**Practical general continental guide, by an Englishman abroad [A.T. Gregory]. Special ed. Anglo-Amer**  
Alexander Tighe Gregory,1883      **The Continental Renaissance, 1500-1600** A. J. Krailsheimer,W. A. Coupe,R. W. Truman,1971      Parody and Festivity in Early Modern Art David R. Smith,2017-07-05 Dwelling on the rich interconnections between parody and festivity in humanist thought and popular culture alike the essays in this volume delve into the nature and the meanings of festive laughter as it was conceived of in early modern art The concept of carnival supplies the main thread connecting these essays Bound as festivity often is to popular culture not all the topics fit the canons of high art and some of the art is distinctly low brow and occasionally ephemeral themes include grobianism and the grotesque scatology popular proverbs with ironic twists and a wide range of comic reversals some quite profound Many hinge on ideas of the world upside down Though the chapters most often deal with Northern Renaissance and Baroque art they spill over into other countries times and cultures while maintaining the carnivalesque air suggested by the book's title      *King's College Chapel, Aberdeen, 1500-2000* Jane Geddes,2020-10-28 This new edition is a revised and expanded version of the book produced in 2000 to celebrate the quincentenary of King's College Chapel Aberdeen Since then exciting discoveries have taken place and old ideas have been reappraised The choir stalls and woodwork have provided a fresh seam of information about the meaning and use of the medieval chapel Daniel MacCannell has identified new iconography in the stalls Jane Geddes prompted by the installation of the new organ has investigated the original function and appearance of the great pulpitum or screen between the choir and nave and discovered the location of a magnificent lost organ loft Mary Pryor and John Morrison have examined the great baroque biblical paintings and come up with a totally new interpretation of their iconography and function a political warning to King Charles II Easter Smart the university chaplain describes the flexible and ecumenical use of the chapel today The revised edition appears in time to honour the quincentenary of the death of Bishop William Elphinstone the founder of Aberdeen University who died in 1514 This book aims to integrate his legacy to the chapel the liturgy music architecture and fittings Thanks to an unusually tolerant and conservative attitude towards religion at the university following the Reformation the chapel has survived in a more complete medieval state than any other church in Scotland The rich archive of university documents show how benign neglect and a fierce pride in their iconic building caused the university to maintain the structure and its furnishings even during the long centuries when it ceased to serve a religious function      **Luther and German Humanism** Lewis W. Spitz,2024-10-28 The particular interest of Professor Spitz has been the close relationship and synergy between humanism and religious reform in the transformation of European culture in the 16th century Within the general cultural and intellectual context of the Renaissance and Reformation movements the present volume focuses on Luther and German humanism a subsequent collection looks more particularly at the place of education and history in the thought of the time The articles here discuss Luther's imposing knowledge of the

classics his attitudes towards learning the religious and patriotic interests of the humanists and the role of a younger generation of humanists in the Reformation Also included is a far reaching appraisal of the impact of humanism and the Reformation on Western history **Juan Huarte de San Juan** Malcolm Kevin Read,1981 [Ancient Greek Myth in Modern Greek Poetry](#) Peter Mackridge,2023-03-31 Originally published in 1996 this volume contains essays by scholars critics and translators and includes themes such as the myth in the Cretan Renaissance and the use of ancient myth by 19th and 20th Century poets Some essays deal with individual mythical figures such as Odysseus Orpheus Prometheus and Aphrodite while others deal with the problematic issue of the use of myth by Greek women poets The discussion is completed by comparing attitudes to the ancient Greeks as embodied in English and modern Greek poetry **C.R.I.S.** ,1977
