The Day Behemoth & Leviathan Died David Allen Deal,1988 **The Day Behemoth and Leviathan Died** David Allen Deal,1999-12-01 **The Mystic Symbol** Henriette Mertz,2004 An expanded edition of the original classic long out of print The Mystic Symbol describes thousands of Christian inscribed tablets unearthed across Michigan The Michigan Mound Builders left behind 10 000 to 30 000 artifacts as a testament to their presence in North America Mound burials have yielded evidence of a culture with Eastern Hemisphere influence in their spiritual and everyday life Controversy has engulfed this find of artifacts mainly because they were here before Columbus of 1492 which is unacceptable to our academics today Nevertheless the Michigan artifacts continue to surface even today in the state of Michigan This is fascinating look into North America s diverse history **The Identities of the Beast from the Sea and the Beast from the Land in Revelation 13** Joseph Poon,2017-03-13 This book aims to identify the beast from the sea and the beast from the land in Revelation 13 by studying their unique link together with the dragon in Revelation 12 the land beast is subordinate to the sea beast which in turn is subordinate to the dragon The early sections of the book provide a review of previous scholarship the influence of Daniel 7 in understanding Revelation 13 and the Leviathan Behemoth motif in several apocalyptic writings The core of the book however seeks to demonstrate that the relationship of the two beasts and the dragon fits well with the tripartite hierarchy that Georges Dumezil has discovered as one of the dominant structures of relationships in Indo European mythological traditions In congruence with the criteria of the three hierarchical levels in Dumezil s system the dragon concerns the ultimate sovereignty in a supernatural sphere while the sea beast and land beast are found respectively as a warlike figure in a war context and as a figure relating to the economic theme Based on this finding the book concludes that the two beasts represent the imperial power and the imperial cult as most commentators believe **Jonah: An Earth Bible Commentary** Jione Havea,2020-04-16 Jione Havea analyses the Book of Jonah through the lens of climate change using this present situation to reconsider the significance of Jonah for contemporary struggles and contexts and tapping into traditional practices of commentary to draw out the meaning of the biblical text Havea takes Jonah 3 10 as a starting point in which God repents and rethinks decides not to destroy taking this as a challenge and an opportunity for biblical scholars to reflect on the realities of climate change Havea builds on this opportunity in two ways first by reading Jonah forward giving special attention to the orientation of the narrative toward the sea and Nineveh and then backward highlighting the significance of sea and is land lives to the flow of the narrative Second by looking at the other figures in the narrative rather than focusing on the narrator s obsession with Jonah and his God Havea reminds readers that the fish plant worm and other beasts are also crucial in this narrative and considers how this can change our reading of the text **To You with Love from Jesus** Jennifer Mills,2012-09 My people are destroyed for lack of knowledge Hosea 4 6 AMP When we don t know what God says about a matter we are helpless to stop Satan in his attacks What did God say What is the truth Jennifer Mills s book To You
