Walton, 1891 *The Complete Angler* James Prosek, 2024-04-16 James Prosek has been called the Audubon of the fishing world by the New York Times. A passionate fisherman and talented artist from a young age, he published two illustrated books on fish and fishing while still an undergraduate at Yale. After winning a traveling fellowship to follow in the footsteps of Izaak Walton, *The Compleat Angler* became his obsession. He was fascinated by Walton, a humble man who won the friendship of kings, and he was intrigued by the book's philosophies concerning the timelessness and immortality that could be achieved by fishing. Although Walton was sixty when *The Compleat Angler* was published and Prosek only twenty when he set off to visit England, they each had traits in common: a love of fishing and an extraordinary ability to make friends. This is the story of a young man's pilgrimage through England, fishing the waters that are now privately held. Along with wonderful stories about good times, great fishing, and fine eating, this trip becomes an exploration of Waltonian ideals: how to live with humor, wisdom, contentment, and simplicity. The original watercolors complementing the text are wonderful. Like Walton's book, *The Complete Angler* is not about fishing but about life. Or rather, it is about fishing, but fishing is life. **The Complete Angler** Izaak

Walton, 1971 **The Complete Fisherman** Walter M. Gallichan, 2017-09-13 Trieste Publishing has a massive catalogue of classic book titles. Our aim is to provide readers with the highest quality reproductions of fiction and non-fiction literature that has stood the test of time. The many thousands of books in our collection have been sourced from libraries and private collections around the world. The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original. Our readers see the books the same way that their first readers did, decades or a hundred or more years ago. Books from that period are often spoiled by imperfections that did not exist in the original. Imperfections could be in the form of blurred text, photographs, or missing pages. It is highly unlikely that this would occur with one of our books. Our

extensive quality control ensures that the readers of Trieste Publishing's books will be delighted with their purchase. Our staff has thoroughly reviewed every page of all the books in the collection, repairing or if necessary rejecting titles that are not of the highest quality. This process ensures that the reader of one of Trieste Publishing's titles receives a volume that faithfully reproduces the original and to the maximum degree possible gives them the experience of owning the original work. We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality but also providing value to every one of our readers. Generally Trieste books are purchased singly on demand; however, they may also be purchased in bulk. Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates.
