literary history They breathe new life into the subject gathering a new selection of texts and adding Twain the only major American author to contribute to and emerge from the movement as well as several recently identified humorists All of the major writers are represented from Augustus Baldwin Longstreet to Thomas Bangs Thorpe as well as a great many lesser known figures like Hamilton C Jones Joseph M Field and John S Robb The anthology also includes several writers only recently discovered to be a part of the tradition such as Joseph Gault Christopher Mason Haile James Edward Henry and Marcus Lafayette Byrn and features authors previously overlooked such as William Gilmore Simms Ham Jones Orlando Benedict Mayer and Adam Summer Selections are timely reflecting recent trends in literary history and criticism sensitive to issues of gender race and ethnicity The editors have also taken pains to seek out first printings to avoid the kinds of textual corruptions that often occur in later versions of these sketches Southern Frontier Humor offers students and general readers alike a broad perspective and new appreciation of this singular form of writing from the Old South and provides some chuckles along the way     The Publishers' Trade List Annual ,1877     *A compendium of American literature, arranged by C.D.
