author of HAWKSONG

The book cover features a central, square, textured image. Inside this square, a woman's face is shown in profile, looking towards the right. A snake is coiled around her face, its head positioned near her forehead. The background within the square is a complex, layered composition of patterns, including a checkered grid and swirling, organic shapes. The overall color palette is dark and moody, with shades of brown, black, and muted green. The title 'SNAKECHARM' is printed in large, white, serif capital letters across the middle of the square image.
