Department of Printed Books,1885 Under the Starry Flag Lucy E. Salyer,2018-10-15 In 1867 forty Irish Americans sailed for Ireland to fight against British rule Claiming that emigrants to America remained British citizens authorities arrested the men for treason sparking a crisis and trial that dragged the U S and Britain to the brink of war Lucy Salyer recounts this gripping tale a prelude to today s immigration battles **The Publishers Weekly** ,1905 **Six Encounters with Lincoln** Elizabeth Brown Pryor,2018-02-06 Winner of the Barondess Lincoln Award from The Civil War Round Table of New York Fascinating reading this book eerily reflects some of today s key issues The New York Times Book Review From an award winning historian an engrossing look at how Abraham Lincoln grappled with the challenges of leadership in an unruly democracy An awkward first meeting with U S Army officers on the eve of the Civil War A conversation on the White House portico with a young cavalry sergeant who was a fiercely dedicated abolitionist A tense exchange on a navy ship with a Confederate editor and businessman In this eye opening book Elizabeth Brown Pryor examines six intriguing mostly unknown encounters that Abraham Lincoln had with his constituents Taken together they reveal his character and opinions in unexpected ways illustrating his difficulties in managing a republic and creating a presidency Pryor probes both the political demons that Lincoln battled in his ambitious exercise of power and the demons that arose from the very nature of democracy itself the clamorous diversity of the populace with its outspoken demands She explores the trouble Lincoln sometimes had in communicating and in juggling the multiple concerns that make up being a political leader how conflicted he was over the problem of emancipation and the misperceptions Lincoln and the South held about each other Pryor also provides a fascinating discussion of Lincoln s fondness for storytelling and how he used his skills as a raconteur to enhance both his personal and political power Based on scrupulous research that draws on hundreds of eyewitness letters diaries and newspaper excerpts Six Encounters with Lincoln offers a fresh portrait of Lincoln as the beleaguered politician who was not especially popular with the people he needed to govern with and who had to deal with the many critics naysayers and dilemmas he faced without always knowing the right answer What it shows most clearly is that greatness was not simply laid on Lincoln s shoulders like a mantle but was won in fits and starts **Alphabetical Finding List** Princeton University. national elections and public life and culture have been shaped by debate over the past century Scalmer presents an eloquent study of how stumping careers were made sustained remembered and exploited to capture the complex rhythms of political change over the years *On the Stump* examines the distinctive dramatic and performative styles of celebrity orators including Davy Crockett Henry Clay and William Gladstone Ultimately Scalmer recovers the history of the stump speech and its historical significance in order to better understand how political change is forged *Music in Ohio* William Osborne,2004 Music has played an important role in Ohio's cultural vitality This work offers a comprehensive look at music as it has been practised in Ohio from the 18th century onwards from folk to jazz to rock to the polka It also examines the music of the Moravians Mormons and Welsh *Lincoln's Other White House* Elizabeth Smith Brownstein,2005-08-01 The Lincolns spent the summer of 1862 north of the White House at the Soldiers Home The lush cool hill overlooking the squalid capital promised the Lincolns an escape from the city of stink Despite fears about Lincoln's vulnerability in the secluded place Lincoln spent a quarter of his presidency at the Soldiers Home But until the National Trust for Historic Preservation began restoring the cottage little had been done to explore this missing link in Lincoln's life Elizabeth Smith Brownstein fills in a critical gap Using diaries letters and eyewitness accounts she provides unusual perspectives on Lincoln's relationships traces the evolution of Lincoln's image examines the Lincoln marriage and more Lincoln's Other White House is a vivid evocation of a turbulent era and an intimate portrait of the still elusive president **The Nation** ,1875 *American Humor* Arthur Power Dudden,1989 Originally appearing as an issue of *American Quarterly* these essays take a close look at American humor from revolutionary times to the present day focusing in particular on the neglected trends of the past fifty years
