Dance and American Art Sharyn R. Udall, 2012-06-19 From ballet to burlesque from the frontier jig to the jitterbug Americans have always loved watching dance whether in grand ballrooms on Mississippi riverboats or in the streets *Dance and American Art* is an innovative look at the elusive evocative nature of dance and the American visual artists who captured it through their paintings sculpture photography and prints from the early nineteenth century through the mid twentieth century The scores of artists discussed include many icons of American art Winslow Homer George Caleb Bingham Mary Cassatt James McNeill Whistler Alexander Calder Joseph Cornell Edward Steichen David Smith and others As a subject for visual artists dance has given new meaning to America s perennial myths cherished identities and most powerful dreams Their portrayals of dance and dancers from the anonymous to the famous Anna Pavlova Isadora Duncan Lo e Fuller Josephine Baker Martha Graham have testified to the enduring importance of spatial organization physical pattern and rhythmic motion in creating aesthetic form Through extensive research sparkling prose and beautiful color reproductions art historian Sharyn R Udall draws attention to the ways that artists portrayals of dance have defined the visual character of the modern world and have embodied culturally specific ideas about order and meaning about the human body and about the diverse fusions that

comprise American culture **Time and the Rhythms of Emancipatory Education** Michel Alhadeff-Jones, 2016-10-26
 Time and the Rhythms of Emancipatory Education argues that by rethinking the way we relate to time we can fundamentally rethink the way we conceive education Beyond the contemporary rhetoric of acceleration speed urgency or slowness this book provides an epistemological historical and theoretical framework that will serve as a comprehensive resource for critical reflection on the relationship between the experience of time and emancipatory education Drawing upon time and rhythm studies complexity theories and educational research Alhadeff Jones reflects upon the temporal and rhythmic dimensions of education in order to re theorize and address current societal and educational challenges The book is divided into three parts The first begins by discussing the specificities inherent to the study of time in educational sciences The second contextualizes the evolution of temporal constraints that determine the ways education is institutionalized organized and experienced The third and final part questions the meanings of emancipatory education in a context of temporal alienation This is the first book to provide a broad overview of European and North American theories that inform both the ideas of time and rhythm in educational sciences from school instruction curriculum design and arts education to vocational training lifelong learning and educational policies It will be of key interest to academics researchers and postgraduate students in the fields of philosophy of education sociology of education history of education psychology curriculum and learning theory and adult education The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license **Indians and Wannabes** Ann M. Axtmann, 2013-12-10 Colloquially the term powwow refers to a meeting where important matters will be discussed However at the thousands of Native American intertribal dances that occur every year throughout the United States and Canada a powwow means something else altogether Sometimes lasting up to a week these social gatherings are a sacred tradition central to Native American spirituality Attendees dance drum sing eat re establish family ties and make new friends In this compelling interdisciplinary work Ann Axtmann examines powwows as practiced primarily along the Atlantic coastline from New Jersey to New England She offers an introduction to the many complexities of the tradition and explores the history of powwow performance the variety of their setups the dances themselves and the phenomenon of playing Indian Ultimately Axtmann seeks to understand how the dancers express and embody power through their moving bodies and what the dances signify for the communities in which they are performed *The SAGE Handbook of Geographical Knowledge* John A Agnew, David N Livingstone, 2011-02-17 A refreshingly innovative approach to charting geographical knowledge A wide range of authors trace the social construction and contestation of geographical ideas through the sites of their production and their relational geographies of engagement This creative and comprehensive book offers an extremely valuable tool to professionals and students alike Victoria Lawson University of Washington A Handbook that recasts geograph s history in original thought provoking ways Eschewing the usual chronological march through leading figures and

Masculinities and the Adult Male Prison Experience Jennifer Anne Sloan, 2016-05-18 This book critically analyses how men in prison act out their masculine identities It considers how men negotiate their time in prison which can involve being placed into a feminine position relative to other men and particularly looks at the subversion of heteronormative gender positionings through bodies spaces time and relationships Vulnerability is also taken as a key consideration and men are shown to act out their masculinities for the benefit of an audience that matters to them However that audience is shown to be subject to change at any point in time Using extensive ethnographic data

drawn from adult male prisoners the book adopts the viewpoint of the individual prisoner as a frame to consider masculinity It also advances ethnographic research in criminology by reflecting upon the identity of researchers in prisons particularly the female researcher's gendered identity in such environments It will be of great interest to scholars of penology gender and ethnography *Four Thousand Weeks* Oliver Burkeman, 2021-08-10 AN INSTANT NEW YORK TIMES BESTSELLER Provocative and appealing well worth your extremely limited time Barbara Spindel The Wall Street Journal The average human lifespan is absurdly insultingly brief Assuming you live to be eighty you have just over four thousand weeks Nobody needs telling there isn't enough time We're obsessed with our lengthening to-do lists our overfilled inboxes work-life balance and the ceaseless battle against distraction and we're deluged with advice on becoming more productive and efficient and life hacks to optimize our days But such techniques often end up making things worse The sense of anxious hurry grows more intense and still the most meaningful parts of life seem to lie just beyond the horizon Still we rarely make the connection between our daily struggles with time and the ultimate time management problem the challenge of how best to use our four thousand weeks Drawing on the insights of both ancient and contemporary philosophers psychologists and spiritual teachers Oliver Burkeman delivers an entertaining humorous practical and ultimately profound guide to time and time management Rejecting the futile modern fixation on getting everything done *Four Thousand Weeks* introduces readers to tools for constructing a meaningful life by embracing finitude showing how many of the unhelpful ways we've come to think about time aren't inescapable unchanging truths but choices we've made as individuals and as a society and that we could do things differently **Domestic Architecture and the Use of Space** Susan Kent, 1993-06-25 Domestic Architecture and the Use of Space investigates the relationship between the built environment and the organisation of space The contributors are classical and prehistoric archaeologists anthropologists and architects who from their different backgrounds are able to provide some important and original insights into this relationship *In the Meantime* Sarah Sharma, 2014-02-07 Based on ethnographic research with taxi drivers frequent flyer business travelers devotees of the slow food and slow living movements and others Sarah Sharma argues that people's relations to labor shape their experiences of time Improvised Dance Nalina Wait, 2023-04-14 This book elucidates the technical aspects of improvised dance performance and reframes the notion of labour in the practice from one that is either based on compositionally formal logic or a mysterious impulse to one that addresses the in corporeal dimensions of practice Mobilising the languages and conceptual frameworks of theories of affect embodied cognition somatics and dance this book illustrates the work of specialist improvisers who occupy divergent positions within the complex field of improvised dance It offers an alternative narrative of the history and current practice of Western improvised dance centred on the epistemology of its in corporeal knowledges which are elusive yet vital to the refinement of expertise Written for both a disciplinary specific and interdisciplinary audience this book will interest dance scholars students and practising artists **Proceedings of the 1990 Academy of Marketing Science (AMS) Annual**

The Top Books of the Year The Dance Of Life The Other Dimension Of Time The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have charmed audiences this year. The Dance Of Life The Other Dimension Of Time : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. The Dance Of Life The Other Dimension Of Time : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. The Dance Of Life The Other Dimension Of Time : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
