

SLAVES SAILORS CITIZENS

AFRICAN AMERICANS
IN THE UNION NAVY

Steven J. Ramold

Slaves Sailors Citizens African American

Spencer C. Tucker

Slaves Sailors Citizens African American:

Slaves, Sailors, Citizens Steven J. Ramold, 2002 As many as one in six Union navy sailors was African American many of them former slaves This richly detailed history shows that the free blacks and contraband slaves who joined the U S Navy during the Civil War were essential to Northern victories at sea Through their role in preserving the Union they helped to win recognition for African Americans as full citizens African Americans joined the U S Navy from the first days of the war and soon demonstrated to a skeptical Northern population that they would fight for their freedom Faced with the hazards of battle African American sailors performed with great heroism and several earned the nation s highest military tribute the Medal of Honor Their service in the navy paved the way for their wider employment in the U S Army Despite the lack of official records on the subject Ramold has combed through mountains of memoirs court documents pension reports and other sources to discover the true magnitude of African Americans contribution to the naval effort The book presents a vivid description of the lives of these sailors from enlistment to discharge telling the story as much as possible in the words of the sailors themselves A dozen rare photographs illustrate the range of African American service Ramold demonstrates that the navy from necessity and from tradition treated African Americans in its ranks far more equitably than did the army or any other public institution in antebellum America Decades later black sailors would be consigned to work in the mess hall but in the Civil War era they fought side by side with white sailors were treated equally in courts martial and received the same pay and benefits *Slaves Sailors Citizens* allows us to rediscover these largely forgotten heroes whose story can now take its rightful place in the history of the war and in the struggle of slaves and free blacks to become citizens

African Canadians in Union Blue Richard M. Reid, 2014-05-13 Before Abraham Lincoln issued the Emancipation Proclamation he added a paragraph authorizing the army to recruit black soldiers Nearly 200 000 men answered the call Several thousand of them came from Canada What compelled these men to leave the relative comfort of their homes to face death on the battlefield loss of income and legal sanctions for participating in a foreign war Drawing on newspapers autobiographies and military and census records Richard Reid pieces together a portrait of a group of men who served the Union in disparate ways as soldiers sailors or doctors but who all believed that liberty justice and equality were worth fighting for By bringing the courage and contributions of these men to light *African Canadians in Union Blue* opens a window on the changing nature of the Civil War and the ties that held black communities together even as the borders around them shifted or were torn asunder

Encyclopedia of African American History, 1619-1895 Paul Finkelman, 2006-04-06 It is impossible to understand America without understanding the history of African Americans In nearly seven hundred entries the *Encyclopedia of African American History 1619-1895* documents the full range of the African American experience during that period from the arrival of the first slave ship to the death of Frederick Douglass and shows how all aspects of American culture history and national identity have been profoundly influenced by the experience of African Americans The

Encyclopedia covers an extraordinary range of subjects Major topics such as Abolitionism Black Nationalism the Civil War the Dred Scott case Reconstruction Slave Rebellions and Insurrections the Underground Railroad and Voting Rights are given the in depth treatment one would expect But the encyclopedia also contains hundreds of fascinating entries on less obvious subjects such as the African Grove Theatre Black Seafarers Buffalo Soldiers the Catholic Church and African Americans Cemeteries and Burials Gender Midwifery New York African Free Schools Oratory and Verbal Arts Religion and Slavery the Secret Six and much more In addition the Encyclopedia offers brief biographies of important African Americans as well as white Americans who have played a significant role in African American history from Crispus Attucks John Brown and Henry Ward Beecher to Olaudah Equiano Frederick Douglass Sarah Grimke Sojourner Truth Nat Turner Phillis Wheatley and many others All of the Encyclopedia s alphabetically arranged entries are accessibly written and free of jargon and technical terms To facilitate ease of use many composite entries gather similar topics under one headword The entry for Slave Narratives for example includes three subentries The Slave Narrative in America from the Colonial Period to the Civil War Interpreting Slave Narratives and African and British Slave Narratives A headnote detailing the various subentries introduces each composite entry Selective bibliographies and cross references appear at the end of each article to direct readers to related articles within the Encyclopedia and to primary sources and scholarly works beyond it A topical outline chronology of major events nearly 300 black and white illustrations and comprehensive index further enhance the work s usefulness

How the Slaves Saw the Civil War Herbert C. Covey, Dwight Eissach, 2014-01-27 Drawing from narratives of former slaves to provide accurate and poignant insights this book presents descriptions in the former slaves own words about their lives before during and following the Civil War Examining narratives allows us to better understand what life was truly like for slaves hearing history in their own words brings the human aspects of slavery and their interpersonal relationships to life providing insights and understanding not typically available via traditional history books *How the Slaves Saw the Civil War* Recollections of the War through the WPA Slave Narratives draws upon interviews collected largely during the 1930s 1940s as part of the Federal Writers Project of the Works Progress Administration WPA Because most slaves could not read or write their perspective on the unfolding history of the war has been relatively unknown until these narratives were collected in the 1930s and 1940s This book extracts the most cogent and compelling tales from the documentation of former slaves seldom heard voices on the events leading up to during and following the war The work s two introductory chapters focus on the WPA s narratives and living conditions under slavery The remaining chapters address key topics such as slave loyalties to either or both sides of the conflict key battles participation in the Union and or Confederate armies the day Union forces came slave contact with key historical figures and emancipation and what came after

A Companion to the U.S. Civil War, 2 Volume Set Aaron Sheehan-Dean, 2020-05-05 A Companion to the U S Civil War presents a comprehensive historiographical collection of essays covering all major military political social and economic aspects of the American Civil

War 1861 1865 Represents the most comprehensive coverage available relating to all aspects of the U S Civil War Features contributions from dozens of experts in Civil War scholarship Covers major campaigns and battles and military and political figures as well as non military aspects of the conflict such as gender emancipation literature ethnicity slavery and memory

American Founders Christina Proenza-Coles,2019-03-01 2019 Foreword INDIES Finalist *American Founders* reveals men and women of African descent as key protagonists in the story of American democracy It chronicles how black people developed and defended New World settlements undermined slavery and championed freedom throughout the hemisphere from the sixteenth through the twentieth centuries While conventional history tends to reduce the roles of African Americans to antebellum slavery and the civil rights movement in reality African residents preceded the English by a century and arrived in the Americas in numbers that far exceeded European migrants up until 1820 Afro Americans were omnipresent in the founding and advancement of the Americas and recurrently outnumbered Europeans at many times and places from colonial Peru to antebellum Virginia African descended people contributed to every facet of American history as explorers conquistadores settlers soldiers sailors servants slaves rebels leaders lawyers litigants laborers artisans artists activists translators teachers doctors nurses inventors investors merchants mathematicians scientists scholars engineers entrepreneurs generals cowboys pirates professors politicians priests poets and presidents The multitude of events and mixed race individuals included in the book underscores that black and white Americans share the same history and in many cases the same ancestry *American Founders* is meant to celebrate this shared heritage and strengthen these bonds

A Companion to the U.S. Civil War Aaron Sheehan-Dean,2014-02-05 *A Companion to the U S Civil War* presents a comprehensive historiographical collection of essays covering all major military political social and economic aspects of the American Civil War 1861 1865 Represents the most comprehensive coverage available relating to all aspects of the U S Civil War Features contributions from dozens of experts in Civil War scholarship Covers major campaigns and battles and military and political figures as well as non military aspects of the conflict such as gender emancipation literature ethnicity slavery and memory

The Won Cause Barbara A. Gannon,2011-05-30 In the years after the Civil War black and white Union soldiers who survived the horrific struggle joined the Grand Army of the Republic GAR the Union army s largest veterans organization In this thoroughly researched and groundbreaking study Barbara Gannon chronicles black and white veterans efforts to create and sustain the nation s first interracial organization According to the conventional view the freedoms and interests of African American veterans were not defended by white Union veterans after the war despite the shared tradition of sacrifice among both black and white soldiers In *The Won Cause* however Gannon challenges this scholarship arguing that although black veterans still suffered under the contemporary racial mores the GAR honored its black members in many instances and ascribed them a greater equality than previous studies have shown Using evidence of integrated posts and veterans thoughts on their comradeship and the cause Gannon reveals that white veterans embraced black veterans because

their membership in the GAR demonstrated that their wartime suffering created a transcendent bond comradeship that overcame even the most pernicious social barrier race based separation By upholding a more inclusive memory of a war fought for liberty as well as union the GAR's Won Cause challenged the Lost Cause version of Civil War memory The Civil War Naval Encyclopedia Spencer C. Tucker,2010-12-09 Long overlooked in favor of land engagements this is the first encyclopedia to analyze the naval aspects of the American Civil War The brilliance of both sides secretaries of the navy Stephen Mallory and Gideon Welles The Dahlgren guns of the Union forces and the Confederate Navy's Brooke guns that were essential in battles involving ironclad ships The significant contributions of African Americans in the ship crews of the U S Navy during the Civil War These are examples of the fascinating details contained in The Civil War Naval Encyclopedia that provide readers with a complete understanding of the naval aspects of the American Civil War The entries in this sweeping text provide comprehensive treatment of overall strategies on each side the role of diplomacy leading naval officers and other personalities battles and important engagements ship types well known individual warships naval ordnance and weapons systems and new developments such as mines and submarines Topics such as shipboard life major waterways prominent seaports and the role of logistics in determining the outcome of the war are also covered Enduring Controversies in Military History Spencer C. Tucker,2017-09-21 This provocative examination of major controversies in military history enables readers to learn how scholars approach controversial topics and provides a model for students in the study and discussion of other historical events Why did Alexander the Great's empire fall apart so soon after his death How did France win the Hundred Years War despite England winning its major battles Was slavery the primary cause of the American Civil War Would it have benefited the Allies militarily to have gone to war against Germany in 1938 rather than in 1939 Should women be allowed to serve in combat positions in the U S military All of these questions and many other historical controversies are addressed in this thought provoking reference book By exploring every angle of some of the most contentious debates involving military history this book builds students critical thinking skills by supplying a complete background of the controversial topic to provide context and also by providing multiple perspective essays written by top scholars in the field The perspective essays present arguments for different positions on the controversy Readers will consider the cases for and against whether Hannibal should have marched on Rome after his momentous victory at Cannae whether the United States was justified in using the atomic bomb in Japan whether Adolf Hitler was primarily responsible for the Holocaust and whether torturing prisoners during the War on Terror is warranted among many other historical military debates **The ^AOxford Handbook of the American Civil War** Lorien Foote,Earl J. Hess,2021-10-12 The Oxford Handbook of the American Civil War offers a wide ranging multi perspective account of how military campaigns disrupted lives and changed the social and political history of America It is the first book to combine campaign histories with an understanding of how those military operations affected the local population the regions in which they occurred and the

national strategic political context *New Men* John A. Casey, 2015-04-01 Scholars of the Civil War era have commonly assumed that veterans of the Union and Confederate armies effortlessly melted back into society and that they adjusted to the demands of peacetime with little or no difficulty Yet the path these soldiers followed on the road to reintegration was far more tangled *New Men* unravels the narrative of veteran reentry into civilian life and exposes the growing gap between how former soldiers saw themselves and the representations of them created by late nineteenth century American society In the early years following the Civil War the concept of the veteran functioned as a marker for what was assumed by soldiers and civilians alike to be a temporary social status that ended definitively with army demobilization and the successful attainment of civilian employment But in later postwar years this term was reconceptualized as a new identity that is still influential today It came to be understood that former soldiers had crossed a threshold through their experience in the war and they would never be the same They had become new men Uncovering the tension between veterans and civilians in the postwar era adds a new dimension to our understanding of the legacy of the Civil War Reconstruction involved more than simply the road to reunion and its attendant conflicts over race relations in the United States It also pointed toward the frustrating search for a proper metaphor to explain what soldiers had endured A provocative engagement with literary history and historiography *New Men* challenges the notion of the Civil War as unwritten and alters our conception of the classics of Civil War literature Organized chronologically and thematically *New Men* coherently blends an analysis of a wide variety of fictional and nonfictional narratives Writings are discussed in revelatory pairings that illustrate various aspects of veteran reintegration with a chapter dedicated to literature describing the reintegration experiences of African Americans in the Union Army *New Men* is at once essential reading for anyone who wants to understand the origins of our concept of the veteran and a book for our times It is an invitation to build on the rich lessons of the Civil War veterans experiences to develop scholarship in the area of veterans studies and to realize the dream of full social integration for soldiers returning home **The Marines of Montford Point (EasyRead Super Large 18pt Edition)** , Kidnapped at Sea Andrew

Sillen, 2024-10-08 This work tells the story of the Civil War capture of David Henry White **After the Glory** Donald R. Shaffer, 2004-07-07 The heroics of black Union soldiers in the Civil War have been justly celebrated but their postwar lives largely neglected Donald Shaffer s illuminating study shines a bright light on this previously obscure part of African American history revealing for the first time black veterans valiant but often frustrating efforts to secure true autonomy and equality as civilians *After the Glory* shows how black veterans experiences as soldiers provided them for the first time with a sense of manliness that shaped not only their own lives but also their contributions to the African American community Shaffer makes clear however that their postwar pursuit of citizenship and a dignified manhood was never very easy for black veterans their triumphs frequently neither complete nor lasting Shaffer chronicles the postwar transition of black veterans from the Union army as well as their subsequent life patterns political involvement family and marital life experiences with

social welfare comradeship with other veterans and memories of the war itself He draws on such sources as Civil War pension records to fashion a collective biography a social history of both ordinary and notable lives resurrecting the words and memories of many black veterans to provide an intimate view of their lives and struggles Like other African Americans from many walks of life black veterans fought fiercely against disenfranchisement and Jim Crow and were better equipped to do so than most other African Americans They carried a sense of pride instilled by their military service that made them better prepared to confront racism and discrimination and more respected in their own communities As Shaffer reveals they also had nearly equal access to military pensions financial resources available to few other blacks and even found acceptance among white Union veterans in the Grand Army of the Republic fraternity After the Glory is not merely another tale of black struggles in a racist America it is the story of how a select group of African Americans led a quest for manhood and often found it within themselves when no one else would give it to them

The Loyal Republic Erik Mathisen, 2018-03-13 This is the story of how Americans attempted to define what it meant to be a citizen of the United States at a moment of fracture in the republic's history As Erik Mathisen demonstrates prior to the Civil War American national citizenship amounted to little more than a vague bundle of rights But during the conflict citizenship was transformed Ideas about loyalty emerged as a key to citizenship and this change presented opportunities and profound challenges aplenty Confederate citizens would be forced to explain away their act of treason while African Americans would use their wartime loyalty to the Union as leverage to secure the status of citizens during Reconstruction In The Loyal Republic Mathisen sheds new light on the Civil War American emancipation and a process in which Americans came to a new relationship with the modern state Using the Mississippi Valley as his primary focus and charting a history that traverses both sides of the battlefield Mathisen offers a striking new history of the Civil War and its aftermath one that ushered in nothing less than a revolution in the meaning of citizenship in the United States

Black Flag Over Dixie Gregory J. W. Urwin, 2005-08-29 Black Flag over Dixie Racial Atrocities and Reprisals in the Civil War highlights the central role that race played in the Civil War by examining some of the ugliest incidents that played out on its battlefields Challenging the American public's perception of the Civil War as a chivalrous family quarrel twelve rising and prominent historians show the conflict to be a wrenching social revolution whose bloody excesses were exacerbated by racial hatred Edited by Gregory J W Urwin this compelling volume focuses on the tendency of Confederate troops to murder black Union soldiers and runaway slaves and divulges the details of black retaliation and the resulting cycle of fear and violence that poisoned race relations during Reconstruction In a powerful introduction to the collection Urwin reminds readers that the Civil War was both a social and a racial revolution As the heirs and defenders of a slave society's ideology Confederates considered African Americans to be savages who were incapable of waging war in a civilized fashion Ironically this conviction caused white Southerners to behave savagely themselves Under the threat of Union retaliation the Confederate government backed away from failing to treat the white officers and black

enlisted men of the United States Colored Troops as legitimate combatants Nevertheless many rebel commands adopted a no prisoners policy in the field When the Union s black defenders responded in kind the Civil War descended to a level of inhumanity that most Americans prefer to forget In addition to covering the war s most notorious massacres at Olustee Fort Pillow Poison Spring and the Crater Black Flag over Dixie examines the responses of Union soldiers and politicians to these disturbing and unpleasant events as well as the military legal and moral considerations that sometimes deterred Confederates from killing all black Federals who fell into their hands Twenty photographs and a map of massacre and reprisal sites accompany the volume The contributors are Gregory J W Urwin Anne J Bailey Howard C Westwood James G Hollandsworth Jr David J Coles Albert Castel Derek W Frisby Weymouth T Jordan Jr Gerald W Thomas Bryce A Suderow Chad L Williams and Mark Grimsley

A Companion to American Military History James C. Bradford, 2009-11-03 With more than 60 essays *A Companion to American Military History* presents a comprehensive analysis of the historiography of United States military history from the colonial era to the present Covers the entire spectrum of US history from the Indian and imperial conflicts of the seventeenth century to the battles in Afghanistan and Iraq Features an unprecedented breadth of coverage from eminent military historians and emerging scholars including little studied topics such as the military and music military ethics care of the dead and sports Surveys and evaluates the best scholarship on every important era and topic Summarizes current debates and identifies areas where conflicting interpretations are in need of further study

Union Jacks Michael J. Bennett, 2005-12-15 Historians have given a great deal of attention to the lives and experiences of Civil War soldiers but surprisingly little is known about navy sailors who participated in the conflict Michael J Bennett remedies the longstanding neglect of Civil War seamen in this comprehensive assessment of the experience of common Union sailors from 1861 to 1865 To resurrect the voices of the Union Jacks Bennett combed sailors diaries letters and journals He finds that the sailors differed from their counterparts in the army in many ways They tended to be a rougher bunch of men than the regular soldiers drinking and fighting excessively Those who were not foreign born escaped slaves or unemployed at the time they enlisted often hailed from the urban working class rather than from rural farms and towns In addition most sailors enlisted for pragmatic rather than ideological reasons Bennett s examination provides a look into the everyday lives of sailors and illuminates where they came from why they enlisted and how their origins shaped their service By showing how these Union sailors lived and fought on the sea Bennett brings an important new perspective to our understanding of the Civil War

The Black Experience in the Civil War South Stephen V. Ash, 2010-03-02 The first book of its kind to appear in a generation this comprehensive study details the experiences of the black men women and children who lived in the South during the traumatic time of secession and civil war *The Black Experience in the Civil War South* is the first comprehensive study of the Southern black wartime experience to appear in a generation Incorporating the most recent scholarship this thematically organized book does justice to the richness of its subject looking at the lives of blacks in the Confederate states

and the nonseceding Southern states at blacks on farms and plantations and in towns and cities at blacks employed in industry and the military and at black men women and children Drawing on memoirs autobiographies and other original source materials the author details the experiences of blacks who took up residence in Union contraband camps and on free labor plantations and those who enlisted in the Union army He introduces individuals who escaped from slavery as well as the small minority of Southern blacks who were free when the war began Most significantly this revealing study deals not only with those who gained freedom during the war but those whose freedom came only after the conflict s end

Slaves Sailors Citizens African American Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Slaves Sailors Citizens African American free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Slaves Sailors Citizens African American free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Slaves Sailors Citizens African American free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Slaves Sailors Citizens African American. In conclusion, the internet offers numerous platforms and websites that allow users to download

free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Slaves Sailors Citizens African American any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Slaves Sailors Citizens African American Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Slaves Sailors Citizens African American is one of the best book in our library for free trial. We provide copy of Slaves Sailors Citizens African American in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Slaves Sailors Citizens African American. Where to download Slaves Sailors Citizens African American online for free? Are you looking for Slaves Sailors Citizens African American PDF? This is definitely going to save you time and cash in something you should think about.
