The Daughter Of Incest:

The Daughter of Incest Josefina Torres Torres, 1993-09-01 **Father-Daughter Incest** Judith Lewis Herman, Lisa Hirschman, 2012-11 Through an intensive clinical study of forty incest victims and numerous interviews with professionals in mental health child protection and law enforcement Judith Herman develops a composite picture of the incestuous family In a new afterword Herman offers a lucid and thorough overview of the knowledge that has developed about incest and other forms of sexual abuse since this book was first published Reviewing the extensive research literature that demonstrates the validity of incest survivors sometimes repressed and recovered memories she convincingly challenges the rhetoric and methods of the backlash movement against incest survivors and the concerted attempt to deny the events they find the courage to describe **Father-Daughter Incest** Judith Lewis Herman, 2012-10-01 Through an intensive clinical study of 40 incest victims and numerous interviews with professionals in mental health child protection and law enforcement Herman develops a composite picture of the incestuous family In a new afterword she offers an overview of knowledge that has developed about sexual abuse since this book was first published Unspeakable Lynn Sacco, 2009-08-17 First place Large Nonprofit Publishers Illustrated Covers 2010 Washington Book Publishers Named one of the Top Five Books of 2009 by Anne Grant The Providence Journal This history of father daughter incest in the United States explains how cultural mores and political needs distorted attitudes toward and medical knowledge of patriarchal sexual abuse at a time when the nation was committed to the familial power of white fathers and the idealized white family For much of the nineteenth century father daughter incest was understood to take place among all classes and legal and extralegal attempts to deal with it tended to be swift and severe But public understanding changed markedly during the Progressive Era when accusations of incest began to be directed exclusively toward immigrants blacks and the lower socioeconomic classes Focusing on early twentieth century reform movements and that era s epidemic of child gonorrhea Lynn Sacco argues that middle and upper class white males too molested female children in their households even as official records of their acts declined dramatically Sacco draws on a wealth of sources including professional journals medical and court records and private and public accounts to explain how racial politics and professional self interest among doctors social workers and professionals in allied fields drove claims and evidence of incest among middle and upper class white families into the shadows The new feminism of the 1970s she finds brought allegations of father daughter incest back into the light creating new societal tensions Against several different historical backdrops public accusations of incest against genteel men in the nineteenth century the epidemic of gonorrhea among young girls in the early twentieth century and adult women s incest narratives in the mid to late twentieth century Sacco demonstrates that attitude shifts about patriarchal sexual abuse were influenced by a variety of individuals and groups seeking to protect their own interests **Fathers and Daughters in the Hebrew Bible** Johanna Stiebert, 2013-03-28 The father daughter dyad features in the Hebrew Bible in all of narratives laws myths and metaphors In previous explorations of

this relationship the tendency has been to focus on discrete stories notable among them Judges 11 the story of Jephthah's human sacrifice of his daughter and Genesis 19 the dark tale of Lot's daughters seduction of their father By taking the full spectrum into account however the daughter emerges prominently as not only expendable and exploitable as an emphasis on daughter sacrifice or incest has suggested but as cherished and protected by her father Depictions of daughters are multifarious and there is a balance of very positive and very negative images While not uncritical of earlier feminist investigations this book makes a contribution to feminist biblical criticism and utilizes methods drawn from the social sciences and psychoanalysis Alongside careful textual analysis Johanna Stiebert offers a critical evaluation of the heuristic usefulness of the ethnographic honour shame model of parallels with Roman family studies and of the application and meaning of patriarchy Following semantic analysis of the primary Hebrew terms for father and daughter as well as careful examination of inter family dynamics and the daughter's role vis vis the son's alongside thorough investigation of both Judges 11 and Genesis 19 and also of the metaphor of God the father of daughters Eve Wisdom and Zion Stiebert provides the fullest exploration of daughters in the Hebrew Bible to date

Re-covering the Daughter's Nakedness Madeline Gay McClenney-Sadler, 2007-08-10 In order to assess the purpose and function of the incest narratives in the Pentateuch and the incest prohibitions of Leviticus 18 McClenney Sadler's book offers a formal examination of ancient Israelite kinship terminology A formal analysis of kinship terms is a method employed by ethnographers to compare the kinship system of any given society with one of the six conventionally recognized kinship systems worldwide *FBI Law Enforcement Bulletin*, 1984 *The Daughter's Way* Tanis MacDonald, 2012-09-01 *The Daughter's Way* investigates negotiations of female subjectivity in twentieth century Canadian women's elegies with a special emphasis on the father's death as a literary and political watershed The book examines the work of Dorothy Livesay P K Page Jay Macpherson Margaret Atwood Kristjana Gunnars Lola Lemire Tostevin Anne Carson and Erin Mour as elegiac daughteronomies literary artifacts of mourning that grow from the poets investigation into the function and limitations of elegiac convention Some poets treat the father as a metaphor for socio political power while others explore more personal iterations of loss but all the poets in *The Daughter's Way* seek to redefine daughterly duty in a contemporary context by challenging elegiac tradition through questions of genre and gender Beginning with psychoanalytical theories of filiation inheritance and mourning as they are complicated by feminist challenges to theories of kinship and citizenship *The Daughter's Way* debates the efficacy of the literary work of mourning in twentieth century Canadian poetry By investigating the way a daughter's filial piety performs and sometimes reconfigures such work and situating melancholia as a creative force in women's elegies the book considers how elegies inquire into the rhetoric of mourning as it is complicated by father daughter kinship *Domestic Crimes, Family Violence and Child Abuse* R. Barri Flowers, 2000-07-10 Evidence suggests that some forms of domestic crimes are growing at an alarming rate An epidemic of violence and maltreatment within the home and between intimates exists often as part of an

interrelated cycle abuse victim becomes violent abuser This book will be of interest to educators students and professionals in the fields of child health and welfare criminal justice women s studies gerontology sociology and related areas Part I is an introduction on domestic criminality that includes an historical review demographic studies and a discussion of medical treatments for victims Issues such as domestic fatalities battered women and men conjugal rape and abuse of elders are covered in Part II An examination of child maltreatment by neglect and sexual abuse is discussed in Part III and symptoms of domestic criminality are covered in Part IV Part V addresses theories causes and explanations of domestic violence attempting to bridge gaps between existing studies The characteristics of incarcerated domestic criminals are reviewed in Part VI a discussion of efforts to help victims and decrease the level of domestic violence is provided in Part VII Notes suggested additional readings and a bibliography are included

Fathers and Daughters in Shakespeare and Shaw Lagretta Lenker, 2001-04-30 How can the most silent member of the family carry the message of subversion against venerated institutions of state and society Why would two playwrights writing 300 years apart employ the same dramatic methods for rebelling against the establishment when these methods are virtually ignored by their contemporaries This book considers these and similar questions It examines the historical similarities of the eras in which Shakespeare and Shaw wrote and then explores types of father daughter interactions considering each in terms of the existing power structures of society These two dramatists draw on themes of incest daughter sacrifice role playing education and androgyny to create both active and passive daughters The daughters literally represent a challenge to the patriarchy and metaphorically extend that challenge to such institutions as church and state The volume argues that the father daughter relationship was the ideal dramatic vehicle for Shakespeare and Shaw to advance their social and political agendas By exploring larger issues through the father daughter relationship both playwrights were able to avoid the watchful eyes of censors and comment on such topics as the divine right of kings filial bonds of obedience and even regicide

Forensic and Medico-legal Aspects of Sexual Crimes and Unusual Sexual Practices Anil Aggrawal, 2008-12-22 From sexual abuse and fetishism to necrophilia and sadomasochism this unique volume identifies fourteen classifications of unusual sexual pathologies Emphasizing the physical and psychological aspects of sexuality itself the book presents detailed comparisons of legal and medical definitions historical aspects current incidence and geographic

Domination And Defiance Diane Elizabeth Dreher, 2021-03-17 Shakespeare was clearly fascinated by the relationship between fathers and daughters for this primal bond of domination and defiance structures twenty one of his comedies tragedies and romances In a conflict that is at once social and interpersonal Shakespeare s fathers demand hierarchical obedience while their daughters affirm the new more personal values upheld by Renaissance humanists and Puritans In her penetrating analysis of this compelling relationship Diane Dreher examines the underlying psychological tensions as well as the changing concepts of marriage and the family during Shakespeare s time She points to the pain and conflict caused by sex role polarization Shakespeare s possessive fathers tyrannize over their daughters

unwilling to relinquish their masculine power and control and leaving these young women with only two alternatives paternal domination or defiance and loss of love The logic of Shakespeare's plays repudiates traditional stereotypes showing how women like Ophelia and Desdemona are destroyed by conforming to the passive Renaissance ideal The book concludes with a consideration of Shakespeare's androgynous characters dynamic women in doublet and hose and fathers who become sensitive caring and empathetic Shakespeare's balanced characters thus reconcile the polarities within themselves and bring greater harmony to their world Domination and Defiance is the first book on this most provocative relationship in Shakespeare Shedding new light on the complex father daughter bond character and motivation it makes a major contribution to literary studies

Kinship in Old Norse Myth and Legend Katherine Marie Olley, 2022 This wide ranging study offers a new understanding of Old Norse kinship in which the individual self was expanded to encompass its kin Family interactions in Old Norse myth and legend were often fraught competitive even violent as well as loving protective and supportive Focusing particularly on intergenerational relationships in the legendary sagas the Poetic Edda and Snorra Edda this book reveals not only why ambivalence was so characteristic of mythic heroic kinship relations but how they were able to endure even thrive in spite of such pressures Close attention is paid to the way gender inflects the dynamic between parents and their children and to the patronymic naming system which prevailed in Old Norse society while outdated assumptions about the existence of a special relationship between a man and his sister's son inherited from earlier Germanic society are reassessed for the first time in decades What emerges from this wide ranging study is a new understanding of Old Norse kinship as a dynamic transpersonal process rather than a presocial fact in which the individual self was expanded to encompass its kin Taking the lead from recent anthropological research into kinship and with exciting implications for our understanding of Old Norse personhood emotions and the life course this book challenges its readers to rethink many of the basic ontological assumptions which they bring to their interpretations of Old Norse myth and legend

Encyclopedia of Domestic Violence Nicky Ali Jackson, 2007-12-11 The Encyclopedia of Domestic Violence is a modern reference from the leading international scholars in domestic violence research The first ever publication of an encyclopedia of domestic violence the principal aim of this title is to provide information on a variety of traditional and breakthrough issues in this complex phenomenon

Encyclopedia of Domestic Violence Nicky Ali Jackson, 2007-12-11 The Encyclopedia of Domestic Violence is a modern reference from the leading international scholars in domestic violence research This ground breaking project has created the first ever publication of an encyclopedia of domestic violence The primary goal of the Encyclopedia is to provide information on a variety of traditional as well as breakthrough issues in this complex phenomenon The coverage of the Encyclopedia is broad and diverse encompassing the entire life span from infancy to old age The entries include the traditional research areas such as battered women child abuse and dating violence However this Encyclopedia is unique in that it includes many under studied areas of domestic violence such as ritual abuse torture within families domestic violence

against women with disabilities pseudo family violence and domestic violence within military families It is also unique in that it examines cross cultural perspectives of domestic violence One of the key special features in this Encyclopedia is the cross reference section at the end of each entry This allows the reader the ability to continue their research of a particular topic This book will be an easy to read reference guide on a host of topics which are alphabetically arranged Precautions have been taken to ensure that the Encyclopedia is not politically slanted rather it is hoped that it will serve as a basic guide to better understanding the myriad issues surrounding this labyrinthine topic Topics covered include Victims of Domestic Violence Theoretical Perspectives and Correlates to Domestic Violence Cross Cultural Perspectives and Religious Perspectives Understudied Areas within Domestic Violence Research Domestic Violence and the Law and Child Abuse and Elder Abuse

Sexual Deviance and Society Meredith G. F. Worthen, 2021-09-30 In a society where sexualized media has become background noise we are frequently discouraged from frank and open discussions about sex and offered few tools for understanding sexual behaviors and sexualities that are perceived as being out of the norm This book encourages readers to establish new ways of thinking about stigmatized people and behaviors and to think critically about gender sex sexuality and sex crimes Sexual Deviance and Society uses sociological theories of crime deviance gender and sexuality to construct a framework for understanding sexual deviance This book is divided into four units Unit I Sociology of Deviance and Sexuality lays the foundation for understanding sex and sexuality through sociological frameworks of deviance Unit II Sexual Deviance provides an in depth dialogue to its readers about the sociological constructions of sexual deviance with a critical focus on contemporary and historical conceptualizations Unit III Deviant Sexual Acts explores a variety of deviant sexual acts in detail including sex in public fetishes and sex work Unit IV Sex Crimes and Criminals examines rape and sexual assault sex crimes against children and societal responses to sex offenders and their treatment within the criminal justice system This revised second edition includes new theoretical approaches such as Norm Centered Stigma Theory expands into new fields of criminology such as queer criminology more deeply discusses nonbinary people s experiences includes updates to the landscape of LGBTQ rights reviews new forms of sexual deviance including incels and revenge porn covers the latest developments in the MeToo movement and expands on the discussion of SM including the Fifty Shades Phenomenon In addition this edition reviews the ever evolving world of sex work and camming by examining how Pornhub OnlyFans and exotic dancers strip clubs have revolutionized sex work during the COVID 19 pandemic Utilizing an integrative approach that creates a dialogue between the subjects of gender sexuality criminology and deviance this book is a key resource for students interested in developing a critical understanding of sex sexuality and sex crime

Strong Mothers, Weak Wives

Miriam M. Johnson, 1988 For years I have been impressed by the originality and insight of Johnson's articles on gender sexuality and male dominance This book continues and expands the excellent quality of the earlier work It provides an original argument about the central structural locus of gender inequality and makes a major advance in its insightful and insistent focus on the role of the father in gender differentiation and sexual dominance It will surely be recognized as a major work of feminist theory Nancy Chodorow author of *The Reproduction of Mothering* This thoughtful and provocative book greatly deepens the debate over the effects of mothers and fathers on their children Arlie Hochschild author of *The Second Shift* Inside the Two Job Marriage

The Daughter Of Incest Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Daughter Of Incest has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Daughter Of Incest has opened up a world of possibilities. Downloading The Daughter Of Incest provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Daughter Of Incest has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access

information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Daughter Of Incest. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Daughter Of Incest. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Daughter Of Incest, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Daughter Of Incest has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
