begins with the first contact Inuit had with Christianity in the Keewatin region and ends in the mid 1960s when an Inuk woman joined the Grey Nuns and two Inuit brothers became Oblate missionaries Bringing together many different voices perspectives and experiences and emphasizing the value of multivocality in understanding this complex period of Inuit history Inuit Oblate Missionaries and Grey Nuns in the Keewatin 1865 1965 highlights the subtle nuances of a long and complex interaction showing how salvation and suffering were intertwined **Letters of the Nun Eshinni** James C. Schlotheuber,2024-06-21 In the Middle Ages half of those who chose the religious life were women yet historians have overlooked entire generations of educated feisty capable and enterprising nuns condemning them to the dusty silence of the archives What though were their motives for entering a convent and what was their daily routine behind its walls like How did they think live and worship both as individuals and as a community How did they maintain contact with the families and communities they had left behind Henrike L hneemann and Eva Schlotheuber offer readers a vivid insight into the largely unknown lives and work of religious women in the fifteenth and sixteenth centuries Using previously inaccessible personal diaries and letters as well as tapestries painting architecture and music the authors show that the nuns were in fact an active even influential part of medieval society They functioned as role models and engaged in spirited dialogue with other convents with the citizens of their home towns and with the local nobility Full of self confidence they organised their demanding daily lives ran their complex convent economies as successful businesses offered girls a comprehensive theological musical and practical education produced magnificent manuscripts ministered to the convent sick and dying with homemade medicines and to family and friends with advice Initially and fiercely they resisted the Reformation only for some of the convents to survive as Protestant women s foundations to this day Now for the first time in centuries this account by Henrike L hneemann and Eva Schlotheuber allows the voices of these remarkable women to be heard outside the cloister and to invite us into their world *The nun's curse* Charlotte Eliza L. Ed Thomas Dudley Fosbroke,1843 *Refugee Nuns, the French Revolution, and British Literature and Culture* Tonya J. Moutray,2016-03-22 In eighteenth century literature negative representations of Catholic nuns and convents were pervasive Yet during the politico religious crises initiated by the French Revolution a striking literary shift took place as British writers championed the cause of nuns lauded their socially relevant work and addressed the attraction of the convent for British women Interactions with Catholic religious including priests and

nuns Tonya J Moutray argues motivated writers including Hester Thrale Piozzi Helen Maria Williams and Charlotte Smith to reevaluate the historical and contemporary utility of religious refugees Beyond an analysis of literary texts Moutray s study also examines nuns personal and collective narratives as well as news coverage of their arrival to England enabling a nuanced investigation of a range of issues including nuns displacement and imprisonment in France their rhetorical and practical strategies to resist authorities representations of refugee migration to and resettlement in England relationships with benefactors and locals and the legal status of English nuns and convents in England including their work in recruitment and education Moutray shows how writers and the media negotiated the multivalent figure of the nun during the 1790s shaping British perceptions of nuns and convents during a time critical to their survival *British Monachism, Or, Manners and Customs of the Monks and Nuns of England* Thomas Dudley Fosbroke,1817 **The Yale Companion to Chaucer** Seth Lerer,2006-01-01 A collection of essays on Chaucer s poetry this guide provides up to date information on the history and textual contexts of Chaucer s work on the ranges of critical interpretation and on the poet s place in English and European literary history Raymond and Agnes; or, the Bleeding Nun Matthew Gregory Lewis,2025-07-31 Reprint of the original first published in 1841 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage
