Scott Boren, 2014-12-16 Why do Christians gather together Theoretically it s to root and establish their faith in the God of the universe and to spur one another on in love and good deeds Often however it's because that s just what Christians do Scott Boren helps you lead your small group into deeper community even as you follow Jesus into God's mission Missional Small Groups M. Scott Boren, 2010-07-01 Small groups are a great place to connect with other churchgoers but many wonder is this all there is Is sitting in a living room talking about a book or watching a video the extent of what we can do together Isn t being a Christian community about something more than this Pastor and author Scott Boren thinks so In this latest release from missional thinktank Allelon Boren gives leaders and members of small groups the tools they need to make an impact on their communities Beginning with a gentle critique of current small group models Boren goes on to show how a uniquely Christian paradigm can set groups free to transform their communities The final section of the book offers over twenty practices that groups can do to become more missional Ultimately Missional Small Groups is about helping groups follow Jesus by equipping them to bring his message and healing to a hurting world Relational Way M. Scott Boren, Alan Roxburgh, Randy Frazee, 2007 With all the excellent books on small group ministry on the market today one would think the subject has been covered completely However the foundational basis for holistic small group ministry a highly relational set of values must be in place before holistic small group ministry will thrive In this new release Scott Boren does an excellent job dispelling the most

common myths about small group ministry What are the myths Doing the right thing a small group program without consideration of the right way the relational way will produce community Meeting in small groups is the central source of biblical community Building a new small group ministry structure on top of old stories of church will transform a church and build community Groups will succeed if they are built around a specific strategy method or model Small group community is best fostered in a context whereby the group members focus solely on ministering to the needs of one another Small groups can develop biblical community without an overt dependence upon the Holy Spirit The small group large group structure is all that is needed Equipping that solely addresses right Christian thinking will adequately prepare people for relational kingdom living and fruitful small group life Weak leaders are the ones who require the most care oversight and direction Small groups will grow and multiply if they simply serve as a place to discuss the Bible and connect people in relationships Each chapter delves into the missional truths about each issue with detailed views from theologians psychologists and Boren s own excellent biblical exeges s If you we struggled with small groups in the past this book has the answers you have not found in any other book we have published **How Do We Get There from Here?** M. Scott Boren, 2007 This book is a revised expanded edition of Making Cell Groups Work TOUCH Outreach has worked with thousands of churches and pastors Throughout the years we ve made a few key discoveries which are explained in great detail in How Do We Get There From Here Success with holistic small groups happens when the members of the first groups are fulfilling the unique mission of your church Congregational assimilation is a stage six goal not something you should try immediately The transition requires the senior pastor's personal and long term involvement Team implementation is far more successful than a single individual calling the shots The transition to holistic small groups is a values shift not the launching of a new program These findings are just a small sample of what you will discover in this practical step by step book on holistic small group or cell group implementation We ll just do what XYZ Church did We receive calls from pastors who went to a big church s annual small groups conference then returned home to launch groups Most call because they now have groups that are not growing with new leaders or new Christians If they had only read this book and followed Scott s advice While we highly recommend visiting other churches doing small groups to learn we ve found that your journey into HSG based ministry will be vastly different from any other church's pilgrimage Therefore your plan of action must be unique as well How Do We Get There From Here has the information you need to both understand the process and implement it in your unique congregation Is this the transition process for you There are dozens of introductory books on small groups and cell groups which are excellent reading But this book is unique It explains the transition process in a way that guarantees healthy holistic small groups proven to work in any kind of church Who's who in America ,1995 **MissioRelate** M. Scott Boren, 2011 The options for small group methods are numerous What kind of life are we aiming to produce in those groups MissioRelate challenges church leaders to move beyond strategies and structures and consider the ways they can help people discover missional

group life This book will give you the tools and perspective needed to shift your groups beyond the normal Bible study and application into mission Making Cell Groups Work Navigation Guide Joel Comiskey, Scott Boren, Ralph Neighbour, Randall Neighbour, Bill Beckham, 2023-05-27 This is an expanded 624 page reference tool for the 8 stage transition process found in How Do We Get There From Here formerly titled Making Cell Groups Work This sizable compilation is filled with hundreds of articles by pastors and experts including helpful articles such as how to transition your church's calendar and budget to allow for a growing holistic small group cell group ministry how to choose team members to implement the transition tips on how to prototype groups and much much more One of the most valuable tools found in this resource is a revealing readiness assessment tool which will help you determine weaknesses if any in four key areas of church health all of which are required for a successful transition The Power of Small Groups in Christian Formation Harley T. Atkinson, 2018-01-10 Small groups continue to be a significant part of church life and Christian formation in the twenty first century impacting a church and society characterized by loneliness and fragmentation As such Julie Gorman is prompted to declare Small groups have come of age They have found unprecedented acceptance and endorsement This is a comprehensive book on small groups and Christian formation informed by theology church history and the social sciences It addresses both the foundations and praxis of groups with a special emphasis on leading dynamic group discussions The Big Book on Small Groups Jeffrey Arnold, 2010-06 What s so big about small groups With proven results in drawing people into community and helping them grow to maturity in Christ small groups have established themselves as a crucial ministry of the church to its members and its mission field But whether leading a small group coaching small group leaders or Community That Is Christian Julie A. Gorman, 2002-06-01 Over the past thirty years implementing a church wide minist there has been a boom in small groups both in society at large and within the church From Bible studies to MOPS to Alcoholics Anonymous it is estimated that four out of ten Americans belong to a small group that meets regularly for the care and support of its members But are these groups creating true biblical community or do they settle for self focus and personal gain Julie Gorman has studied small groups for decades and presents her analysis insights and suggestions in Community That Is Christian an essential resource for building community in church based small groups This comprehensive book serves both as a text for those who equip leaders or lead small groups and as an interactive manual for small group members helping them transform their relationships into Christ centered community The book begins with biblical support for coming together contrasting it with our often individualistic mind set that undermines community Gorman then sets forth the goals of community and describes the process of transformation She draws from extensive research to address the why and the how of small group ministry giving special attention to gender and cultural distinctions Community That Is Christian provides readers with charts discussion questions and inventories to further help them establish community within their small groups Beyond the Mother Church Robery Bagley, 2016-01-10 A theological evaluation of the important role that

cell or small groups play as a branch of the mother church from which they are birthed with an emphasis on how they impact the surrounding community Four main topics are explored as they relate to small group ministry in our postmodern society prophetically glimpsing at its impact on the rest of the 21st century 1 The theological dynamic of small groups and their importance in today s society 2 How fellowship and discipleship are worked out as a result of small groups and how they supplement what the mother church can t do on Sundays 3 How leadership training evolves within the small group setting with an emphasis on identifying training and launching fresh leaders in the Church 4 Evangelism as a product of small group ministry small groups touching society within the sphere of each member s influence View Book Making Cell Groups Work Navigation Guide M. Scott Boren, William A. Beckham, Ralph W. Jr. Neighbour, Joel Comiskey, Randall G. Neighbour, 2003-01-01 This is an expanded 624 page reference tool for the 8 stage transition process found in How Do We Get There From Here formerly titled Making Cell Groups Work This sizable compilation is filled with hundreds of articles by pastors and experts including helpful articles such as how to transition your church's calendar and budget to allow for a a growing holistic small group cell group ministry how to choose team members to implement the transition tips on how to prototype groups and much much more One of the most valuable tools found in this resource is a revealing readiness assessment tool which will help you determine weaknesses if any in four key areas of church health all of which are required for a successful transition Leading Small Groups with Purpose Steve Gladen, 2012-02 Steve Gladen pastor of small groups at Saddleback Church for more than a decade takes you step by step toward a healthy dynamic group with focus and purpose For the new small group leader the seasoned leader who feels their small group lacks purpose or the leader who is itching to move their small group to the next level Leading Small Groups with Purpose is the road map to follow Every chapter includes ideas that you can implement immediately as well as ways to shape your small group over time With Gladen's expert help you will define success clearly develop a personal leadership plan invite members into your group and help members fulfill the Great Commission and the Great Commandment Publisher description <u>Ultimate Small Groups Gregory Scott, 2014-08-01</u> The Ultimate Small Groups Guide A Compelling easy read This book helped me understand why our small groups seem so stagnant We put these ideas into practice and Wow Just Wow In my thirty years of ministry I ve never seen discipleship taught like this Scott s ideas about Communion and the Lord s Supper are controversial but I do believe he is right Pastor Scott has nailed it in this book I m not sure my church is ready to implement ultimate small groups entirely but I m starting my own group today Drop everything and read this book today Small group ministry Christian Mogler, 2009-12-17 Research Paper postgraduate from the year 2009 in the subject Theology Miscellaneous grade B Prairie Bible Institute course Church Planting Development language English abstract Generally speaking the influence of small groups within churches is increasing significantly While some congregations do not see a high value in small groups and are consequently very slow to start and engage in small group ministry others are so convinced of them that they claim that small groups are

the pillar of church growth Since there are such a variety of opinions about the usefulness and purpose of small groups one may ask what exactly is a small group What role does it play in the bigger picture of building the church What is the biblical foundation for it Do we need small groups What are the advantages and disadvantages of having a small group Why do people oppose small groups This research paper will on one hand answer these and other questions and on the other hand demonstrate how small groups are an importance place for ministry community and discipleship **Beyond Small Groups** Small Groups with Purpose Steve Gladen, 2011-06-01 Over the past fifteen years small groups M. Scott Boren, 2018-08-15 have become a vital way to build community in large churches Nowhere has this been more apparent than at Saddleback Church Now Steve Gladen pastor of small groups at Saddleback shares the secrets of that ministry s incredible success in creating small groups with purpose This practical book walks church leaders through the questions they need to answer to develop their own intentional small group strategy Built around the most commonly asked questions Small Groups with Purpose outlines the step by step process of creating a successful small group ministry Because it is built upon principles and not methods this plan can be implemented in any size church Each chapter ends with a list of questions for readers to answer to help them assess their current situation and their desires for the future Personal stories Scripture and examples ground the discussion and show the system in action Pastors and small group leaders will find this book instrumental in making small Successful Small Groups Kurt W. Johnson, 2011 In Matthew 28 18 20 Jesus makes the groups work in their churches mission of the church abundantly clear Go therefore and make disciples of all the nations But how do you reach a twenty first century society filled with diverse backgrounds and varying levels of religious interest And how can you expect to grow the body of Christ when only half of your own congregation regularly attends services The answer may be simpler than you think involve and empower the laity in small group ministry Kurt W Johnson not only provides the tools for organizing and leading successful small groups but also explores the biblical and historical foundations for small group ministry. In this practical guide Johnson illustrates the proven effectiveness that small groups have for both nurturing the spirituality of current church members and leading friends neighbors coworkers and others to a saving relationship with Christ Do you want to fulfill Jesus Great Commission Discover how you and your church can change the world around you through the power of the Holy Spirit one disciple at a time Kurt W Johnson D Min is the Bible school director for the Voice of Prophecy international radio ministry His enthusiasm for small group ministry has led him to conduct training sessions internationally and to author multiple group Bible study guides including Face td Face With Jesus and Focus on Prophecy Book jacket
