David George Mullan

Six Who Died Young:

Sudden Death in the Young Roger W. Byard, 2010-09-16 Highly illustrated complete overview of pathological aspects of sudden death in the young from before birth to middle adult life *Six Who Died Young* C. R. Clumpner, 1978

Debrett's Illustrated Baronetage, 1808 She Died Young Elizabeth Wilson, 2016-03-10 London 1956 A young woman has been found dead in a hotel in King's Cross It looks like an accident and Scotland Yard isn't interested in accidents But Fleet Street journalist Gerry Blackstone reckons there's more to it than meets the eye Meanwhile Oxford is filling with Hungarian migrants fleeing the failed revolution Special Branch concerned there could be Soviet spies among the genuine refugees send in DCI Jack McGovern to keep an eye on proceedings As McGovern plays spycatcher in Oxford and Blackstone hunts for clues in the seedy corners of London a complex web of rogues schemers and potential suspects starts to emerge the well to do madam the Classics professor the East London crime boss the government minister does it all lead back to the dead girl in King's Cross Or is there something even more sinister going on The Young Man's Friend and Guide Through Life to Immortality ... Sixth Edition, Twenty-third Thousand John Angell James, 1858 **The New England Historical and Genealogical Register**, 1849 Beginning in 1924 Proceedings are incorporated into the Apr number **The New England Historical & Genealogical Register**, 1849 **Narratives of the Religious Self in Early-Modern Scotland** David George Mullan, 2016-04-22 Drawing on a rich yet untapped source of Scottish autobiographical writing this book provides a fascinating insight into the nature and extent of early modern religious narratives Over 80 such personal documents including diaries and autobiographies manuscript and published clerical and lay feminine and masculine are examined and placed both within the context of seventeenth century Scotland and also early modern narratives produced elsewhere In addition to the focus on narrative the study also revolves around the notion of conversion which while a concept known in many times and places is not universal in its meaning but must be understood within the peculiarities of a specific context and the needs of writers located in a specific tradition here Puritanism and evangelical Presbyterianism These conversions and the narratives which provide a means of articulation draw deeply from the Bible including the Psalms and the Song of Solomon The context must also include an appreciation of the political history especially during the religious persecutions under Charles II and James VII and later the changing and unstable conditions experienced after the arrival of William and Mary on her father's throne Another crucial context in shaping these narratives was the form of religious discourse manifested in sermons and other works of divinity and the work seeks to investigate relations between ministers and their listeners Through careful analysis of these narratives viewing them both as individual documents and as part of a wider genre a fuller picture of seventeenth century life can be drawn especially in the context of the family and personal development Thus the book may be of interest to students in a variety of areas of study including literary historical and theological contexts It provides for a greater understanding of the motivations behind such personal expressions of early

modern religious faith whose echoes can still be heard today *Genealogical and Personal Memoirs* William Richard Cutter,2000 *Historical and Miscellaneous Questions for the Use of Young People* Richmal Mangnall,1859 **Historical and Miscellaneous Questions for the Use of Young People** Richmal Mangnall,2025-08-25 Reprint of the original first published in 1859 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **The Visitation of the County of Yorke** William Dugdale,1859 *The Visitation of the County of Yorke, Begun in 1665 and Finished in 1666 ; By William Dugdale ...
