The Big Book of World Chess Championships Andre Schulz,2016-05-11 Wilhelm Steinitz the winner of the first official World Chess Championship in 1886 would have rubbed his eyes in disbelief if he could have seen how popular chess is today With millions of players all around the world live internet transmissions of major and minor competitions and educational programs in thousands of schools chess has truly become a global passion And what would Steinitz who had financial problems his whole life and died in poverty have thought of the current world champion Magnus Carlsen who
