The Daughterinlaw And Other Stories:

The Co-Wife & other Stories, 2008-02-14 Premchand is India If you haven't read Premchand you have missed out on a lot The Hindu Considered one of the greatest fiction writers in Hindi Munshi Premchand 1880 1936 wrote over three hundred short stories a dozen novels and two plays over a prolific career spanning three decades Though best known for his stories exposing the horrors of poverty and social injustice he wrote on a variety of themes with equal facility romance satire social dramas nationalist tales and yarns steeped in folklore The Co wife and Other Stories brings together twenty classic tales of Premchand which provide a glimpse of the author's extraordinary range and diversity While some cast a harrowing look at poverty reflecting Premchand's sympathy with the underdog others expose human foibles without being judgmental and tackle gender politics in a humorous and ironic manner This collection also includes an imaginative foray into historical fiction a nostalgic look at childhood a comic exploration of the theme of women's autonomy and stories that reveal the writer's profound empathy with animals Ruth Vanita's sensitive translation captures the power and beauty of Premchand's language conveying the nuances of the original and bringing to life the author's inherent humanism *The Throttled Street and Other Stories* Gangadhar Gopal Gadgil, 1994 **The Wicked Stepbrother and Other Stories** Warren Rochelle, 2020-09-23 Fairy tales Prince Charming fights evil wins the princess lives happily ever after Three sons three wishes witches dragons a quest and happily ever after These stories are part of our cultural fabric The stories change in retellings to reflect contemporary culture such as Princess Charming or heroes and heroines as people of color In this collection queer characters take center stage in stories that grew out of questions What if the prince falls in love with Cinderella's gay stepbrother What if Rumpelstiltskin doesn't really want the Queen's child but rather the King himself What if Beauty and the Beast are two men These stories explore metaphors of magic and the magical this time with a gay perspective What price must be paid for happily ever after Duty or love Is love worth great sacrifice Once upon a time **England, My England; And Other Stories** D. H. Lawrence, 2025-08-16 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **The Adventures of Kudmi Thatha and Other Stories** Arun Hariharan, 2019-10-16 The Adventures of Kudmi Thatha and Other Stories takes you on a journey through the funny side of life To be honest if you ask me I believe that in the long run there is only one side the funny side My children Lakshmi and Srihari are big believers in the funny side Every time they come back from a perfectly serious event such as regular school day or a music concert they get into fits of giggling and will regale anybody who is willing to listen with funny stories which everybody else seems to have missed They taught me a thing or two about looking at the funny side A book like The Adventures of Kudmi Thatha and Other Stories is never really done All characters and situations in this book are fictional but any fictional writing is influenced by the author's experiences and environment Numerous have been the occasions when just

as I thought I was finally done writing the book yet another memory of some long forgotten hilarious situation would get rekindled and I would tell myself I must add this to the book I am sure this will continue in future too So don't be surprised if you find more funny stories in the next edition of Kudmi Thatha If you enjoy reading this book as much as I enjoyed writing it my purpose in having written it will be served Longing and Other Stories Jun'ichirō. Tanizaki, 2022-01-04 Jun'ichirō Tanizaki is one of the most eminent Japanese writers of the twentieth century renowned for his investigations of family dynamics eroticism and cultural identity Most acclaimed for his postwar novels such as *The Makioka Sisters* and *The Key* Tanizaki made his literary debut in 1910 This book presents three powerful stories of family life from the first decade of Tanizaki's career that foreshadow the themes the great writer would go on to explore *Longing* recounts the fantastic journey of a precocious young boy through an eerie nighttime landscape Replete with striking natural images and uncanny human encounters it ends with a striking revelation *Sorrows* of a Heretic follows a university student and aspiring novelist who lives in degrading poverty in a Tokyo tenement *Ambitious* and tormented the young man rebels against his family against a backdrop of sickness and death *The Story of an Unhappy Mother* describes a vivacious but self-centered woman's drastic transformation after a freak accident involving her son and daughter-in-law Written in different genres the three stories are united by a focus on mothers and sons and a concern for Japan's traditional culture in the face of Westernization The longtime Tanizaki translators Anthony H Chambers and Paul McCarthy masterfully bring these important works to an Anglophone audience Reno (by the) in the Lake and Other Stories Jim Hartman, 2010-03-31 I guess in truth *Reno by the Lake* is my Autobiography Light The material is indeed autobiographical in that little has been gleaned from any outside source and it is definitely light both in serious content and the serious nature often portrayed by an autobiography So read on just for fun *Reno Beach* was a magical place in the 1920s 30s 40s and 50s a resort town that never really quite reached its prime It had however attained great stature in the hearts and minds of all it entertained especially in the imagination of a young boy who could see adventure even in the smallest buttonhole or banal blemish In his mind a vegetable garden became a wilderness plantation An overturned rowboat became a fortress a pirate's treasure cave or a magician's maudlin mansion A willow tree only recently uprooted by the wind and waves of an angry possessive lake trying desperately to reclaim its own this became the perfect home for Tarzan Jimmie of the Apes The fact that I'm even writing this book belies the fact that the place and that little boy still live if only in my imagination The stories you're about to read are about that small waterfront community just east of Toledo Ohio on the western end of Lake Erie and how its life death and frequent revitalizations affected the life of one small boy namely me The stories are absolutely true except as altered by an aging memory wishful thinking and delusions of grandeur not necessarily in that order and they represent some of the very best days of my life I've been told that it's good to share your very best I hope you enjoy reading my stories nearly as much as I enjoyed living them The writing's been fun too Some names and places may have been altered to protect the innocent and or

the guilty but not many Some may also be changed just because I ve forgotten or don t really know what I m talking about Please forgive me Many may recognize themselves a friend or family member in some of these stories and each one probably deserves whatever treatment or attention they received either good or bad This book is intended to be a Bathroom Book This is not a negative For those unable to grasp this creative terminology I provide the following explanation in the form of a prescription Take in small doses Continuous exposure could be hazardous to your health and could lead to an abrasive situation requiring an immediate application of Preparation H This does not imply that either you the reader or the writer is full of Anything Should you disapprove of any of the material in this book please feel free to remove the offending pages and put them to better use right there in the Reading Room solving the problems of the moment I m sure you understand Enjoy Life is short Don t waste it on seriousness

Pitch Woman and Other Stories Coquella Thompson,Elizabeth Derr Jacobs,2007-01-01 Despite the political instability characterizing twentieth century Taiwan the value of baseball in the lives of Taiwanese has been a constant since the game was introduced in 1895 The game first gained popularity on the island under the Japanese occupation and that popularity continued after World War II despite the withdrawal of the Japanese and an official lack of support from the new state power the Chinese Nationalist Party

Blue Light in the Sky & Other Stories Canxue,2006 These are the scenarios of just some of the stories in this generous new collection by Can Xue Although rooted in the folk traditions of Chinese literature and the real conflicts of contemporary Chinese life Can Xue s stories exist in a separate space and time where dreams and reality coalesce tenderness quickly turns to violence strange diseases are caught and quaint landscapes become phantasmagorical

My Life and Other Stories Bob Elles,2013-05-14 Intelligence comes from ignorance as wisdom comes from naivet and there is nothing like gathering both from people who represent a diverse swath of nations throughout the world As cultures require contact with each other in order to grow and remain viable and not succumb to atrophy man too requires contact with men of different beliefs and practices No one nation or culture or religion has a hold on logic or is immune to extremism I feel blessed that Ive had the opportunity to absorb and learn about aspects of life that Im sure I wouldnt have learned otherwise In fact my whole belief system was changed over the past forty five years through this contact I began to do some research on my family and what I learned coupled with what I had experienced in my life literally brought me to tears in gratitude and admiration and hopefully in wisdom If you like to sit down and listen to stories told by say an old friend an uncle or a person with wrinkles on his face grey in his hair and a sparkle of wisdom in his eyes coupled with a smile on his face then you should so bother If you dont then stop right here and go pick up and read a book on vampires or loves lost or whatever turns your fancy My life has been tragic and wondrous and I have what I call life lessons that I believe you will find helpful in your life Ill even go so far as to say that given even a fraction of introspection in you your life will be significantly altered after youve read this book I know that doesnt sound humble but I also know this to be true I have learned forgot and made up many a good story Keep this in mind when you read
