

YOUNG REPUBLICAN NATIONAL FEDERATION

“ We shouldn't let the action in our markets from the past week pass us by as fleeting news. We saw a coordinated attack against retail investors, small business owners, and working Americans the likes of which we've never seen before.

As Republicans, we should unambiguously condemn blatant market manipulation by Wall Street, Robinhood and others in an attempt to prop up billionaire hedge funds at the expense of the little guy. Cancel culture has no place in the market. We call on state, local and federal governments, where appropriate, as well as Wall Street itself to cease these distortions that deny average Americans their chance.

We want young people in the market. We want Redditors to have the same power as Wall Street if that's where the market leads. Our party is building a broad coalition of young people of all backgrounds – and if we stay silent here, we're going to lose a bunch of people who are already cynical about the political process and the American dream. ”
