The Of Galatians:

Studies in the Book of Galatians Alonzo T. Jones, 2002-03 In the July 25 1899 issue of the Adventist Review and Sabbath Herald the co editor Alonzo T Jones wrote Several letters have been received asking what law is the subject of consideration in the book of Galatians His answer was Not any law at all it is the gospel that is the subject and the whole subject under consideration in the book of Galatians Thus he began an in depth series of studies that lasted sixteen months The results are faithfully reproduced here for use in your study and personal growth **Grace in Galatia** Ben Witherington, 1998-06-29 Grace in Galatia is an innovative socio rhetorical study of Paul s most polemical letter Ben Witherington breaks new ground by analyzing the whole of Galatians as a deliberative discourse meant to forestall the Galatians from submitting to circumcision and the Jewish law The commentary features the latest discussion of major problems in Pauline studies including Paul s view of the law and the relationship between the historical data in Galatians and in Acts Yet the narrative character of Witherington s work allows it to remain exceedingly accessible The volume also includes sections following the major divisions of the commentary that point to the relevance of the text for believers today making Grace in Galatia of special value to pastors and general readers as well as students and scholars **The Epistle to the Galatians** F. F. Bruce, 2013-11-14 Paul s letter to the churches of Galatia was for many years a document of special interest and study for renowned New Testament scholar F F Bruce This excellent volume in the New International Greek Testament Commentary series contains Bruce s mature work on that important early epistle Through phrase by phrase exegesis of the Greek text consistent awareness of the historical and geographical context and balanced dialogue with scores of other scholars Bruce successfully bridges the hermeneutical gap and makes the text of Galatians come alive for both scholars and students Based on careful historical critical linguistic exegesis yet primarily theological in character this commentary places special emphasis throughout on Paul s insistence on justification before God by faith apart from works of the law and on Paul s presentation of the Spirit as the principle of the new life in Christ The Letter to the Galatians David A. deSilva, 2018-09-18 New volume in a favorite Bible commentary series Writing a commentary on Galatians is a daunting task Despite its relative brevity this Pauline letter raises a number of foundational theological issues and it has played a vital role in shaping Christian thought and practice over the centuries In this replacement of Ronald Y K Fung s 1988 New International Commentary volume David deSilva ably rises to the challenge providing a coherent account of Galatians as a piece of strategically crafted communication that addresses both the immediate pastoral challenges facing Paul s converts in Galatia and the underlying questions that gave rise to them Paying careful attention to the history philology and theology of the letter and interacting with a wealth of secondary literature on both Galatians and the rest of the Pauline corpus deSilva s exegetically sound commentary will serve as an essential resource for pastors and theological students **From Law to Logos** Jon R. Jordan, 2017-02-01 St Paul s epistle to the Galatians offers a fascinating window into the life of the Christian church in its

earliest days We see in this letter a pastor guiding his people through questions of salvation theology and ethics The more we read the more we realize that many of the same questions facing the Galatian Christians continue to face us today Are we still under the Old Testament Law What happened to the Law when Jesus came Who are the people of God From Law to Logos Reading St Paul s Epistle to the Galatians is a primer for reading Galatians for all it is worth The focus of this book is preparing lay Christians to understand Galatians by reading it as a letter in its entirety over and over again At the end of each chapter the reader is better prepared to read and study Galatians in its literary historical and theological context

Truth on Fire Clark H. Pinnock, 1998-03-03 An extremely pertinent commentary on Galatians for both minister and student As the Galatians were unsettled by the opinions of false teachers so many Christians today are uneasy thanks to the treacherous utterances of some contemporary theologians Clark Pinnock delves into the central thought of the letter that Salvation is a matter of believing not achieving clearly stressing faith in Christ as Savior and his belief in the Bible as God s inerrant Word *The Theology of Paul's Letter to the Galatians* James D. G. Dunn, 1993-09-09 Paul s Letter to the Galatians is one of the fiercest and most polemical writings in the Bible That is what makes it for the author of this study such an exciting document to deal with It emerges from the early days of a vigorous new movement Christianity when basic principles were first being formulated and when the whole character of the movement was at stake In the pages of Galatians we witness fundamental features of Christian theology taking shape before our eyes where the living heart of Paul s gospel is encountered For James D G Dunn there is an elemental quality about the letter to which those tired of compromising half truths are drawn when they feel the impulse to return to first principles This book which benefits from this perspective on Paul explains more clearly than hitherto both the issues which confronted Paul and the powerful theological arguments he brought to bear in response and casts light on a document still capable of shaping lives and theology today **The Irony of Galatians** Mark D. Nanos, 2019-12-17 Intra Jewish conflict in Paul s communities After taking on traditional interpretations of Romans in *The Mystery of Romans* Nanos now turns his attention to the Letter to the Galatians A Primary voice in reclaiming Paul in his Jewish context Nanos challenges the previously dominant views of Paul as rejecting his Jewish heritage and the Law Where Paul s rhetoric has been interpreted to be its most anti Jewish Nanos instead demonstrates the implications of an intra Jewish reading He explores the issues of purity insiders outsiders the character of the gospel the relationship between groups of Christ followers in Jerusalem Antioch and Galatia and evil eye accusations An Exposition of Galatians, Third Edition Don Garlington, 2007-04-15 The present commentary seeks to be a kind of halfway house between highly technical and popular treatments of Galatians Its purpose is to make the exposition as user friendly as possible with only as many technicalities as necessary to accomplish that end The emphasis of the work is decidedly theological with attention focused on the salvation historical argument of Paul s letter Its main target audience includes pastors students and Pauline scholars The exposition assumes a modified form of the New Perspective on Paul and Second Temple Judaism as its

framework of interpretation and for this reason a premium has been placed on the letter's historical context as attested by the literature of Second Temple Judaism as well as the Greco Roman environment. However far from being inimical to the foundational concerns of the Reformation this reading of the Galatian letter is fully supportive of the great mottoes of the Reformers themselves: Sola Scriptura, Sola Fide and especially Solus Christus and all the more as the present work endeavors to honor an oft neglected slogan of the Reformation: Ad Fontes to the sources. The previous subtitle: A New Perspective Reformational Reading has now been changed to A Reading from the New Perspective in order to underscore the author's appreciation of what has been learned from such scholars as J. D. G. Dunn, N. T. Wright and numerous others. **Galatians**

Joyce Meyer, 2020-03-03 Walk the path of holiness stir your faith in God and break free from the bonds of a sinful nature with Joyce Meyer's Galatians commentary featuring inspiring questions and space for your reflections. Paul's letter to the church at Galatia speaks largely to how important it was to Paul that the people embrace unity in Christ no matter their differences. Galatians teaches that we're only justified by faith in Christ only and encourages us to pursue a life of holiness not in our own strength but in the knowledge of God's empowering grace in our lives. In this comprehensive study tool Joyce Meyer offers an in depth look at Galatians and emphasizes that we are not only saved by faith we must learn to live by faith as well. Be

Free (Galatians) Warren W. Wiersbe, 2010-01-01 More than just a guide to understanding Galatians best selling author Warren Wiersbe's Be Free is also a guide to embracing freedom in Christ. As a man who is known as the pastor of pastors and has studied the Bible relentlessly gleaning relevance for today for his readers and listeners Wiersbe has so gripped the hearts of his wide audience that he has sold over 4 million copies of his Be series alone. His accessible at times quirky and comical style of writing is perfect for any age group to crave more of the Word of God. He opens up Paul's epistle explaining Paul's approach to the Galatians and putting ancient traditions in perspective for Christians today. Most importantly he illustrates through Paul's writing how the Gospel can only remain the Gospel of Christ if it is solely for God's glory alone. Just as the Galatian church was slipping back into the dangerous rituals of the Jewish religious system Christians today add parameters around Scripture that hinder them and that Christ never intended. **The Expositor's Bible: The Epistle to the**

Galatians George G. Findlay, 2022-09-15 In The Expositor's Bible The Epistle to the Galatians George G. Findlay offers a profound analysis of one of the most pivotal texts in the New Testament. The book meticulously examines the historical and theological significance of the Epistle articulating its relevance within Pauline literature and the early Christian community. Findlay's literary style is characterized by clarity and rigor grounding complex theological concepts in accessible language making the text both scholarly and appealing to a broad readership. Within the context of 19th century biblical scholarship Findlay engages with contemporary theological debates demonstrating how the themes of faith, grace and legalism in Galatians resonate through ages. George G. Findlay a respected theologian and author of numerous works brought his extensive knowledge of scripture and history to bear in this study. His academic background steeped in the liberal theological

tradition of his time enabled him to navigate the complexities of Galatians with both critical insight and a pastoral sensitivity Findlay's commitment to elucidating Scripture for both scholars and lay readers underscores his belief in the transformative power of biblical texts This insightful commentary on Galatians is recommended for theologians students of biblical studies and anyone seeking a deeper understanding of Paul's message to the early Church Findlay's work not only enhances our comprehension of the text but also invites readers to explore the implications of Galatians for modern faith and practice

Free at Last Derrick McCarson, 2015-03-04 Grace is supposed to be amazing but all too often the Christian life can be more about keeping stuffy rules than enjoying a relationship with Christ The tendency to add works to salvation has been a thorny problem since the gospel was first preached Legalism the doctrine of salvation by works robs the Christian of the grace filled life The book of Galatians is like an emancipation proclamation that says If the Son has set you free then you are free at last The liberating message of Galatians says believers are free from sin regulations and guilt Free from the need to measure up Free to be loved by Christ and changed by his grace Galatians is a guide for recovering Pharisees and in Free at Last Derrick McCarson takes us on a verse by verse journey through Paul's bondage busting manifesto You may be surprised to learn that Paul's message of grace is still as relevant today as it was centuries ago While the culture has changed much in those intervening years mankind's inherent desire for performance based religion has not This book is a timely reminder to Christians everywhere that if we aren't living by grace then we have succumbed to spiritual slavery

Leading the Way Through Galatians Michael Youssef, 2013-03-01 It's tempting for Christians to think they can experience God's life and power through church attendance religious symbols and rituals and good deeds But as the book of Galatians makes clear religion means nothing unless believers are connected to the source of God's life and power In Leading the Way Through Galatians Michael Youssef applies Paul's message to the churches in Galatia to the challenge of living as authentic Christians in the twenty first century The message of the Gospel is a message of freedom from the law freedom from bondage to sin freedom from fear freedom from judgment and freedom from the need to perform and please others Through stories and contemporary insights the timeless truths of Galatians will take on a new and powerful meaning as today's readers learn to apply this liberating message to everyday life and everyday situations

A Discourse Analysis of Galatians and the New Perspective on Paul David I. Yoon, 2019-04-09 In *A Discourse Analysis of Galatians and the New Perspective on Paul* David I Yoon outlines discourse analysis from the framework of Systemic Functional Linguistics for analyzing Paul's letter to the Galatians From this analysis he determines whether the context of situation better reflects the New Perspective on Paul covenantal nomism or a more traditional perspective legalism The first half of the book introduces the New Perspective on Paul and discourse analysis followed by a detailed model of SFL discourse analysis with respect to register and context of situation The second half is a discourse analysis of Galatians This is the first monograph length study to address the New Perspective on Paul from a linguistic approach and will as such be of
