near despair and searing honesty Rob Parsons OBE The doctor's voice is sad but firm I'm very sorry but I have to tell you that your little girl is unlikely to reach her 10th birthday Years later having defied the odds and become a teenager the same girl discovers a medical report that tells her to her horror she is overweight That was the moment the young Rosemary Conley decided to change her life After leaving school at 15 training as a secretary and working as a Tupperware dealer Rosemary started her own slimming classes in 1972 with an investment of just 8 In 1983 she published the first of 36 books that were to sell in their millions around the world alongside millions more of her fitness videos while also starring in her own TV shows on BBC and ITV She became in short one of the most popular and successful diet and fitness experts the world has seen But Rosemary's life was not to be one of unbounded achievement and success As well as the good times there were dark and distressing times and here she tells of the sorrows and setbacks that were to come as well as the joy she found and still finds in helping people live longer healthier and happier lives

The Psychology of Dieting Jane Ogden, 2018-03-15 Why do some of us become overweight Why is it so difficult to lose weight How can we adopt healthy attitudes towards food The Psychology of Dieting takes a broad and balanced view of the causes of weight gain and the challenges involved in dieting Exploring the cognitive emotional and social triggers which lead us to make poor decisions around food the book considers what it means to diet well By understanding our psychological selves the book shows how we can change our unhealthy behaviours and potentially lose weight In an era of weight problems obesity and dangerous dieting The Psychology of Dieting shows us that there is no such thing as a miracle diet and that we must understand how our minds shape the food choices we make
