Sisters Unto Death:

Sisters in Death Eli Frankel, 2025-10-28 Who killed the Black Dahlia In this eye opening shocker an award winning producer true crime researcher and Hollywood insider finally solves the greatest and most gruesome murder mystery of the twentieth century just before its 80th anniversary In January 1947 the bisected body of Elizabeth Short completely drained of blood was discovered in an undeveloped lot in Los Angeles Its gruesome mutilations led to a firestorm of publicity city wide panic and an unprecedented number of investigative paths led by the LAPD all dead ends The Black Dahlia murder remained an unsolved mystery for over seventy years Six years earlier and sixteen hundred miles away another woman s life had ended in a similarly horrific manner Leila Welsh was an ambitious educated popular and socially connected beauty Though raised modestly on a prairie farm she was heiress to her Kansas City family s status and wealth On a winter morning in 1941 Leila s butchered body was found in her bedroom bearing the marks of unspeakable trauma One victim faded into obscurity The other became notorious Both had in common a killer whose sadistic mind was a labyrinth of dark secrets Eli Frankel reveals for the first time a key fact about the Black Dahlia crime scene never before shared with the public that leads inexorably to the stunning identification of a criminal who was at the same time amateurish and fiendish skilled and lucky sophisticated and brutish Drawing on newly discovered documents law enforcement files interviews with the last surviving participants the victims own letters trial transcripts military records and more this epic true crime saga puts together the missing pieces of a legendary puzzle In Sisters in Death the Black Dahlia cold case is finally closed **Sisters Unto Death** Michele

Torrey, 1999-06 1904 San Francisco Exotic Indian sisters discover that they are doomed to live as wards in a cold Nob Hill mansion filled with prejudice and greed A deceased young aunt s diary clues the girls into the family s history and hateful Aunt Mable their guardian To survive they have to outsmart outmuscle Mable at her own game of betrayal and worse All Saints Sisters of the Poor Susan Mumm, 2001 Most of all the documents reveal the challenges and excitement of the struggle to establish a women s community to be unfettered in their work with the poor and suffering and to govern themselves in a world largely hostile to their aspirations **BOOK JACKET** **Disorderly Sisters** Leila Silvana May, 2001 Historians and literary critics have long understood the crucial significance of the family to the nineteenth century middle class sensibility but almost all critical analyses to date have concentrated on the vertical pole of the familial axis the parent child relationship and very little on the horizontal pole the sibling bond This book looks beyond these analyses to show that at the core of nineteenth century domestic ideology is the figure of the sister **BOOK JACKET** *Dangerous Sisters of the Hebrew Bible*

Amy Kalmanofsky, 2014 Fathers sons and mothers take center stage in the Bible s grand narratives Amy Kalmanofsky observes Sisters and sisterhood receive less attention in scholarship but she argues play an important role in narratives revealing anxieties related to desire agency and solidarity among women playing out and playing against their roles in a patrilineal society Most often she shows sisters are destabilizing figures in narratives about family crisis where property

patrimony and the resilience of community boundaries are at risk Kalmanofsky demonstrates that the particular role of sisters had important narrative effects revealing previously underappreciated dynamics in Israelite society *Edith and Florence Stoney, Sisters in Radiology* Adrian Thomas, Francis Duck, 2019-07-01 This book explores the lives and achievements of two Irish sisters Edith and Florence Stoney who pioneered the use of new electromedical technologies especially X rays but also ultraviolet radiation and diathermy In addition the narrative follows several intertwined themes as experienced by the sisters during their lifetimes Their upbringing influenced by their liberal minded scientist father set the tone for both their lives Irish independence fractured their family heritage Their professional experiences fulfilling for Florence as a qualified doctor but often frustrating for Edith as a Cambridge educated scientist mirrored those of other aspiring women during this period when the suffragist movement expanded and women s lobby groups were formed World War I created an environment in which their unusual specialist knowledge was widely needed and the sisters war experiences are carefully examined in the book But ultimately this is the extraordinary story of two independent but closely bonded sisters and their abiding love and support for one another

Corrected John Foxe,1839 **The Lamp [ed. by T.E. Bradley].** Thomas Earnshaw Bradley,1856 The Brother-Sister Culture in Nineteenth-Century Literature V. Sanders,2001-12-17 This book argues that brother sister relationships idealized by the Romantics intensified in nineteenth century English domestic culture and is a neglected key to understanding Victorian gender relations Attracted by the apparent purity of the sibling bond novelists and poets also acknowledged its innate ambivalence and instability through conflicting patterns of sublimated devotion revenge fantasy and corrosive obsession The final chapter shows how the brother sister bond was permanently changed by the experience of the First World War **The Life and Remains, Letters, Lectures and Poems of the Rev.
