Communism and communists towards the intelligentsia in interwar Poland. An outline of the issue*

In 1937, the Catholic Bookshop and Press S.A. of Katowice published a work by Rev. Dr Stefan Wyszyński, entitled *Intelligentsia in the Vanguard of Communism*, in which the author dedicated more than 140 pages to examine the attitudes of the intellectual elites of the state towards the communist idea and the communists themselves, as well as discussed how the communists approached the intelligentsia¹. Such a title almost automatically raises questions about whether Rev. Wyszyński's eponymous thesis reflected the actual state of the intelligentsia of the Second Republic or whether it was a very subjective view of the problem, which overestimated the scale of the phenomenon. What were the ideological and political foundations of the communist influence on the intelligentsia; was it really an ally of the Bolsheviks in Russia and then the communists in interwar Poland? Did they see it as an ally of their revolutionary designs?

Leaving aside Rev. Wyszyński's work, which serves here merely as a point of introduction to the scientific discourse, one should attempt to define the foundations of such interactions and delineate the basics and the complexity of the communists' own policies towards the intelligentsia. Consequently, one may be able to answer whether the intelligentsia was a subject or no more than an object of the communist party's activities. Obviously, in terms of research, it remains somewhat of a challenge to identify and use representative benchmarks which could provide answers to this and other questions, including the general position adopted by the intelligentsia towards the communists. For these reasons, this study cannot give a comprehensive overview of the problem, and, given its complexity and multi-faceted nature, it does not aspire to do so. It only attempts

The Communists Of Poland An Historical Outline Revised Edition:

A History of the Chinese Communist Party Stephen Uhalley, 1988 *The Communists of Poland* Jan B. De Weydenthal, 1986 **Intermarium** Marek Jan Chodakiewicz, 2017-09-08 History and collective memories influence a nation its culture and institutions hence its domestic politics and foreign policy That is the case in the Intermarium the land between the Baltic and Black Seas in Eastern Europe The area is the last unabashed rampart of Western Civilization in the East and a point of convergence of disparate cultures Marek Jan Chodakiewicz focuses on the Intermarium for several reasons Most importantly because as the inheritor of the freedom and rights stemming from the legacy of the Polish Lithuanian Ruthenian Commonwealth it is culturally and ideologically compatible with American national interests It is also a gateway to both East and West Since the Intermarium is the most stable part of the post Soviet area Chodakiewicz argues that the United States should focus on solidifying its influence there The ongoing political and economic success of the Intermarium states under American sponsorship undermines the totalitarian enemies of freedom all over the world As such the area can act as a springboard to addressing the rest of the successor states including those in the Caucasus Central Asia and the Russian Federation Intermarium has operated successfully for several centuries It is the most inclusive political concept within the framework of the Commonwealth By reintroducing the concept of the Intermarium into intellectual discourse the author highlights the autonomous and independent nature of the area This is a brilliant and innovative addition to European Studies and World Culture **Eastern Europe Bibliography**, 1993 A selective work that documents the formative impact of the region s earlier history Includes reference aids and bibliographies general and descriptive histories of the land peoples and economies and works depicting intellectual and cultural life Historical Dictionary of Poland 1945-1996 Piotr Wróbel, 2014-01-27 Located between the former Soviet Union and eastern Germany Poland has the potential to become a political and economic bridge between the East and West It is crucial to European security and stabilization yet the list of reference books on recent Polish history is very short This book fills that gap providing information on Polish political economic and cultural history since 1945 Roots of Radicalism Stanley Rothman, 2018-04-27 When Roots of Radicalism first appeared Nathan Glazer noted this is a major work on the relationship between radical politics and psychological development He went on to predict no one will be able to write about the left and radicalism without taking it into account Now finally available in a paperback edition with a new introduction the reader can evaluate just how prescient the authors are in their review of the student radical movement Replete with interviews of radical activists their provocative book paints a disturbing picture The book raises critical questions about much previous social science research and ultimately about the reason an entire generation of Americans was so infatuated with the radical mystique Robert A Nisbet called the book an extraordinarily skilled fusion of historical and psychological approaches to one of the most explosive decades in American social history Robert E Lane added it will be prudent to read Rothman and Lichter along with our well worn copies of

Keniston and Fromm Writing in Political Psychology Dan E Thomas argued the book is arguably the most important and definitely the most provocative book in the field of personality and politics to have appeared in the past several years Recently in Forbes Peter Brimelow referred to Roots of Radicalism as Rothman's main achievement as a political scientist his definitive study of the 1960s New Left In the new introduction the authors review the initial reception of Roots of Radicalism and its subsequent treatment They also review the major literature on the causes course and consequences of the student movement of the 1960s which has appeared since the publication of the book Finally they update their own analysis *East Central Europe and Communism* Sabrina P. Ramet,2023-03-23 The communists of East Central Europe came to power promising to bring about genuine equality paying special attention to achieving gender equality to build up industry and create prosperous societies and to use music art and literature to promote socialist ideals Instead they never succeeded in filling more than a third of their legislatures with women and were unable to make significant headway against entrenched patriarchal views they considered it necessary with the sole exception of Albania to rely heavily on credits to build up their economies eventually driving them into bankruptcy and the effort to instrumentalize the arts ran aground in most of the region already by 1956 and in Yugoslavia by 1949 Communism was all about planning control and politicization Except for Yugoslavia after 1949 the communists sought to plan and control not only politics and the economy but also the media and information religious organizations culture and the promotion of women which they understood in the first place as involving putting women to work Inspired by the groundbreaking work of Robert K Merton on functionalist theory this book shows how communist policies were repeatedly undermined by unintended consequences and outright dysfunctions *Heart of Europe* Norman Davies,2001-05-31 Begins with the period since 1945 and travels back in time to highlight themes and traditions that have influenced present attitudes Analyses the issues arising from the fall of the Eastern Bloc and looks at Poland's future within a political climate of democracy and free market **Belonging to the Nation** John J. Kulczycki,2016-03-28 In 1939 Nazis identified Polish citizens of German origin and granted them legal status as ethnic Germans of the Reich After the war Poland did just the opposite searched out Germans of Polish origin and offered them Polish citizenship John Kulczycki's account underscores the processes of inclusion and exclusion that mold national communities **The Communist Successor Parties of Central and Eastern Europe** Andras Bozoki,John T. Ishiyama,2020-07-24 What has become of the Communist parties that once held monopoly power in the east bloc A decade ago it was assumed that they would dissolve but many of them have enjoyed electoral success This book systematically examines how they have evolved In the opening section Herbert Kitschelt and Ivan Szelenyi respectively consider post communist party strategies and social democratic prospects in the transitional societies Part II presents nine case studies of the major communist and communist successor parties of the region and Part III is devoted to seven comparative studies Appendices provide comparable electoral and party membership data Eastern Europe in the Postwar World NA NA,2016-04-30 Problems of Communism ,1959 The

Catholic Church in Polish History Sabrina P. Ramet, 2017-06-22 The book chronicles the evolution of the church's political power throughout Poland's unique history. Beginning in the tenth century, the study first details how Catholicism overcame early challenges in Poland from converting the early polytheists to pushing back the Protestant Reformation half a millennium later. It continues into the dawn of the modern age, including the division of Poland between Prussia, Russia, and Austria between 1772 and 1795, the interwar years, the National Socialist occupation of World War Two, and the communist and post-war communist eras during which the Church only half correctly presented itself as a steadfast protector of Poles with clergy members who either stood up to foreign authorities or collaborated with those same Nazi and Communist leaders. This study ends with a consideration of how the Church has taken advantage of the fall of communism to push its own social agenda at times against the wishes of most Poles.

Stalinism for All Seasons Vladimir Tismaneanu, 2003-10-15 This history of the Romanian Communist Party (RCP) traces its origins as a tiny clandestine revolutionary organization in the 1920s to its years in national power from 1944 to 1989 and to the post-1989 metamorphoses.

Poland between the Wars, 1918-1939 Peter D. Stachura, 1998-12-13 Incorporating selective papers from a successful conference organised by the Polish Society, this book presents challenging and frequently revisionist views on a variety of controversial themes relating to the interwar Polish Republic, including its struggle over Upper Silesia, the question of national identity and its ethnic minorities, the significance of the Battle of Warsaw, the role of the press and its defence preparations in 1939. The volume thus makes an important contribution to scholarly debate of a crucial period in Poland's recent history.

Victory in Europe, 1945 Arnold A. Offner, Theodore A. Wilson, 2000 In this collection, senior scholars explore the transition from war to uneasy peace, how and why the war ended as it did, whether a different resolution was possible, and if the ensuing Cold War was inevitable.

The Decline Of Military Regimes Constantine P. Danopoulos, Robin A. Remington, James Brown, Claude Welch, 2019-06-21 Many generous people deserve special thanks for their assistance in the preparation and completion of this project. I wish to express my gratitude to each of the contributors for agreeing to tackle a difficult and inherently controversial subject. I am only sorry that C. I. Eugene Kim did not live long enough to see the fruits of his labor; he will be sorely missed by all of us who knew him. The Third World and the military do not respond easily to scrutiny by social scientists. Many colleagues and referees read all or part of the manuscript. I am grateful to Professors Richard Lane Roy Christman and Bob Kumamoto of San Jose State University and Timothy Lukes of Santa Clara University who offered numerous helpful comments. My parents, Panos and Athanasia Danopoulos, my brother George and his wife Niki, my aunt Areti Paraskevopoulou, and my koumbaro George Nikolettopoulos have provided boundless moral support. Polly Taylor's expert typing and coding made the preparation of the typescript possible. Finally, my wife Vickie and our two sons, Panos and Andreas, deserve special thanks for their willingness to endure the long hours that writing and manuscript preparation entail. Though helpful, none of these people bear any responsibility for any problems associated with this volume. Responsibility for

the accuracy and scholastic quality of what follows belongs to the contributors and myself Encyclopedia of Historians and Historical Writing Kelly Boyd, 2019-10-09 The Encyclopedia of Historians and Historical Writing contains over 800 entries ranging from Lord Acton and Anna Comnena to Howard Zinn and from Herodotus to Simon Schama Over 300 contributors from around the world have composed critical assessments of historians from the beginning of historical writing to the present day including individuals from related disciplines like Jürgen Habermas and Clifford Geertz whose theoretical contributions have informed historical debate Additionally the Encyclopedia includes some 200 essays treating the development of national regional and topical historiographies from the Ancient Near East to the history of sexuality In addition to the Western tradition it includes substantial assessments of African Asian and Latin American historians and debates on gender and subaltern studies *Local Politics in Communist Countries* Daniel N. Nelson, 1980-01-01 There are many reasons why it is important to study local politics political culture government political process in Communist party states As in all politics local politics in Communist party states are the political articulation of the local community This is the political arena where policies concerning local issues are formulated by the officials This is where the officials are approached by citizens with their particular demands This is where citizens articulate their preferences aspirations and values through political participation And this is where officials both elected and appointed are recruited In this volume Daniel N Nelson has assembled a team of international scholars to consider local politics in Communist party states including the U S S R China Poland Yugoslavia and Romania Together they explore how local social and political forces are articulated in the national and party organizations they also reveal how the study of comparative local politics provides vitality for the study of national politics Rather than treating local communities as receivers and translators of national inputs the contributors demonstrate that the local dimension and national politics mutually influence one another and illuminate the social reality in communist societies The Figurative Sculpture of Magdalena Abakanowicz Joanna Inglot, 2004-03-30

The Communists Of Poland An Historical Outline Revised Edition Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Communists Of Poland An Historical Outline Revised Edition has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Communists Of Poland An Historical Outline Revised Edition has opened up a world of possibilities. Downloading The Communists Of Poland An Historical Outline Revised Edition provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Communists Of Poland An Historical Outline Revised Edition has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Communists Of Poland An Historical Outline Revised Edition. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Communists Of Poland An Historical Outline Revised Edition. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Communists Of Poland An Historical Outline Revised Edition, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Communists Of Poland An Historical Outline Revised Edition has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers.

worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The Communists Of Poland An Historical Outline Revised Edition Books

1. Where can I buy The Communists Of Poland An Historical Outline Revised Edition books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a The Communists Of Poland An Historical Outline Revised Edition book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of The Communists Of Poland An Historical Outline Revised Edition books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are The Communists Of Poland An Historical Outline Revised Edition audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media

or recommend them to friends.

9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read The Communists Of Poland An Historical Outline Revised Edition books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
