*The Occult World* A P Sinnett,2018-05-28 Alfred Percy Sinnett 1840 1921 a journalist and Theosophist wrote frequently to members of the Brotherhood of Adepts an occult organization. The famous Mahatmas Koot Hoomi and Morya corresponded via mail with Sinnett and Sinnett used parts of this correspondence to compose *The Occult World*. Together along with others they were building The Theosophical Society. Sinnett was friends with many of the leading theosophists and spent a productive time in India. The organization's avowed object was at first the scientific investigation of psychic or so called spiritualistic phenomena after which its three chief objects were declared namely 1 Brotherhood of man without distinction of race colour religion or social position 2 the serious study of the ancient world religions for purposes of comparison and the selection therefrom of universal ethics 3 the study and development of the latent divine powers in man. The society has persisted through the decades and has branches or lodges scattered all over the world some of which are in India where its chief headquarters are established.
