The Dance Of 17 Lives:

The Dance of 17 Lives Mick Brown, 2008-12-06 An escape that for drama and daring makes most Hollywood fare pale by comparison Brown's neutral journalistic tone is useful for reporting so much that seems incredible Washington Post The 17th Karmapa one of the holiest figures in Tibetan Buddhism arrived in Dharmasala as a 14 year old boy in 2000 after an extraordinary escape across the Himalayas Fascinated by this charismatic young figure Mick Brown traveled to meet him and found himself drawn into the labyrinthine web of intrigue surrounding the 17th Karmapa's recognition and early life Mick Brown is the author of four previous books and has written extensively about music movies and religion Born in London he is a freelance journalist and broadcaster Intelligent and well written superbly accessible Far from being a mere report on the 17th Karmapa and his exodus this is an excellent history of modern Tibetan Buddhism on a broad scale Publishers Weekly starred review Tangled rumors rivalries among lamas a secret letter gnarled court cases and violence all feature in this complex and startling tale Brown's informative and frank portrait of the courageous young lama conveys the power of Tibetan Buddhism and the blight of theological politics Booklist

The Dance of 17 Lives Mick Brown, 2010-11-15 In January 2000 two Ambassador taxis twisted their way up the narrow road leading towards Dharmasala in the Himalayan foothills of northern India the home in exile of the Dalai Lama In one taxi was a fourteen year old boy the 17th Karmapa one of the most important figures in Tibetan Buddhism The boy's arrival in Dharmasala was the culmination of an extraordinary escape which had brought him 900 miles across the Himalayas in conditions of high danger from the monastery in Tibet where he had lived since he was seven years old Fascinated by this charismatic young figure Mick Brown travelled to Dharmasala to meet him and found himself drawn into the labyrinthine not to say surreal web of intrigue surrounding the 17th Karmapa's recognition and young life

The Life of the Sixteenth Karmapa Rangjung Rigpe Dorje Meng Wang, 2022-11-08 The Sixteenth Karmapa Rangjung Rigpe Dorje was the first Tibetan Buddhist leader to make extensive teaching tours to the West His three tours to Europe and North America from 1974 to 1980 led to the global expansion of Tibetan Buddhist schools This book presents the most in depth analysis of the Karmapa's contribution to the preservation and transmission of Tibetan Buddhism in exile It is the first study to combine Tibetan life writing and biographical materials in English with a thorough examination of the transformation of Tibetan Buddhism in the modern era of globalization Drawing on a wide range of data from written accounts collections of photographs recordings of interviews and documentaries the author discusses the life and activity of the Karmapa through the lens of cross cultural interaction between Buddhism and the West with a particular focus on Asian agency The study shows that the Karmapa's transmission strategies emphasized continuity with tradition with some openness for adaptation His traditionalist approach and his success on the global scale challenge the popular assumption that the transmission of Buddhism is primarily a matter of Westernization which in turn calls for a broader view that recognizes its complex and dynamic nature

Hierophantic Landscapes Richard

Leviton,2011-09-26 The Earth is poised to make a great disclosure Its a hierophant But whats a hierophant A person who reveals the holy light But it can also be a landscape or a planet And whats the holy light It is the structure of reality and consciousness a map of the heavenly realms the engineering blueprint of Creation Some people call this imminent disclosure the Apocalypse and run for cover But that is mistaken Apocalypse means the revelation of the divine revelation It means the end of our picture of the world as we know it The world itself will be fine even better than fine Splendid Illumined The Architect of reality lays down His cards face up and you see the whole deck Here is the truth of yourself and the Earth How will this disclosure work What we call sacred sites and holy landscapes will start revealing themselves in full to us in all their geomantic and visionary richness Thats the inner patterning of their design their arrays of Light temples and subtle palaces primed for our visionary adventures and edification The Earth needs us to have these adventures and visions because thats how we keep the planet healthy Hierophantic Landscapes visits five landscapes from Norway and England to California and Mexico providing firsthand reports on the visions and adventures of a small band of geomancers as they seek to unravel the mysteries of the Earth Maybe not such a small band because along the way we encounter angels landscape devas Nature Spirits and otherworldly mentors and revel in vistas of the ancient past of the Earth when that revelation was as fresh as a sunrise as it will soon be again

The Tibetan Government-in-Exile Stephanie Römer,2008-05-15 This book provides a detailed account of the structure and political strategies of the Tibetan government in exile the Central Tibetan Administration CTA in northern India Since its founding in 1959 it has been led by the 14th Dalai Lama who struggles to regain the Tibetan homeland Based on a theoretical approach on exile organizations and extensive empirical studies in Asia this book discusses CTA s political strategies to gain national loyalty and international support in order to secure its own organizational survival and the ultimate goal the return to Tibet The book is organized around the two fundamental questions firstly how the CTA fosters its claims to be the sole representative of all Tibetans over the last decades in exile and secondly which policies have been carried out in order to regain the homeland The book is divided into four substantial chapters the historical background providing a review of pre 1959 political Tibet a theoretical section which covers the critical position of exile organizations an examination of the exile Tibetan community and government from the early years an analysis of crucial CTA policies Innovative and unique this book combines a political science approach with Tibetan studies to analyse exile Tibetan politics in particular and exile governments in general
