The Container Garden Month By Month:

The Container Garden Month-by-Month Jackie Bennett,1997-03 Enjoy colorful plants every month of the year indoors or out with this valuable handbook that organizes container gardening in a simple seasonal progression Each of the twelve chapters shows half a dozen or more plants in numerous variations that will bloom most effectively in a given month as well as how and when to plant and care for them Because container gardens are self contained you can grow acid loving plants in an alkaline area shady plants in a sunny climate and warm weather plants in cold parts of the country the choices of plants are much greater than for conventional gardening and the tips offered here show you how to make the most of these advantages The containers themselves add much to the charm as you can select from a wide variety of pots hanging baskets and window boxes or use your imagination to make your own containers from almost anything that will hold dirt and filter water Full color photos show you dramatic plantings for each month

Container Gardening Month by Month Gloria Daniels,2014 Successfully maintain your container gardens using professional landscapers secret methods Do you love container gardening but have a difficult time keeping everything looking great Do you often wonder what you should be doing when so that everything is on schedule and all parts are working together to create a beautiful picture Do you envy people in your neighborhood that always seem to have their garden containers looking their professional best Then this is the book for you Container gardening is gardening at its most versatile One of its main advantages is its mobility Plants not doing well Maybe they prefer shade Having a party Move some garden containers onto the patio or deck for instant color Tired of the view and want a change Move your garden containers around to provide a fresh new look to your outdoor living area Whether you are growing plants in hanging baskets tubs window boxes or other containers this hobby is immensely gratifying If you are new to container gardening and buy your containers pre planted you get a sense of instant gratification and fulfillment It won t be long however before you are hit with the gardening virus and you ll find yourself expanding to one more pot and then again one more container Before you know it the urge to plant and nurture will take over At this point you need a garden plan for your container garden Use this monthly container gardening checklist to keep your containers at peak performance When do I plant spring bulbs in containers When do I perk up my annual plantings with some new varieties What do I do with container plants I want to save over winter These and many other questions are answered in this container gardening book At the beginning of the month check out the tasks and tips on the schedule You may find items you never thought of and may also learn techniques used by professional gardeners and landscapers that will make your container gardens the envy of the neighborhood
