Missing the Laughter Jude Barnes, 2007-04-18 You must ask yourself one very important question Why give up the drug and maintain the behavior I suspect that we look to the drug of our choice whether it is pills alcohol another person or even the behavior itself as the

problem when it isn't I suspect that the problem is the drama involved The drug we use to access that emotional life is secondary to the fact that we subconsciously feel the need to be drawn into an emotional life Once we know what draws us into the drama and our actual addiction to it so much so that we willingly create it in our everyday lives via our drug of choice then it loses its power over us What it really boils down to is simply growing up and taking responsibility for our actions and for our lives Imagine the many splendid things that we miss because of the superfluous drama with which we fill our lives Think about it *Portraits of Battle* Peter Farrugia,Evan J. Habkirk,2021-04-01 All Canadians are taught about Vimy Ridge But that celebrated victory was just one battle among many to shape the country's experience of the First World War *Portraits of Battle* brings together biography battle accounts and historiographical analysis to examine the lives of a cross section of Canadians who served in the war Contributors to this thoughtful collection consider the range of Canadians touched by war soldiers and their loved ones deserters nurses Indigenous people those injured in body or mind raising fundamental questions about the nature of conflict and memory These portraits of the formerly faceless men and women honoured on war memorials fill in what is often missing from accounts of the Great War In the process they provide a more nuanced perspective on the complex legacy of that war in Canadian history *The Redemption of Scrooge* Matt Rawle,2016-08-03 Is redemption possible for Ebenezer Scrooge Pastor and author Matt Rawle believes so as he discovers the teachings of Jesus in the words of the Charles Dickens classic A Christmas Carol Rawle dives deep into the dark sad greedy world of Scrooge and discovers a man in dire need of a second chance Along with Scrooge we meet the Ghosts of Christmas Past Present and Future and in the process learn about living with and for others in a world blessed by Jesus Rediscover and reinvigorate your Christian faith this Advent and Christmas season and look at this familiar classic through the lens of faith Chapters include Bah Humbug The Remembrance of Christmas Past The Life of Christmas Present The Hope of Christmas Future *Rogue Elephant* Simon Denyer,2014-01-01 A lively portrait the state of India today and an investigation of what the future holds for the world's fastest growing country as told by those in the thick of the action **Phantom Guilt** Nikita Bisht,2024-06-26 David saw his mysterious neighbours dragging a body into the dark woods As he tried catching them red handed he ended up in a bigger mess than he ever imagined An author who never believed in supernatural power or presence has now invited an unwanted guest to his new abode the guest that loves to hunt deep down your memory lane turning your guilt trip of unsaid stories into chilling experiences Will he get rid of his spooky new guest or is it his dead end Do you also have any guilt story for which this unpleasant guest might knock on your door **Blood of Montenegro** Bajram A. Koljenovic,2002-12 The history of my people is written in blood So begins this rich and personal epic drama of three generations of the Koljenovic family and their influence on the history of Montenegro the Balkans and the world Like the tiny blood red ruby in the great gearworks of nations Montenegro has borne the weight and has been the center of the movements of the mighty In this hard and most beautiful land a fine and proud people have grown This is their story

Felling Kelan Nee, 2024-04-15 This collection is a record of one man's navigation of loss, addiction, and labor. At once a meditation on the allure of a legacy in self-destruction and a giving over to hope, *Felling* is an exploration in honesty. Rendered in direct language and through clear eyes, this book, as its title indicates, is concerned with tensions of agency, creation, and destruction, upward and downward motion. After the 1940 publication of *Native Son*, Richard Wright shared some of his stylistic goals in the novel: I wanted the reader to feel that Bigger's story was happening now; he writes like a play upon the stage or a movie unfolding upon the screen. Action follows action, as in a prize fight. Kelan Nee's poetry delivers the immediacy and punch that Wright demanded of literature. Nee has the head for poetry, the heart for poetry, and above all, the guts. This debut collection holds back nothing and leaves me reeling with high hopes for Nee's future in the craft.

December 23 Spiro Milas, 2005-11 Hauntingly touching, *December 23* combines politics and science fiction, touching upon a vast array of emotions. Spiro Milas captivates readers with his uniquely casual yet powerful style in this fast-paced coming-of-age thriller. How can I appreciate my country if it were just given to me unearned? was the thought that inspired a young boy to be given a spiritual and cultural journey to understand what attributes America was made of. Captain America is the nickname given to him by Sandy, a young, nearly deaf girl who teaches him about his destiny. Through experiences with others, this young man becomes Americanized by the lessons he gains. Love, hatred, betrayal, rage, sacrifice, good, and evil are some of the lessons he learns. Something doesn't want him to complete his journey, though. His journey would come full circle on December 23 if he could make it. **Mrs.**
