Liedtke, 2008 Johannes Vermeer 1632-1675 has been one of the most widely admired European painters since his so-called rediscovery in the second half of the nineteenth century Until quite recently the Romantic roots of writing on the Sphinx of Delft have encouraged the image of him as an isolated genius the artist's private life and religion his supposed use of a camera obscura and the fact that his teacher has not been identified have all contributed to an air of mystery As this new monograph demonstrates Vermeer's life is actually well documented and his work may be more appropriately understood by placing the painter in the context of the Delft school as a whole and of Delft society The fact that one local patron acquired about twenty pictures by the artist only thirty six are known today must have been significant for Vermeer's subtleties of meaning and refinements of technique and style In the end however the most historical approach to Vermeer still leaves us with a master whose rare sensibility and extraordinary powers of observation may be described but not explained **Delphi Complete Works of Johannes Vermeer (Illustrated)** Johannes Vermeer, 2014-07-09 This is the second volume of a new series of publications by Delphi Classics the best selling publisher of classical works A first of its kind in digital print the Masters of Art series allows digital readers to explore the works of the world's greatest artists in comprehensive detail This volume presents the intimate beauty of the art of the Dutch master Johannes Vermeer Although relatively unknown for two centuries Vermeer's works are now prized among the most valuable in the world And now you can own all of them in stunning colour on your eReader Features the complete paintings of Johannes Vermeer includes previously lost works with annotations concise introductions to the paintings giving valuable contextual information learn the secrets of the ALLEGORY OF HISTORY THE MILK MAID and the interesting histories of stolen works beautiful detail images allowing you to explore Vermeer's masterpieces as though in the gallery images of other works and media texts relating to Vermeer's works a brief biography of the artist hundreds of images in stunning colour highly recommended for tablets iPhone iPad users or as a valuable reference tool on traditional eReaders UPDATED with larger images Please visit www.delphiclassics.com for more information and to browse our range of titles CONTENTS Brief Biography The Paintings CHRIST IN THE HOUSE OF MARTHA AND MARY ST PRAXEDIS DIANA AND HER COMPANIONS THE PROCURESS A GIRL ASLEEP GIRL READING A LETTER AT AN OPEN WINDOW THE LITTLE STREET OFFICER AND LAUGHING GIRL THE MILKMAID THE GLASS OF
