

The background of the image is a dramatic landscape. The sky is filled with heavy, dark clouds, illuminated from below by a warm, orange and yellow light, suggesting a sunset or sunrise. Below the sky, there are dark, silhouetted mountains and hills. The overall mood is somber and contemplative.

I would say you deserve
to die, but death would
be too easy for you.

The Death You Deserve:

Told by the Death's Head Mór Jókai, The hero of our romantic narrative or better narratives was a constable Not one of that useful class appointed in our day to direct the vehicles which pass over the two approaches to the suspension bridge in Budapest rather he was the chief of a body whose task it is to provoke disturbance who win all the more praise and glory the greater the havoc and destruction they create In a word he was a gunner The chronicle of his exploits gives only his Christian name which was Hugo In the year 1688 when the French beleaguered Coblenz Hugo had charge of the battery in the outermost tower of Ehrenbreitstein fortress the Montalembert Tower Coblenz and Ehrenbreitstein are opposite one another on the banks of the Rhine as are Pesth and Ofen and the Blocksberg looks down on us as does the citadel of Ehrenbreitstein on Coblenz The city which is strongly fortified on all sides had become accustomed to being beleaguered now by the French now by the Prussians today by the Austrians tomorrow by the Swedes On the occasion of which I write Coblenz was under a terrible fire from the French guns which created great havoc in that portion of the city known as the Old Town
