Loudon,1879 Chaucer, Ethics, and Gender Alcuin Blamires,2006-04-06 This book makes a vigorous reassessment of the moral dimension in Chaucer's writings. For the Middle Ages the study of human behaviour generally signified the study of the morality of attitudes, choices and actions. Moreover, moral analysis was not gender neutral; it presupposed that certain virtues and certain failings were largely gender specific. Alcuin Blamires, mainly concentrating on *The Canterbury Tales*, discloses how Chaucer adapts the composite, inherited traditions of moral literature to shape the significance and the gender implications of his narratives. *Chaucer, Ethics, and Gender* is therefore not a theorization of ethical reading but a discussion of Chaucer's engagement with the literature of practical ethical advice. Working with the commonplace primary sources of the period, Blamires demonstrates that Stoic ideals, somewhat uncomfortably absorbed within medieval Christian moral codes as Chaucer realized, penetrate the poet's constructions of how women and men behave in matters for instance of friendship and anger, sexuality and chastity, protest and sufferance, generosity and greed, credulity and foresight. The book will be absorbing for all serious readers or teachers of Chaucer because it is packed with commanding new insights. It offers illuminating explanations concerning topics that have often eluded critics in the past: the flood forecast in *The Miller's Tale* for example, or the status of emotion and equanimity in *The Franklin's Tale*, the unethical sexual trading in *The Shipman's Tale*, the contemporary moral force of a widow's curse in *The Friar's Tale*, and the quizzical moral link between the *Wife of Bath's* Prologue and Tale. There is even a new hypothesis about the conceptual design of *The Canterbury Tales* as a whole. Deeply informed and historically alert, this is a book that engages its reader in the vital role played by ethical assumptions with their attendant gender assumptions in Chaucer's major poetry.

Aquaponics Gardening Tom Gordon,2021-03-05 Take the guesswork out of establishing your very own vibrant aquaponic system and discover how to cultivate organic fruits and veggies right from your own backyard. Do you love gardening but can't grow a plant successfully to save your life? Have you ever been intrigued by the prospect of growing healthy organic fruits and vegetables without soil?
