Forgiven But Not Forgotten Tyrone L. Edwards Sr.,2013-04 We as people wonder through life looking and desiring to be love So when that doesn t happen the way we wish it to happen we have that feeling of individual separation from the world So tell me how do you handle it when you are born into the world desiring it but can t get it as a baby Twin came into this world looking to be embraced but received a cold shoulder from the one that was supposed to be his protection from those that brings hurt hate and harm How do you fight against that kind of pain Taking his twin and giving him the best of the world while giving his other trash Twin could not do anything but reach out and ask for help from nothing more than the cold heated streets of Parkwood and the nation of GD They became his family and learnt to rely on Twin was born into this world with muscle tissue over muscle tissue and a heart that was too big for his body This caused him to spend a lot of his childhood in the hospital and with a father who was more into a son that would be a payoff other than another bill only caused Twin to be that much hated by his own family but mostly by his father who love one twin and a strong dislike for the other The older Twin became

the smarter he got with a will to win at everything that he did From school to the streets Twin was not a push over Making the streets cry out in pain to showing others that he is cut differently than his family Yelling Gangster Disciple and letting those forks stand high Twin back down to nothing at all With a passion to seeing others cry in pain he desire to dance and kick box until he had no more need to do so any more Driving the ladies crazy with his ability to just being him only made others wishing to be around the you man that he was becoming while others fear the man that s deterrent to put you down rather to see you take up air in a world that can live without you Forgiven but not forgotten is more than just a book its dealing with every day truth and the fact that a decision can change the walk of someone s life If you love a book filled with action mob gang sex love hurt and pain you will love this book Come and allow me Tyrone L Edwards Sr take you to another place that will pull you in and send your emotions pulling in many ways Everything you desire to feel from a book I will take you there Try me and see What do you have to lose other than a few bills **Tender Taming; When Next We Love**

Heather Graham,1994-03 Two unforgettable romance novels in a special low cost edition In Tender Taming a public relations director is sure she can handle the shrewd representative of an Indian tribe In When Next We Love a woman mourning the loss of her rock star husband is trapped with his partner by a hurricane A Younger Man Linda Turner,2010-05-01 To Do after High School graduation 1 Go to college 2 Fall in love with the man of my dreams 3 Get married 4 Have two kids one at a time Natalie Bailey may not have been very good with numbers but even she knew that she wasn t exactly doing things in the conventional order Because she d skipped college married early and at age thirty three found herself a divorced mother of five year old twins and a college freshman to boot Not only that but it looked like the man of her dreams had just walked in the door except he was her younger if irresistible professor Maxwell Sullivan The last man she should be falling for based on her plan But you know what they say about plans
