Soccer Árpád Csanádi,1972 **Rondo Soccer Drills** Chest Dugger,2021-06-12 Have you wondered how Pep Guardiola s teams have dominated European leagues for the last two decades Not only is the answer simple it s something that you can use to take your game and your team s game leagues above your opposition The key to Pep s success at Barcelona and Manchester City is the Rondo Rondos have transformed modern football Not only have Rondos helped Pep dominate European football they ve helped turn the Spanish national team into the best in the world The system behind Rondos was the beating heart of the brilliant Barcelona teams which dominated Europe for a decade from 2005 They made

soccer even more exciting to watch improving players technical ability and creating a proper total football in the European sense game Their approach was reminiscent of the fantastic Ajax team of the 1970s and the great Dutch teams of that era They led to the excitement of the high press and the thrilling soccer which follows when the press is defeated They proved the benefit of technique over physical prowess So what is this miracle of the training pitch which has so transformed the game of soccer The beauty of the rondo is its simplicity It is a drill where the objective is to retain possession As rondo drills become more complex this aim might develop It might be about keeping possession in transition or maintaining possession to create a goal scoring opportunity However at its heart is the objective of one side keeping hold of the ball A second key element of a rondo is that the sides are uneven One team has extra players It can take a form as exaggerated as 10 v 1 or as close as 5 v 4 However the point is that some pressure is applied but not so much as to make the drill difficult to perfect Thus confidence grows and in turn touch and vision A rondo is usually a drill that takes place in a limited space typically a circle square or rectangular grid Thus first and second touches are perfected because there is not much time to take many touches Finally and crucially rondos are drills that are fast and fun They involve lots of touches for the players in possession and a real sense of achievement on the rare occasions that the smaller side actually wins back the ball So simple Yet so effective This coaching book celebrates the rondo and offers drills tactics and coaching techniques to help soccer players at any level from the unbounded enthusiasm of Under 6s to the worldly view of veteran teams From the pub side who turn out on a Sunday morning cooked breakfast weighing heavily on their hangover infused stomachs to the champion youth team of the region We can all improve as coaches and players The rondo is the system that enables progress to happen more quickly and efficiently than any other soccer coaching strategy Even if you haven't heard of Rondos before you'll gain a lot from this book

Order Now [Coaching Positional Soccer](#) Michael Curless, 2021-06-01 Coaching soccer can be challenging for both the beginner and advanced coach However at any level a modern and adaptive soccer playing style can be developed as players progressively acquire specific tactics and technical skills This positional coaching approach teaches players how to create exploit and defend spaces on the soccer field by using core playing principles Players who understand these principles will have the ability to quickly adjust from one game moment to the next regardless of circumstances strategy or formation Coaching Positional Soccer gives comprehensive practice plans which include diagrams and sketches that will make practice planning a straightforward process throughout the season Using the best teaching approaches and coaching interventions will also improve coaching confidence and accelerate player and team development This book provides complete soccer coaching education and is perfect for the beginner or volunteer coach who wants to understand how to best teach soccer to players This book is also ideal for the advanced coach looking for new ideas to lift the team to higher playing levels
