

The Daughter Of The Manor

Oxford city, St. Mary Magdalen

The Daughter Of The Manor:

The Daughter Of The Manor Betty Neels, Maoko Nagasaki, 2020-06-11 Leonora the only daughter of the esteemed Crosby family is stunned when she is introduced to James at a party. It is him the handsome man who took her breath away when she first saw him on an icy road. She had heard that a new doctor was coming to the village clinic but she never expected it to be this beautiful stranger. Leonora's nerves are frazzled and a slow heat starts to burn inside her whenever he turns his azure eyes toward her. Why is she feeling such never before experienced passion? She is supposed to focus on marrying her fiancé and supporting her struggling aristocratic family. The Daughter of the Manor Betty Neels, 2005. Leonora was irritated to be always caught out in awkward moments by James the new village GP. She was engaged to Tony but James's support as Leonora tried to keep her parents' decrepit manor house running smoothly made her doubt the wisdom of her engagement. **The History and Topographical Survey of the County of Kent** Edward Hasted, 1782.
