The Conquest Of Copper Mountain:

The Conquest of Copper Mountain Forbes Wilson, 1981 The Politics of Power Denise Leith, 2002-10-31 Even as Major General Suharto consolidated his power in the bloodletting of the mid sixties Freeport McMoRan the American transnational mining company signed a contract with the new military regime the first foreign company to do so Today in the isolated jungles of West Papua a region that is increasingly restive under Indonesian rule Freeport lays claim to the world's largest gold mine and one of its richest and most profitable copper mines This volume is the first major analysis of the company's presence in Indonesia It takes a close and detailed look at the changing nature of power relations between Freeport and Suharto the Indonesian military the traditional landowners the Amungme and Kamoro and environmental and human rights groups It examines how and why an American company despite such rigorous home state laws was able to operate in West Papua with impunity for nearly thirty years and adapt to indeed thrive in a business culture anchored in corruption collusion and nepotism **Standing on the Shoulders of Giants** Wardiman Djojonegoro, 2019-10-28 I'm happy to have been a part of history however small my role was The words of Wardiman Djojonegoro reveal Indonesian history the way only a man who worked alongside Ali Sadikin B J Habibie and Soeharto can The modest 85 year old a former education minister and current foundation chairman at the Habibie Center recalls the younger days of a big village Jakarta and says it was the country's third president who taught him the keys to national development This is what Peter Zack a reporter for the Jakarta Globe wrote on 18 April 2009 In the present English translation of his 2014 memoir Standing on the Shoulders of Giants Reminiscences of Working with Three Great Indonesians 1966-1998 Wardiman invites us to take a walk down memory lane and in so doing he tells us something about his life and career as well as sharing his thoughts on a lifetime of public service under three great Indonesians He also tells us about his secrets of how to age gracefully and his thoughts on the future of Indonesian education The book's core theme can be summed up in his reply to a high school student who asked him about the key to his lifetime success Wherever you are placed do your best **Ski**, 1979-10 Between the Tides David Pickell, 2003-04-15 Featuring hundreds of original color photographs this fascinating study of New Guinea chronicles the rituals and daily life of this remote and culturally rich region Between the Tides offers a compelling mix of New Guinean storytelling history natural history politics and culture David Pickell brings warmth and intelligence to his subject and Kal Muller's photographs are surprising and evocative Together author and photographer show how an isolated nomadic past meets a worldly urban future history confronts superstition and a false and imposed sense of shame yields to a new and still fragile pride Their journey took them from the dusty New Guinea frontier town of Timika to tiny Lakahia island along two hundred miles of twisting mangrove creeks and the relentlessly uncooperative Arafura sea What they found was a culture facing the delicate sometimes humorous occasionally painful and always interesting process of change **Pitfall** Christopher Pollon, 2024-01-30 A compelling investigation into the global race to exploit our world's dwindling natural
