The Odyssey Of A North American Educator:

The Odyssey of a North American Educator William Jimmerson Holloway, 2001-06 The Odyssey of a North American Educator portrays my travel as an educator on five continents As an elementary and secondary school teacher and principal and as a College administrator and professor my work took me into Georgia Virginia North Carolina and Ohio I traveled into thirty states as a federal education officer At the Ohio State University I recruited more than four thousand minority students and developed a program that enabled one hundred and eighty one teachers from Nigeria to get degrees My total travel of 669 600 miles includes North America South America Africa Europe and Asia **System vs. Culture: North American Education and Society in the Balance** Frank Pace, 2014-05 For 160 years North American children have been subject to compulsory schooling Formal education has evolved some over that time but the end result of said evolution is an educational system which is dysfunctional inefficient and ultimately incapable of delivering on its professed mandates Frank Pace is an educator with years of diverse experience In System vs Culture North American Education and Society in the Balance he looks at the current state of compulsory North American education and sees a system in crisis He examines the history of modern education and dissects the root causes of its profound dysfunction System vs Culture North American Education and Society in the Balance offers some insight into how an alternative model of education might operate and how it would better serve the needs of a changing society and better achieve its purported goals Frank Pace has many important things to say about the state of North American education His arguments are persuasive and lucid and backed up by solid scholarship While the topic is complicated he does a good job breaking it down in a way that is readable and compelling for both education professionals and anyone interested in education and learning What Makes Racial Diversity Work in **Higher Education** Frank W. Hale, 2023-07-03 A unique reference describing successful diversity initiatives in higher educationHigher education like the nation is facing major demographic changes Our colleges and universities recognize they not only have to be more inclusive but that they have to provide an environment that will effectively retain and develop the growing population of ethnically and racially diverse students How ready are they and what should they be doing Frank W Hale Jr known as the Dean of Diversity for his pioneering efforts in establishing Ohio State as one of the institutions graduating the most Black Ph D s has gathered twenty two leading scholars and administrators from around the country who describe the successful diversity programs they have developed Recognizing the importance of diversity as a means of embracing the experiences perspectives and expertise of other cultures this book shares what has been most effective in helping institutions to create an atmosphere and a campus culture that not only admits students faculty and staff of color but accepts and welcomes their presence and participation This is a landmark reference for every institution concerned with inclusivity and diversity The successes it presents offers academic leaders much they can learn from and ideas and procedures they can adapt as they discuss and develop their own campus policies and initiatives Contributors Samuel
