Bauer,Jessie Wise,2016-08-09 Is your child getting lost in the system becoming bored losing his or her natural eagerness to  
learn If so it may be time to take charge of your child s education by doing it yourself The Well Trained Mind will instruct you  
step by step on how to give your child an academically rigorous comprehensive education from preschool through high  
school one that will train him or her to read to think to understand to be well rounded and curious about learning Veteran  
home educators Susan Wise Bauer and Jessie Wise outline the classical pattern of education called the trivium which  
organizes learning around the maturing capacity of the child s mind and comprises three stages the elementary school  
grammar stage when the building blocks of information are absorbed through memorization and rules the middle school logic  
stage in which the student begins to think more analytically and the high school rhetoric stage where the student learns to  
write and speak with force and originality Using this theory as your model you ll be able to instruct your child whether full  
time or as a supplement to classroom education in all levels of reading writing history geography mathematics science  
foreign languages rhetoric logic art and music regardless of your own aptitude in those subjects Thousands of parents and  
teachers have already used the detailed book lists and methods described in The Well Trained Mind to create a truly superior

education for the children in their care This extensively revised fourth edition contains completely updated curricula and book lists links to an entirely new set of online resources new material on teaching children with learning challenges cutting edge math and sciences recommendations answers to common questions about home education and advice on practical matters such as standardized testing working with your local school board designing a high school program preparing transcripts and applying to colleges You do have control over what and how your child learns The Well Trained Mind will give you the tools you ll need to teach your child with confidence and success      *Canada* ,1979
