Staff,Hunter Publishing,2005 Over 2 500 courses covered in detail Hotels recommended by golfers for golfers [Terroir of Golf](#) Taba Dale,2023-04-01 In 2016 I had my heart set on playing golf at two places in particular Shiskine Isle of Arran and Machrie Bounding around both of these golfing gems and many places in between I discovered parallels between creating a unique wine one which we savor when we drink and that of a unique golf experience that we drink in while playing a course As with a fine wine it is equally intoxicating when a superb golf course delivers a powerful connection with nature And so while meandering around the dunes of The Machrie all the elements coalesced for me into a single phrase Terroir of Golf I borrowed from the world of wine terroir French from the word terre or land refers to the specific environment where a particular wine is produced The concept of terroir as it relates to a crop of grapes starts with the physical habitat the soil climate and the topography This epiphany occurred to me while on Islay much better known for whisky than it is for golf thus I m loosely borrowing from the world of whisky making too I rather doubt that even the most sophisticated distilleries would use the word terroir to describe how they craft whisky or whiskey in Ireland Perhaps there is a Scottish word for the importance of the ground and the grain that goes into the making of uisge beatha or uisce in Irish Gaelic which translates into water of life It was the Irish monks of the early Middle Ages who used the Latin translation of aqua vitae to describe distilled alcohol But that discussion requires a red white or brown liquid poured into a lovely crystal glass with or without a stem to be properly and luxuriously explored at great length Taba Dale **Golf in style Part 1** Milde Freiherr
