The Death of Papa Horton Foote, 1989 The play begins by introducing the next generation of Robedauxs in the person of Horace's son Horace Jr who comes home from school to find that his maternal grandfather Henry Vaughn has died suddenly of a heart attack From this point two main storylines are traced in the play One deals with young Horace's coming to terms with the concepts of life death and familial relationships He finds that his mother Elizabeth is expecting another baby he listens to and asks many questions about the widely contrasting accounts of his two grandfathers and he endures the fussing of his paternal grandmother who's fearful that his love of reading will make him too introspective and ruin him for the real world He must also come to grips with the drowning of Gertrude a young black girl who was his confidante and friend The other storyline concerns Brother Vaughn Henry Vaughn's dissolute son who in the short time during which he has control heads his late father's farms and other holdings on a course toward rapid ruin When his mother takes back control of the estate Brother heads off to Galveston where he subsequently kills a man in a drunken brawl Through all of this Horace Sr maintains his own counsel although he stands up to his mother concerning his son's love of reading and he comforts his wife Elizabeth through the crises affecting her family But he refrains even when asked from interfering in the family's affairs and as the play ends the suggestion is strong that things are subtly but inexorably beginning to flow his way Publisher's website

Cousins ; And, The Death of Papa Horton Foote, 1989 A family is a remarkable thing isn't it You belong And then you don't It passes you by Unless you start a family of your own The last two plays of Horton Foote's Orphans Home Cycle both expand and contract the circle of a family that unifies all nine of the plays In Cousins an operation on Horace Robedaux's mother reunites in person and in memory the many Robedaux relatives one of whom speaks the lines quoted above and in the almost comic proliferation of cousins that results the orphaned Horace is joined across time and space to a family that seems never to end The Death of Papa returns the cycle to its origins with the death of Horace's father in law Far from ending the story however Papa's death regenerates the complexity of families and their survival as his son bravely but foolishly tries to assume control of the land that supports his family's life

The Death of My Father the Pope Obed Silva, 2021-12-07 A man mourning his alcoholic father faces a paradox to pay tribute lay scorn upon or pour a drink A wrenching dazzling revelatory debut Weaving between the preparations for his father's funeral and memories of life on both sides of the U S Mexico border Obed Silva chronicles his father's lifelong battle with alcoholism and the havoc it wreaked on his family Silva and his mother had come north across the border to escape his father's violent drunken rages His father had followed and danced dangerously in and out of the family's life until he was arrested and deported back to Mexico where he drank himself to death one Carta Blanca at a time at the age of forty eight Told with a wry

cynicism a profane profound anger an antic brutally honest voice and a hard won classical frame of reference Silva channels the heartbreak of mourning while wrestling with the resentment and frustration caused by addiction The Death of My Father the Pope is a fluid and dynamic combination of memoir and an examination of the power of language and the introduction of a unique and powerful literary voice Grieving the Death of a Father Harold Ivan Smith,2024-07-16 Losing a father can be a complex and confusing transition Whether a father was beloved or feared the loss and grief is a process one that sometimes begins before the physical loss has occurred Drawing on his own experience of losing a father as well as on the experiences of others grief counselor and educator Harold Ivan Smith compassionately guides readers through their grief from the process of dying through the acts of remembering and honoring a father after his death This book provides a way forward By shifting the grief process from something to rush through Smith encourages readers to embrace their grief as a natural response to loss and to give themselves time to work through the sadness ambiguous feelings memories and reality of living without a father A father's death inevitably changes us With gentle and wise words Smith speaks to people who have gone through this loss and helps those yet to face it This edition includes a new foreword from the author **A Memento of the Death of the Holy Father, Pope Leo XIII** William Charles Martineau,1903 *Death Time Stories* , The Death and Life of Zebulon Finch, Volume One Daniel Kraus,2015-10-27 The story follows Zebulon Finch a teenager murdered in 1896 Chicago who inexplicably returns from the dead and searches for redemption through the ages **The Death Chronicles II** J.E. Taylor,2021-04-10 Death is the family business but not one I want to pursue Thankfully it's been passed down from father to son for generations so it should skip over me as Death's daughter Then I won't have to stop being alive and can actually live my life Right Well the reapers don't agree And neither do the angels One thinks I'm destined to take over the other believes I will destroy existence Both want me dead to match their own agendas I have an agenda of my own and Leviathan who has sworn to protect me But once my family and friends start being targeted the family business while grim might be the only choice I have to save those I love The Death Chronicles II includes the following titles Grim's Daughter Finding Death Reap the Dead Kissing Fate *Horton Foote* Gerald C. Wood,1998 First Published in 1998 Routledge is an imprint of Taylor Francis an informal company The Death of Carthage Robin E. Hogan,2023-06-27 Why do a million hummingbirds descend upon a certain Missouri lake every April 15th killing one more resident than they did the year before Once a man with a seemingly limitless future Lake Tanaka resident Dr Kevin Cousey struggles to find a purpose in life after a prankster mangled his hand with an M 80 twenty years ago costing him his career his family and very nearly his life He thinks he has found it in the lethal hummingbird attacks that occur at the lake every year as well as an ally in small town newspaper editor Paul Mahr the only other person who sees a pattern and seeks to connect the pieces of the mystery that haunts the lake These pieces include a thirteen year old French exchange student with a passion for hummingbirds the Navy diver turned corporate millionaire with the mysterious past she was staying with at the time of her disappearance and the patron saint of birds The Death Tax is a cross between Hitchcock s The Birds with a purpose no less Nabokov s Lolita in its darkest incarnation and a murder mystery tackling such thorny issues as pedophilia social apathy intolerance and religious hypocrisy along the way Likewise it is a celebration of nature from its assuming the

mantle of vengeance where man has failed to all the subtle nuances of light and atmosphere that occur on the water and in the sky between the twin glories of sunrise and sunset no less than an ode to Steinbeck's loving descriptions of the Salinas Valley The Death Tax is at once nasty unflinching unlikely and beautiful Just as Hitchcock's Psycho forever changed the way people think about showers and Dickey's Deliverance forever changed the way people think about canoes The Death Tax will forever change the way people think about hummingbirds
