The Of Blasphemy:

An Antidote Against Blasphemy John Brinsley, 2013-04-09 Printed by Edmund Calamy and with a hearty recommendation from Simeon Ashe this powerful work by John Brinsley explains 2 Timothy 3 2 For men shall be lovers of their own selves covetous boasters proud blasphemers He explains that in his day and now in ours there were those who sigh and cry for many abominable blasphemies which are expressed and belched out into the face of God s Divine Majesty His purpose is to demonstrate and create a Scriptural antidote to the many contagions that roam the corridors of the church and blaspheme Jesus Christ and his people In this masterful treatise he covers the biblical definitions of blasphemy how God is personally blasphemed what are heretics and false professors gives a number of applications to the text and demonstrates how Christians may avoid blaspheming God You may think I don t do that so I don t need this work but that would be presumptuous Every Christian every day is faced with various instances of bringing reproach to Christ and his word This work is an antidote to those temptations This is not a scan or facsimile has been updated in modern English for easy reading and has an active table of contents for electronic versions **The Future of Blasphemy** Austin Dacey, 2012-01-26 In the days of Moses blasphemy was the mortal offence of failing to respect the divine In an age of human rights blasphemy is understood as a failure to respect persons as insult defamation or advocacy of religious hatred The criminalisation of this personal blasphemy has been advanced at the United Nations and upheld by the European Court of Human Rights which has asserted a universal right to respect for religious feelings The Future of Blasphemy turns respect on its head Respect demands that we grant each other equal standing in the moral community not that we never offend Politically respect for citizens requires a public discourse that is open to all viewpoints Going beyond the question of free speech versus religion The Future of Blasphemy defends an ethical model of blasphemy Controversies surrounding sacrilege are contests over what counts as sacred disagreements about what has central inviolable and incommensurable value In such public contestation of the sacred each of us secular and religious alike has equal right to speak on its behalf **The Revelation of St John** Ernst Wilhelm Hengstenberg, 1852 The Problem of Blasphemy: The Fourth Gospel and Early Jewish Understandings Jerry D. Truex, 2010-11-11 This doctoral thesis provides evidence that during the later part of the first century certain Jewish Christians who produced and propagated the Fourth Gospel were perceived to be blasphemous and therefore cut off karet from the synagogue as reflected in John 9 22 12 42 and 16 2 This study reviews recent research on blasphemy offers analysis based on hundreds of ancient Jewish texts and examines seven Jewish traditions pertaining to blasphemy including cursing God naming The Name and sinning with a high hand A composite portrait of blasphemy is sketched and compared with the theological claims of the Fourth Gospel Three theological claims of the Fourth Gospel stand out as potentially blasphemous Jesus is equal with God Jesus and the Johannine Community constitute the New Temple and Judean religious leaders are not of God The perception of blasphemy and the inability to tolerate it explains why some Jewish Christians could not remain in

the synagogue Blasphemy And Defamation of Religions In a Polarized World Darara Timotewos Gubo,2014-12-24 The twenty first century has been significantly shaped by the growing importance of religion in international politics resulting in rising polarization among nation states This new dynamic has presented new challenges to international human rights principles This book deals with some of these new challenges particularly the growing demand by Muslim states for protection of Islamic religion from blasphemy and defamation Member states of the Organization of Islamic Cooperation OIC through resolutions at the United Nations made efforts to introduce laws that globally protect Islamic religion from blasphemy and defamation The bid by OIC member states faced opposition from Western countries The conflicting claims of the two sides are discussed in this book The book clearly shows the impact of blasphemy and defamation of religion laws on certain aspects of fundamental human rights principles

An Inquiry Into the Nature of the Sin of Blasphemy, and Into the Propriety of Regarding it as a Civil Offence Robert Aspland,1817 **An Inquiry into the Nature of the Sin of Blasphemy, and into the propriety of regarding it as a civil offence, in three sermons ... With notes and an appendix on the present state of the law with respect to Unitarians** Robert ASPLAND (Unitarian.),1817

Blasphemies Compared Anne Stensvold,2020-11-29 This volume examines both historical developments and contemporary expressions of blasphemy across the world The transgression of religious boundaries incurs more or less severe sanctions in various religious traditions This book looks at how religious and political authorities use ideas about blasphemy as a means of control In a globalised world where people of different faiths interact more than ever before and world views are an increasingly important part of identity politics religious boundaries are a source of controversy The book goes beyond many others in this field by widening its scope beyond the legal aspects of freedom of expression Approaching blasphemy as effective speech the chapters in this book focus on real life situations and ask the following questions who are the blasphemers who are their accusers and what does blasphemy accomplish Utilising case studies from Europe the Middle East and Asia that encompass a wide variety of faith traditions the book guides readers to a more nuanced appreciation of the historical roots political implications and religious rationale of attitudes towards blasphemy Incorporating historical and contemporary approaches to blasphemy this book will be of great use to academics in Religious Studies and the Sociology of Religion as well as Political Science Media Studies History
