The Dark Horseman:

The Dark Horseman Marianne Harvey, 1978 *The Dark Horseman* Monica Blake, 1977 **The dark horseman** Jackson Budd (pseud. [i.e. William John Budd.]), 1939 **Song of the Dark Man** Darragh Mason, 2024-08-06 Explains the Dark Man phenomenon through centuries old folklore and mythology testimony from British witch trials and modern accounts Challenges the simplistic concept of the Devil as evil explaining how encounters with this entity can reveal one's life purpose and how the Dark Man can be an initiator into witchcraft Presents interviews with those who have witnessed the Dark Man firsthand offering insights into how he can serve as a guide to a more positive life From the forteen phantoms that terrorized Victorian England to the haunted crossroads of the Irish hinterlands the Devil also known as the Dark Man has found countless novel ways to influence culture and bring us face to face with our fears Tracing this enigmatic entity through the centuries via mythology folklore occult writings and modern accounts Darragh Mason shows how the Dark Man is more than just a myth he is a real presence in our world Drawing on Irish manuscripts dating back to the 12th century testimony from 17th century Scottish witches his own experiences and interviews with contemporary witches and mystics Mason builds the case for the pattern of the Dark Man phenomenon showing what his presence can mean what it's like for those who experience him and how his appearance serves as a calling to the path of witchcraft In doing so Mason challenges conventional understandings of the Dark Man as an evil presence emphasizing his role in questioning authority and liberating individuals from the confines of strict social convention He shows how the Dark Man's presence serves as a potent illustrator of the battles between light and dark But Mason emphasizes these stories of the Dark Man are not necessarily just folktales Sharing a series of interviews with contemporary figures including Orion Foxwood and Peter Grey who speak of the nature of this spirit and their experiences with him the author illustrates how encounters with the Dark Man can challenge you to make changes often painful ones and how if you meet his challenges you may be bestowed with mystical gifts and initiated into witchcraft Ultimately Mason shows how the Dark Man may be a liberating figure if one faces him and moves beyond the fear he can open the door to a richer more fulfilling and more magical life **The Dark Horse** Marcus Sedgwick, 2007-12-18 SIG IS A boy in a coastal tribe the Storn long ago in a Northern land On the day of the wolf hunt the life of the tribe changes forever for Sig rescues a small girl more like the wolves who shelter her than a human Sig's family adopts her and names her Mouse and he becomes a loyal brother to this girl with mysterious powers and a secret past The shocking discovery of Mouse's true identity brings to life a terrifying legend and leads to war betrayal and Sig's coming of age as he finds the wit and courage to save his tribe Like an ancient cave painting come to life Sedgwick's tale of dark enchantment depicts a primitive tribe in a north country Publishers Weekly Starred Will find a solid readership among historical fiction fans thanks to the fast pace hint of magic and satisfyingly enigmatic conclusion Booklist Employing a lean narrative voice and writing in short chapters that encourage page turning Sedgwick draws readers along rich involving and
