History of the Federation of Rhodesia and Nyasaland 1953 1963 1983 and So Far and No Further Rhodesia's bid for independence during the retreat from empire 1959 1965 2005 Of So Far Michael Hartnack wrote that Once in a lifetime comes a book which must force a total shift in the thinking person's perception of an epoch and of all the prominent characters who featured in it A Matter of Weeks Rather than Months recounts the action and reaction to Ian Smith's unilateral declaration of Rhodesia's independence the second such declaration since the American one of 1776 It examines the dilemmas of both sides Smith's problem was how to legitimise his rebellion to secure crucial investment capital markets trade and more His antagonist the British Prime Minister Harold Wilson was determined not to transfer sovereignty until Rhodesia accepted African majority rule in common with the rest of Africa Given British feelings for their Rhodesian kith and kin and Rhodesia's landlocked position Wilson eschewed the use of force He could only impose sanctions but hoped they would defeat Smith in a matter weeks rather than months The Rhodesians however evaded the sanctions with such success that they forced Wilson to negotiate a settlement Negotiations were nevertheless doomed because the self-confident Rhodesians would not accept a period of direct British rule while rapid progress to majority rule was made or the imposition of restraints on powers they had possessed since gaining self government in 1923 In tune with their allies in the African National Congress of South Africa the Rhodesian or Zimbabwean African nationalists had already adopted the Marxist concept of the Armed Struggle as a means to power Sponsored by the Communist Bloc its surrogates and allies they began a series of armed incursions from their safe haven in Zambia Although bloodily and easily repulsed they would learn from their mistakes as the Rhodesian forces would discover in the 1970s Consequently this is a tale of sanctions negotiations and counter insurgency warfare **Mealworms** ,1971 **Leaflet** United States.
