The Construction of Madness Peter A. Magaro, 1976-01-01 *The Construction of Madness*, 1976* *The Biblical Counseling Movement after Adams* (Foreword by David Powlison) Heath Lambert, 2011-11-02 People inside and outside of the biblical counseling movement recognize differences between the foundational work of Jay Adams and that of current thought leaders such as David Powlison But as any student or teacher of the discipline can attest those differences have been ill defined and largely anecdotal until now Heath Lambert the first scholar to analyze the movement's development from within shows how biblical counseling emerged from and remains rooted in a commitment to the sufficiency of Scripture and the need to give practical help to struggling people He identifies contemporary leaders including Powlison Ed Welch Paul Tripp and Wayne Mack who emphasize the sinner as sufferer the heart as key to motivation and the need to interact humbly with critics Demonstrating how these refinements in framework methodology and engagement style are characteristic of a second generation of biblical counselors Lambert contends this new wave of counselors is now increasingly balanced in their counseling methods With a substantial foreword from David Powlison and strong support from prominent biblical counselors this book will help all Christians interested in the fundamentally theological task of counseling to think carefully and biblically about how it is taught and practiced *The Biblical Counseling Movement* David Powlison, 2010-02-12 Beginning in the late 1960s a biblical counseling movement sought to reclaim counseling for the church and provide a Christian alternative to mainstream psychiatry and psychotherapy *The Biblical Counseling Movement History and Context* is an informative and thought provoking account of that movement David Powlison's historical account Applying the Assessment Center Method Joseph L.
