Niles,2011-11-29 The Kendrick family s reign continues but the Moonshae s era of peace is threatened by unseen forces Restored to his throne a crippled King Tristan Kendrick must confront the fearful costs of his rescue from the Coral Kingdom His younger daughter Deirdre suffers tragically from the curse of an evil god while Alicia faces a decision that will chart the destiny of the kingdom At the same time near the heart of Gwynneth a new evil stirs An army of trolls and giants wage war against the Ffolk villages manipulating a magical artifact to suit their violent whims Now it is up to Moonshae s royal defenders their allies and their Goddess to put an end to the scourge before the God of the Firbolgs can be resurrected and the Isles torn down The Chanson des Chétifs and Chanson de Jérusalem Carol Sweetenham,2020-04-22 The First Crusade was arguably one of the most significant events of the Middle Ages It was the only event to generate its own epic cycle the Old French Crusade Cycle The central trilogy at the heart of the Cycle describes the Crusade from its beginnings to the climactic battle of Ascalon comprising the Chanson d Antioche the Chanson des Ch tifs and the Chanson de J rusalem This translation of the Ch tifs and the J rusalem accompanies and completes the translation of the Antioche and makes the trilogy available to English readers in its entirety for the first time The value of the trilogy lies above all in the insight it gives us to medieval perceptions of the Crusade The events are portrayed as part of a divine plan where even outcasts and captives can achieve salvation through Crusade This in turn underlies the value of the Cycle as a recruiting and propaganda tool The trilogy gives a window onto the chivalric preoccupations of thirteenth century France exploring concerns about status heroism and defeat It portrays the material realities of the era in vivid detail the minutiae of combat smoke filled halls feasts prisons and more And the two newly translated poems are highly entertaining as well featuring a lubricious Saracen lady not in the first flush of youth a dragon inhabited by a devil marauding monkeys miracles and much more The historian will find little new about the Crusade itself but abundant material on how it was perceived portrayed and performed The translation is accompanied by an introduction examining the origins of the two poems and their wider place in the cycle It is supported by extensive footnotes a comprehensive index of names and places and translations of the main variants **The 1961-1970:**
