Zimboiant,2013-06-27 People think there is nothing about snake to study to relate to human life I myself didnt know one  
could study snake to relate to everyday life Why should we study such a disabled animal to become able men of high reput  
As matter of fact Evang Zimboiant has let us know that snake is Satan himself and so one must be very shrewd as Satan  
before he or she will be able to detect the devices of Satan in this world In this book Evang Zimboiant uses cobra and  
emerald boa to digest his two types of isolationnegative isolation and positive isolation He also uses cobra to elaborate on  
what he calls elements of focus and barriers to focus How he uses the way anaconda catches his prey to relate to the  
shrewdness of the devil is very inspiring and interesting to read even the rest of the text As a matter of fact you will  
understand why Satan came to steal kill and destroy Satan tries to hide the actual truth about our God twists Scriptures to fit  
his purposes and offers counterfeit promises he cant fulfil He always seeks an opportune time to tempt us However Evang  
Zimboiant has perfectly revealed the craftiness of Satan which will let you understand why Apostle Peter said Be sober be  
vigilant because your adversary the devil walks about like a roaring lion seeking whom he may devour 1 Peter 5 8 and to  
which Apostle Paul also added Do not sin do not let the sun go down on your wrath nor give place lest you give a foothold to  
the devil Ephesians 4 26 27 Submit yourselves therefore to God Resist the devil and he will flee from you James 4 7
