**Enabling Consumer and Entrepreneurial Literacy in Subsistence Marketplaces** Madhubalan Viswanathan, S. Gajendiran, R. Venkatesan, 2008-06-01 This book is the result of several years of research curriculum development and testing of a consumer and entrepreneurial literacy educational program for illiterate low income adults in India Whereas there has been considerable attention on micro financing in recent decades we describe an educational program that focuses on enabling generic skills about the marketplace and complements these important efforts We conducted research aimed at understanding lives and marketplaces in subsistence contexts in urban and rural parts of a state in South India We used the research as a basis for developing a consumer and entrepreneurial literacy educational program This program uses the know why or an understanding of marketplaces as a basis

for the know how of being an informed buyer or seller Despite the difficulties with abstract thinking that low literate individuals experience we enable deeper understanding of marketplaces by leveraging the social skills that participants bring to the program and relating educational content back to their lived experiences Such understanding can enable individuals to embark on a path to lifelong learning A detailed explanation of the evolution of this work follows Beginning the Principalship John C. Daresh, Linda Alexander, 2015-10-06 The Ultimate Resource to cultivate self awareness and excellence in Today's Principals A commitment to continuous improvement paves the road to true leadership New and veteran principals who understand this will translate thoughts into sound decisions and inspire a vision that can nurture others They will drive progress and invite innovation These are today's newest superheroes leading by example and cultivating greatness in others But every superhero needs a mentor In this updated bestseller Beginning the Principalship Daresh and Alexander offer intensive encouragement and help in a practical hands on guide to help principals navigate the challenges of school leadership The strategies and cases included here will inspire all school leaders and nurture their passion for the immense responsibility they have undertaken Practical Questions Points to Ponder and numerous examples in every chapter help foster reflection and collaboration to build a shared vision for campus improvement Plus discover how to Drive student learning as the primary mission of the school Deal with others expectations of you as principal Master the technical skills needed to run an efficient school Create and clarify a personal professional growth plan Work effectively with the greater community and parents Celebrate instructional and non instructional staff in a positive school culture Don't just survive your years as principal Read this guide and thrive Novice and seasoned principals and new and seasoned administrators would really benefit from reading this book for skill building and improvement Each chapter provides a wealth of information and has a space to record one's own plan for self improvement Delsia Easley Principal Gadsden City Schools Gadsden AL I am disappointed that I didn't own this book when I started as a principal This book would have answered some of my pressing questions and guided the work I did my first few years I will recommend this to any friend or colleague starting a new principalship Kelly VanLaeken Principal Ruben A Cirillo High School Walworth NY
