A Commentary by JAMES LUTHER MAYS

# The Of Amos A Commentary Otl

**John J. Collins**

### **The Of Amos A Commentary Otl:**

*Amos (OTL)* James L. Mays, 1969-06-01 This volume a part of the Old Testament Library series explores the book of Amos The Old Testament Library provides fresh and authoritative treatments of important aspects of Old Testament study through commentaries and general surveys The contributors are scholars of international standing *Amos* James Luther Mays, 1976

*The Composition and Redaction of the Book of Amos* Tchavdar S. Hadjiev, 2009-03-26 This Oxford dissertation offers a fresh redactional analysis of the Book of Amos It starts with a critical survey of existing approaches and an examination of the methodological issues involved and proceeds with a detailed exegetical analysis of the prophetic text which forms the basis for the redactional conclusions It steers a middle course between extreme conservative treatments which trace all the material back to the prophet Amos and more radical sceptical approaches which attribute most of the prophetic oracles to the work of later redactors The composition of the book began with two collections the Polemical scroll written not long after the end of Amos ministry and the Repentance scroll composed shortly before 722 BC The Repentance scroll was reworked in Judah towards the end of the 8th century BC and the two scrolls were combined to form a single work sometime during the 7th century BC The Book underwent only one redaction during the exilic period which sought to actualise its message in a new historical context The study pays special attention to the literary structure aim and probable historical circumstances of the various collections which gradually evolved into the present Book of Amos and seeks to show how the prophetic message lived on and spoke to the various communities which preserved and transmitted it *A Theological Introduction to the Old Testament* Prof. Walter Brueggemann, Prof. Bruce C. Birch, Prof. Terence E. Fretheim, David L. Petersen, 2011-12-01 This book has become a standard text in seminary and university classrooms The purpose of this second edition is to help readers come to a critically informed understanding of the Old Testament as the church's scripture This book introduces the Old Testament both as a witness of ancient Israel and as a witness to the church and synagogue through the generations of those who have passed these texts on as scripture The authors of this volume share a commitment to the interpretation of the Old Testament as a central resource for the life of the church today At the same time they introduce the Old Testament witness in a manner that honors the importance of biblical scholarship in helping students engage the variety of theological voices within the Old Testament This second edition gives special attention to deepening and broadening theological interpretations by including for example issues related to gender race and class It also includes more detailed maps and charts for student use **On Wings of Prayer** Nuria Calduch-Benages, Michael W. Duggan, Dalia Marx, 2019-07-22 The contributors and editors dedicate this volume of research to Professor Stefan C Reif on the occasion of his 75th birthday Together these twenty papers reflect our appreciation for his exemplary scholarship and lifelong commitment to acquaint our world with the theological and cultural riches of Jewish Studies This collection reflects the breadth of Prof Reif's interests insofar as it is a combination of Second Temple studies and Jewish studies on the roots of Jewish prayer and liturgy which is his main field of expertise

Contributions on biblical and second temple studies cover Amos Ben Sira Esther 2 Maccabees Judith Wisdom Qumran Psalms and James Contributions on Jewish studies cover nuptial and benedictions after meals Adon Olam Passover Seder Amidah the Medieval Palestinian Tefillat ha Shir and other aspects of rabbinic liturgy Moreover the regional diversity of scholars from Israel continental Europe the United Kingdom Ireland and North America mirrors Stefan s travels as a lecturer and the reach of his publications The volume includes a foreword of appreciation and a bibliographic list of Professor Reif s works

**Marriage as a Covenant** Gordon Paul Hugenberg, 2014-09-03 This book focuses on the interpretation of Malachi 2 10 16 which censures the lax marital practice of its contemporaries In particular Hugenberg investigates Malachi s identification of marriage as a covenant in response to recent scholarly challenges to this identification Taking the issues raised by Malachi as his point of departure Hugenberg examines the nature of covenant and oath including verba solemnia and oath signs and in light of these findings explores the theory of marriage implied elsewhere in the Old Testament Included in this investigation are an analysis of the concentric literary structure of Malachi and a study of the Old Testament s ethical perspectives on divorce polygamy and sexual fidelity An extensive bibliography and indices complete the book

**A Short Introduction to the Hebrew Bible** John J. Collins, 2014-09-01 A marvel of conciseness John J Collins A Short Introduction to the Hebrew Bible is quickly becoming one of the most popular introductory textbooks in colleges and university classrooms Here the erudition of Collins renowned Introduction to the Hebrew Bible is combined with even more student friendly features including charts maps photographs chapter summaries illuminating vignettes and bibliographies for further reading The second edition has been carefully revised to take the latest scholarly developments into account A dedicated website includes test banks and classroom resources for the busy instructor

**The Prophetic Critique of the Priority of the Cult** Theresa V. Lafferty, 2012-04-09 When Jesus overturned the carts of the merchants in the temple he was just the latest in a long line of people who decried the activities that took place there To understand his actions better one must go back in history to the eighth century BCE to the first two prophets to criticize the temple cult Amos and Isaiah Their criticism of all worship activities came as a result of the people setting wrong priorities in their lives What happens in the temple should extend into regular everyday activities in the home in the market in business dealings at work and at the city gate Amos and Isaiah present similar oracles that address the prioritization of worship over real life This book looks closely at their oracles comparing and contrasting them and analyzes what they were trying to teach the people

**Religious Identity and the Invention of Tradition** A.W.J. Houtepen, Jan Willem van Henten, 2021-11-15 STAR Studies in Theology and Religion 3 This book contains the contributions to the first international conference organised by the Netherlands School for Advanced Studies in Theology and Religion NOSTER held in the Netherlands in January 1999 The conference theme was inspired by Eric Hobsbawm and Terence Ranger s influential volume The Invention of Tradition Their work provided a starting point for discussing formations and changes of religious traditions on the one hand and the interaction of religious identities and the

transformation of traditions on the other After an introductory section discussing Hobsbawm s definitions and his theoretical framework and offering several critical applications of his framework to Christian traditions the main part of this volume consists of three thematic sections the theme of the Exodus the earliest traditions about the Lord s supper and the modern myth of Fundamentalism This volume will be of interest to all those engaged in the study of religious traditions and identities and the way in which these interact From the Contents The Invention of Religious Traditions Counterfactuals and the Invention of Religious Traditions Marcel Sarot The Creation of Tradition Rereading and Reading beyond Hobsbawm Paul Post Early Christianity between Divine Promise and Earthly Politics Willemien Otten Challenging the Tradition of the Bodiless God A Way to Inclusive Monotheism Kune E Biezeveld Invention of Tradition Trinity as Test Herwi Rikhof Inventing and Re inventing the Exodus The Exodus as Charter Myth Karel van der Toorn Exodus Liberation History against Charter Myth Rainer Albertz The Development of the Exodus Tradition John Collins History oriented Foundation Myths in Israel and its Environment Hans Peter M ller The Exodus Motif in the Theologies of Liberation Changes of Perspective Georges De Schrijver Exodus in the African American Experience Theo Witvliet The Invention of the Eucharist and its Aftermath The Early History of the Lord s Supper Henk Jan de Jonge The Early History of the Lord s Supper Response to Henk Jan de Jonge Dietrich Alex Koch The Lord s Supper and the Holy Communion in the Middle Ages Sources Significance Remains and Confusion Charles Caspers Meal and Sacrament How Do We Encounter the Lord at the Table Gerrit Immink Religious Fundamentalism Facts and Fiction The Borderline between Muslim Fundamentalism and Muslim Modernism An Indonesian Example Herman Beck The Roaring Lion Strikes Again Modernity vs Dutch Orthodox Protestantism Hijme Stoffels Fundamentalism The Possibilities and Limitations of a Social Psychological Approach Jacques Janssen Jan van der Lans and Mark Dechesne

*Introduction to the Hebrew Bible, Third Edition - Prophecy* John J. Collins, 2019-04-15 John J Collins s Introduction to the Hebrew Bible is one of the most popular introductory textbooks in colleges and seminary classrooms Enriched by decades of classroom teaching it is aimed explicitly at motivated students regardless of their previous exposure to the Bible or faith commitments The third edition is presented in a new and engaging format with new maps and images An index has been added to the volume for the first time In order to enhance classroom use Collins s major text has now been divided into four volumes one for each major part of the Hebrew Bible This volume based on the new third edition focuses on prophecy in the Hebrew Bible Here Collins explores the major and minor prophets and the messages they delivered within each of their historical contexts The volume also contains the introduction to Collins s major text and is now available with even more student friendly features including charts maps photographs chapter summaries and bibliographies for further reading Collins presents the current state of historical archaeological and literary understandings of the biblical text and engages the student in questions of significance and interpretation for the contemporary world

*A Survey of the Old Testament* Andrew E. Hill, John H. Walton, 2010-05-11 An indispensable guide for exploring the literary historical and

theological issues behind the Old Testament The purpose of studying the Old Testament is to understand God and his redemptive work more fully However this goal is complicated by the fact that it was transmitted through a very different language and culture from our own A Survey of the Old Testament addresses background information purpose message structure and major themes of the Old Testament to help readers understand its message and relevance Chapters introducing each major section of the Old Testament are included as are chapters dealing with issues of interpretation hermeneutics theology geography archaeology history formation of the Old Testament canon and the Old Testament s relationship to the New Testament Features included for each book of the Old Testament Writing of the Book Background Outline of the Book Purpose and Message Structure and Organization Major Themes Questions for Further Study and Discussion Further Reading Complete with full color maps photos timelines and charts this widely acclaimed textbook is a useful and readable tool for undergraduate students and other readers who wish to better understand the Old Testament and God s redemptive work

On Reading Prophetic Texts Dijkstra,Bob Prof. Dr. Becking,2021-09-06 The articles in this volume have been written in memory of the feminist biblical scholar Fokkelen van Dijk Hemmes who died at the early age of 50 The authors endeavour to continue and advance the dialogue with her by evaluating and interacting with her scholarly legacy Their concern is with various aspects of her work on the Hebrew Bible and they respond in particular to the feminist hermeneutics she developed for reading biblical texts Several articles test her method in application to specific prophetic texts Other contributions focus on aspects of the role of women in the cults of Ancient Israel A third group of essays confronts Fokkelen van Dijk Hemmes approach with more traditional ways of biblical interpretation This book is an important contribution to the ongoing debate on feminist insights into aspects of the literature culture and religion of Ancient Israel

**I Lifted My Eyes and Saw'** Elizabeth R. Hayes,Lena-Sofia Tiemeyer,2014-07-31 This volume addresses the function and impact of vision and dream accounts in the Hebrew Bible The contributors explore the exegetical rhetorical and structural aspects of the vision and dream accounts in the Hebrew Bible focusing on prophetic vision reports Several contributors employ a diachronic approach as they explore the textual relationship between the vision reports and the oracular material Others focus on the rhetorical aspects of the vision reports in their final form and discuss why vision reporting may be used to convey a message Another approach employed looks at reception history and investigates how this type of text has been understood by past exegetes A few chapters consider the inter textual relationship of the various vision reports in the Hebrew Bible focusing on shared themes and motifs There are also papers that deal with the ways in which select texts in the Hebrew Bible portray dream vision interpreters and their activities

**The People Called Paul D.** Hanson,2001-01-01 In this unique work Paul Hanson traces the concept of community from its early biblical origins through the end of the apostolic age This edition includes a chapter devoted to the contemporary implications of this concept and in his new introduction the author further explores the importance of this theme

The Journey from Texts to Translations

Paul D. Wegner, 2004-08 Traces the history of the Bible from the earliest manuscripts to contemporary translations The Book of Amos and its Audiences Andrew R. Davis, 2023-06-22 Many studies of the prophetic books assume that a text's addressee and audience are one and the same. Sometimes this is the case, but some prophetic texts feature multiple addressees who cannot be collapsed into a single setting. In this book, Andrew R. Davis examines examples of multiple addressees within the book of Amos and argues that they force us to expand our understanding of prophetic audiences. Drawing insight from studies of poetic address in other disciplines, Davis distinguishes between the addressee within the text and the actual audience outside the text. He combines in-depth poetic analysis with historical inquiry and shows the ways that the prophetic discourse of the book of Amos is triangulated among multiple audiences. **YHWH in the Wind(s)** Violet Chiswa Gandiya, 2025-01-31 From interdisciplinary, intertextual, and comparative analytical perspectives, this book engages with the epistemologies of the Global South and Global North to reveal a fresh insight into the image of YHWH in the guise of the phenomenal wind(s) and the purpose of this image in the biblical Hebrew tradition. Therefore, this book showcases YHWH appearing with the potent wind(s) to create and transform chaos into cosmic order at primal creation. Likewise, this discourse presents YHWH breaking into the historical and social realm in his various sociopolitical roles to destroy all forms of chaotic force by his bluster of wind(s) and to establish, maintain, or restore world social order founded on his rule of justice and righteousness. This accounts for the view that all creation and order originate from YHWH and are maintained by YHWH's innate rules of ethical governance. This fresh insight into the sights and sounds of YHWH asserting his rule in the dramaturgical wind(s) not only renders new meaning to biblical texts within their contexts but also offers a persuasive message and alluring theological reflections that can shape new discourses to engage and address contemporary theological and social issues of equity, justice, and harmony within YHWH's intended design of world and social order. **Re-thinking the Day of YHWH and Restoration of Fortunes in the Prophet Zephaniah** Michael Ufok Udoekpo, 2010 The prophecy of Zephaniah is a compendium of prophetic thoughts on the nature of YHWH's relationship with His people. This research critically builds on past scholarships and exegetically demonstrates the thematic literary and theological relationships of Zeph 1:14-18 and 3:14-20 with the rest of the Twelve Minor Prophets, Deuteronomistic History, and with Psalm 126, and insists on Zephaniah's creative and unique understanding of God, His judgment and saving roles. Taking the judgment and wrath narrative in Zeph 1:14-18 as its pericope of exegetical departure, the author diachronically and synchronically studies in detail the contents, meaning, relevance, and the theological values of Zephaniah's Day of YHWH to all cultures and religious communities. In particular, he emphasizes the fuller and salvific notion of a God who not only judges, intervenes in human history, punishes sinners, but loves, shows mercy, rewards, saves, inspires hope, and restores the fortunes of the remnant who repents. Zeph 3:14-20. *The Oxford Handbook of the Prophets* Carolyn Sharp, 2016-09-01 The Latter Prophets (Isaiah, Jeremiah, Ezekiel) and the Book of the Twelve comprise a fascinating collection of prophetic oracles, narratives, and vision.

reports from ancient Israel and Judah Spanning centuries and showing evidence of compositional growth and editorial elaboration over time these prophetic books offer an unparalleled view into the cultural norms theological convictions and political disputes of Israelite communities caught in the maelstrom of militarized conflicts with the empires of ancient Egypt Babylonia and Persia Instructive for scholar and student alike The Oxford Handbook of the Prophets features wide ranging discussion of ancient Near Eastern social and cultic contexts exploration of focused topics such as the persona of the prophet and the problem of violence in prophetic rhetoric sophisticated historical and literary analysis of key prophetic texts issues in reception history from these texts earliest reinterpretations at Qumran to Christian appropriations in contemporary homiletics feminist materialist and postcolonial readings engaging the insights of influential contemporary theorists and more The diversity of interpretive approaches clarity of presentation and breadth of expertise represented here will make this Handbook indispensable for research and teaching on the Latter Prophets
