Crumb,1992 These selections from 1966 include complete strips a rough of Keep on Truckin parody covers and ads portraits still lifes urban landscapes and other scenes transformed by Crumb s searching eye and obsessive pencil *Translating US Underground Comix in Italy* Chiara Polli,2025-04-16 This book analyses 1960s 1970s US underground comix a counterculture art form that satirised mainstream values and taboos The author observes comix in their multimodal components in the original English language versions and in their Italian translations by unpacking the several layers of verbal and visual meaning making She then goes on to scrutinise translation and resemiotisation processes including modifications mitigations and omissions encompassing socio historical and cross cultural perspectives The book argues that translation meant to bridge two counter cultures served as a gatekeeper instead zooming in on certain themes while inadvertently overlooking or purposefully manipulating others with an outcome close to censorship The volume is divided into nine chapters Chapter 1 summarises the aims and scope of the volume Chapter 2 introduces comix as a subversive phenomenon Chapter 3 illustrates the theoretical and methodological framework of analysis based on semiotics

and multimodality Chapter 4 presents the corpus of Italian translations which includes works translated between 1968 and 2022 by both mainstream and alternative publishers In Chapters 5-8 Italian translations of comix dealing with such controversial themes as sex drugs political struggle and religion are analysed with qualitative observations of several translations of the same comix provided to highlight changing times cultural frames ideologies editorial policies and target audiences Chapter 9 discusses the findings of these observations and maintains that as a recursive translation strategy seditious contents were mitigated trivialised or censored by adopting light hearted frames so that potentially problematic contents could be left out With its linguistic translational and intercultural analyses this volume will be useful for researchers of linguistics semiotics translation and comics studies **National Lampoon** ,1991 **The Comics Journal** ,2000
