The Occult Arts of Ancient Egypt Bernard Bromage,1953
Bromage,1985-04-01 *Voodoo in Haiti* Andre J. Louis,2007 The Republic of Haiti is a fascinating country of contrast where are joined together tradition and illiteracy high religion and folk religion light and darkness It is a country ravaged by poverty and afflicted by a considerable social backwardness where people live in a constant fear of a heavy and gloomy threat which impregnates every fiber of the society in which they live that of Voodoo Through this captivating work Dr Andre J Louis translates us into a world that most ordinary people would never even imagine the existence of such occultism where superstition sorcery magic spiritism divination and animism combine all their strength in order to set up the background of the daily life of each Haitian which unfortunately overwhelms him with a heavy weight of fear economic bondage and uncertainty regarding his future **The Occult Arts of Music** David Huckvale,2013-10-10 Occult traditions have inspired musical ingenuity for centuries From the Pythagorean concept of a music of the spheres to the occult subculture of 20th century pop and rock music has often attempted to express mystical states of mind cosmic harmony the demonic and the divine nowhere more so perhaps than in the music for films such as *The Mephisto Waltz* *The Devil Rides Out* *Star Trek Close Encounters of the Third Kind* *The Omen* and *The Exorcist* This survey explores how such film music works and uncovers its origins in Pythagorean and Platonic ideas about the divine order of the universe and its essentially numerical musical nature Chapters trace the influence of esoteric Freemasonry on Mozart and Beethoven the birth of demonic music in the 19th century with composers such as Weber Berlioz and Liszt Wagner's racial mysticism Schoenberg's numerical superstition the impact of synesthesia on art music and film the effect of theosophical ideas on composers such as Scriabin and Holst supernatural opera and ballet fairy music and finally popular music in the 1960s and 70s **Ancient Egypt in the Popular Imagination** David Huckvale,2014-01-10 Ancient Egypt has long been a source of fascination in Western popular culture Movies such as *The Mummy* 1932 1959 Biblical epics like *The Ten Commandments* 1923 1956 and pharaonic films like *Cleopatra* 1934 1963 and *The Egyptian* 1954 have all recreated the glamour and allure of Egyptian art and civilization for Western audiences This work traces how these and other films were inspired by writers like Bram Stoker and Sir Arthur Conan Doyle and by the art of Victorian painters Similarly it shows how the soundtracks to such films belong to a Romantic musical tradition stretching back beyond Verdi and Mozart Exploring these artistic endeavors addresses the question of whether the fantasy of ancient Egypt represents racist misunderstandings of a far more significant reality or a way for Western culture to understand itself **The Egyptian Gods** Alan W. Shorter,2009-03-01 Three fourths of the monuments of ancient Egypt are directly concerned with the religious beliefs of this enigmatic people Alan W Shorter discusses the most important facts about the Egyptian gods their mythology and more Includes an expanded bibliography by Bonnie L Petry

May,2012-06-18 Wayne May has done more work and research on the North American setting for the Book of Mormon than any single individual The evidence he has compiled is overwhelming as a witness not only to the setting of this book of scripture but also to the reality of the Book of Mormon as a historical record Hugh Nibley remarked that one may well ask what kind of remains the Nephites would leave us from their more virtuous days A closer approximation to the Book of Mormon picture of Nephite culture is seen in the earth and palisade structures of the Hopewell and Adena culture areas than in the later stately piles of stone in Mesoamerica Hugh Nibley *The Prophetic Book of Mormon* Salt Lake City and Provo Deseret Book Co Foundation of Ancient Research and Mormon Studies 1989 271 The Hopewell culture discussed in Wayne May s *This Land* is the only civilization in the Western Hemisphere that corresponds directly in time and space to the events described in the Book of Mormon and the statements of the prophet and translator Joseph Smith The evaporation of the Hopewell Culture has taken place as the expansion of the settlements and population centers have grown since the early 1800 s The best preserved details drawings and explanations of this culture can only be found in the records of eyewitness accounts and those who were present during the many excavations undertaken before the twentieth century In this fourth volume of *This Land* Wayne has brought together the works of early scholars and archaeologists as well as contemporary authors that have been exploring these settlements monuments and mounds of North America in a way that should have been done decades ago Any serious student of the Nephite record must read *This Land* before coming to any conclusion about the geographical setting of the Book of Mormon The evidence contained in *This Land* stands as another witness and testimony of this important scripture
